Government Rejects Pal. Sewer Project

Palatine's new sewer disposal plant project which has been hanging fire for many months, has been definitely rejected by the Federal government. News to that effect has been received by engineer Arthur W. Consoer and relayed to the Village officials by him. The plan called for a modern sewage disposal plant with a system of intercepting sewers and would have cost in the neighborhood of $230,000. Of this amount it was hoped that the government would contribute about $160,000 and the Village would raise the balance by means of sewer rental bonds.

These bonds would be paid by collecting about $16.00 per year from each family for use of the sewer. But this plan has been definitely tossed out by the government and now things are right back where they have been for years with Palatine ordered to build a modern disposal plant by the State Sanitary Water Board and prohibited from dumping sewage into Salt Creek and no money or means of getting any with which to carry out the orders of the state. It is possible that a new set up might meet the approval of the government. This set up would increase the sponsors (the Village) contribution to approximately $118,413.00 or 50.5% of the total cost of the project.

Under the new proposed lineup the government would be asked to contribute $116,156.00 or 49.5% of the total cost. The total cost would amount to $234,569.00 of which $114,000.00 would be for labor.

Just where or how the Village can raise any such amount is not clear to the Village officials. What action will be taken by the Sanitary Water Board if the Village does not go ahead is another question. So from all appearances the Village board that is elected next Tuesday, already has a few head aches stored up and awaiting their induction into office.

Children Can Gamble In Mt. Prospect; Also Elsewhere

Following the protest from the Woman's club and other Mt. Prospect organizations regarding the playing of slot machines, punch boards and pin games in Mt. Prospect by the children, Mayor Meyn ordered all of those gambling devices or thinly veiled gambling devices to be removed. The machines were removed all right upon the orders of the mayor and the women's organizations were loud in their praises of Mr. Meyn's actions.

Then all of a sudden the chairman of the police committee or someone butted into the picture and the machines went back up again.

Now the fats in the fire and the war is on. Who is the authority in Mt. Prospect anyhow? How did all those machines get into town? Who wants them there and who furnishes the "protection?" Why the anxiety to get those devices up again after the mayor had ordered them out?

Well anyhow it looks as if they might have quite a time in Mt. Prospect over those various devices and incidentally there are a lot of neighboring towns that are also "loosening up" a little and permitting those machines to sneak back in. Why? Who gets the cut?

Restaurant Owners Organize In Du Page To Combat Workers

Organization of an association of DuPage county restaurant owners to treat with the newly organized restaurant workers union, was tentatively agreed upon by representatives of restaurant owners from Wheaton, Lombard and Glen Ellyn in Chatterton's restaurant, Glen Ellyn, Friday evening. An agreement was signed by the restaurant owners present, and two representatives of the union, holding in abeyance action or demonstrations until Thursday night of this week, when a meeting will be held where, it is hoped, representatives of every restaurant owner in the county will be present.

As a result of the agreement to take no definite action until that time, representatives of the union withdrew from the premises of the Lighthouse, at Roosevelt road and Park boulevard, Glen Ellyn, the pickets that have been placarding that place.

Edward S. Chatterton of Glen Ellyn was named chairman of the restaurant owners until such a time as the organization can be completed.

The union has signed up several owners. Workers are demanding shorter hours and a standardized scale.

Mt. Prospect Mail Carrier is Granddad

Richard Bennett, rural mail carrier of Mt. Prospect is a granddad. The youngster was born last Thursday at the Jefferson Park hospital. The parents are Mr. and Mrs. Leslie Taylor, of Palatine.

4-H Clubs Meet Monday Night

Mr. E. D. Howell, vocational agriculture instructor and 4-H club leader at Palatine announces the first 4-H club meeting of the season for the Palatine, Schaumburg 4-H club at the Palatine high school on April 19, 1937. The meeting will start at 8 o'clock. All farm boys interested in 4-H club work are invited to attend and join this great organization of farm boys.

The program for the evening will consist of filling out the enrollment blank, election of officers and planning the season's activities followed by the playing of games.

Woman's Union To Entertain Federation

The Women's Union of St. Paul's church, Rev. John C. Voeks, pastor, will entertain the Arlington Heights federation of Evangelical Women's organizations, Thursday, April 22, at 10 a. m. The guest speaker will be Mrs. Ethel Duffy of Detroit, Michigan, who is the national chairman of the Christian Citizenship department.

The meeting promises to be a most interesting one. The tenth anniversary of the federation will also be observed. The high school girls' glee club, Miss Maxine Cook, directing, will sing.

Flower Sale For Blind Saturday

Flower sales for the benefit of the blind will be conducted in Arlington Heights and Palatine on Saturday of this week. This sale will be in the nature of a tag day and will be conducted by local people for the American Brotherhood For The Blind. The Arlington Heights sale will be in charge of Mrs. Bernice Forszen.

Prizes for the best flower sellers will be as follows:

1st prize, $2.50 Wahl fountain pen, given by G. H. Wilke (Jeweler).

2nd prize, $2 Permanent end curl, given by Ida Graft Beauty Shop.

3rd Prize, girls sweater, given by Gieseke's Dept. Store.

4th prize, pair roller skates, given by Reese Hardware Co.

5th prize, $1.00 box candy, given by Sieburg's Drug Store.

In Palatine the sale will be in charge of Mrs. Alma Bockelman. The prizes and the donors are as follows:

1st prize, $2.00 in cash, a friend of the blind.

2nd prize, $1.50 fountain pen, pencil, O. A. Schoreder Drug Store.

3rd prize, pair roller skates, H. L. Bockelman & Son.

4th prize, $1.00 girls or boys sport sweater, Schoppe Bros.

The flower sale is held for a worthy cause and it is hoped that a substantial sum may be realized.

Arlington Heights young folks wishing to help in this worthy cause, report at headquarters where you will receive flowers and instructions.

The American Brotherhood is a non-profit, non-sectarian institution, which for years has been rendering widespread service to the blind. All its services are given free and are supported entirely by voluntary contributions and by proceeds of "flower sales" like the one planned for Arlington Heights on Saturday. Let us hope that the folks of this community will respond as "there is no lovelier way to thank God for your sight, than by lending a helping hand to someone in the dark."

Many Ads. For "Help Wanted" In This Issue

This issue carries many advertisements for "Help Wanted." In fact there are 22 ads this week in which someone is wanting to employ some one else.

There are ads for men to work in nurseries, on farms and at other work. Peopel are advertising also for domestic help and other help of various kinds.

This certainly means that business is better and that times are better. A year ago the "Want Ad" columns were carrying practically no "Help Wanted" ads.

The want ads of this paper have proven their worth all over this territory and the ever increasing number of persons who use them shows that they bring the desired results.

Dinse Opens New Shop

Charles Dinse of the Palatine Bowling alleys will open his ice cream parlor in the Dinse block on Sunday.

The place is all fixed up with everything spic and span in its white and black color combination.

The Sunday opening will be informal, the real grand opening will take place in about two weeks, announcement of which will be made in a later issue.
northwest of Chicago.

Municipal Election Is Tuesday

Arlington Heights voters will go to the polls next Tuesday to elect officials for the next two and four years. The mayor, clerk with three of the trustees will serve the four years while the other three members elected will serve for only two years. Following the election the trustees will draw lots as to the length of their respective terms.

The campaign, up to the time we go to press, has been clean without expression of personal animosities, it having the appearance of a friendly contest between neighbors.

The qualifications of the candidates on the Home Town ticket appeared in last week's Herald. They are: P. J. Mors for mayor; Albert W. Goedke, Alfred T. Chidley, Frank H. Meyer, Albert J. Adam, George Schimming and Herman H. Baumann, Jr., for trustees. A mass meeting is being held at the high school Thursday evening in the interest of these candidates.

The announcements of the candidates of the Regular Party appear in this issue. They are J. D. Flentie, for mayor; Walter Krause, Geo. Klehm, O. G. Barrett, Geo. Schaefer, Frank J. Burns and Geo. Schneberger for trustees; A. L. McElhose for village clerk; Wm. Neuman for police magistrate.

Henry Nichols is an independent candidate for police magistrate and the following four are unopposed for positions upon the library board: C. I. Davis, Blanche E. Ashton, Wm. Harrah and Dorothy Bowlin.

Harold Molter On Air April 16th

Mr. Harold Moiter, Christian Science Committee on Publication for Illinois, will be the speaker at the Midday Service, broadcast over Station WGN (720 Kc) Chicago, on Friday, April 16, from 12:35 to 1:00 o'clock Central Standard Time. The address, which is one in a series presented by representatives of different religious denominations, is on the subject, "The Adventure Supreme."

Make Good Showing In Speech Contests

Two Palatine girls made good last week at the Northwestern University speech contests.

In the group preliminaries the winners of which were to contest in the finals, Eleanor Steinbrinck was a winner in dramatic and Marilyn Thorsander won in humorous.

In the finals which were held in the afternoon Marilyn Thorsander finished second in humorous.

The girls have taken a great deal of interest in their speech work and their fine showing in this contest will encourage them to still

FHA Announces New Office Hours at Park Ridge Office

The Better Housing office of the Federal Housing Administration located at room 3 Citizens State Bank building, Park Ridge, will be open on Tuesday and Saturday evenings from six to eight p. m. in the future. In addition, this office is open every week day from 9:00 a. m. to 5:00 p. m. as in the past.

Anyone wishing to apply for an FHA Insured Mortgage loan will find interviewers on duty at the Park Ridge office at the hours noted above.

BOOK TALK AT P. T. A.

Everyone who attended the P. T. A. meeting Tuesday, April 13, was delighted by the fine talk on "Books As a Hobby" by Miss Wygant of the Barrington Country Day school. She stressed many fine points in regard to reading as a hobby. Children may read because it is easier to adjust themselves to the book characters than to real life playmates. Also it kills time comfortably which may be serious physically to a growing child. And much of the material may not be valuable.

She spoke of the danger of children listening to the radio too much, of many programs that are not for children. But they are entertained by it with no effort on their part, where as a good book will help them create something and make them think. She also told of the effect books on foreign countries have on creating a good international feeling.

Miss Wygant had a fine display of children's books, most of which we have in our own library.

Mrs. L. McGown sang in her own charming manner "Little Boy Love" and "Sweetest Story Ever Told."

At the business meeting which followed, the following officers were elected for the ensuing year:

President—Mrs. L. Inkster.
Vice President—Mrs. G. Howes.
Secretary—Mrs. C. Hans.
Treasurer—Mrs. Johnstone.
Historian—Mrs. Wiehrdt.

The next meeting, which is May 11, will include an adult hobby show in the cafeteria. Everyone is urged to bring something they are interested in. Miss Cook will talk on "Modern Trends in Cooking."

P. T. A. Musical Sunday Night

The Parent-Teacher association choir, directed by Mr. Theo. Militzer, will present a musical service at the Presbyterian church, this Sunday evening, April 18, at 8 o'clock. Everyone is welcome. A free will offering will be taken.

The following program will be rendered:

Cantata—The Petition Answered.
P. T. A. Chorus—Miss Mercie Heise, Organist; Miss Ruth Wenzel, soprano; Mrs. Velda Utterbach, alto; Mr. Sidney Allen, baritone.
Music by Theodore Militzer.
No. 1—Prelude.
No. 2—Chorus, Hear My Prayer.
No. 3—Aria for baritone: But Thou When Thou Prayest.
No. 4—Aria for Soprano, Fear thou not.
No. 5—Chorus, Glory be to the Father.
No. 6—Offertory.
No. 7—Aria for Alto, Behold the Lamb of God.
No. 8—Chorus, since by man came death.
No. 9—Chorus, Thanks be to God.
No. 10—Recitative for Baritone.
No. 11—Chorus, Holy, Holy, Holy Lord of Hosts.
No. 12—Hymn, Holy, Holy, Holy all the Saints adore Thee.

Village Election Next Tuesday

Another quiet election is in prospect for Palatine next Tuesday, when the Village election will be held. There is a full village slate to be elected.

The candidates all of whom are unopposed are:

For President, Adolph R. Godknecht; for trustees, Albert H. Schmidt, Fred H. Shermer, William Henning, Martin E. Plate, Earl R. Prout and William Bierman; for Village clerk, Elvin P. Steinbrinck; for police magistrate, James H. Harz; for members of library board, Walter Rennack, Mrs. Edna Senne, Mrs. Alma Kunze.

Under the new law, village officers are elected for four year terms this year, but the members of the board will be compelled to draw lots as to who gets the full four year term and who a two year term as elections will be held every two years with one half the board to be elected each two years for four year terms.

Trustees Mess, Voss, Freise and Uhrhammer, are not candidates for re-election this year, making the largest number of new members to go on the board at one election in many years. Mr. Henning and Mr. Plate, however, know their way around in Village affairs as both are former members of the board with many years experience on that body.

The new board will have several important matters to consider not the least of which is the subject of sewage disposal, the project for which has just been rejected by the government.

No one seemed to be anxious for Village jobs this year and the one ticket has a smooth road to public office and glory.

The public, however, should show its appreciation of the fact that some men are still willing to hold Village offices and should come out and vote.

W. R. Comfort Sons Offer Finance Plan

W. R. Comfort Sons of Palatine are offering a financing program not only for the erection of new homes, but for remodeling and repairing as well. This firm is being consulted by people from many neighboring communities, who are anxious to take advantage of the plan of financing which is offered.

This financing plan gives the small home owner an opportunity to repair or remodel his home, build a new garage or improve his property in many ways.

The full details of the plan may be had by having a talk with W. R. Comfort Sons. There is no obligation attached to learning all about the plan they have to offer.

Glenview Civic Orchestra and Chorus To Give Concert

Good music is like good literature, it builds character. The Glenview Civic Orchestra and Chorus are presenting their second concert of this season on Monday evening, April 19th, at 8:15 p. m. in the Glenview Civic Building, with Mr. Jesse Stevens directing. The response given the first concert assures us that you enjoyed it, and we feel sure you will again wish to attend and show your loyalty to our director and your community. As a part of the program everyvody will be given an opportunity to try out their voices with community singing, so come out and "let's sing like the birdies sing." This concert is being sponsored by the Glenview Chamber of Commerce.

ANNOUNCEMENT

The circulation of marked sample ballots with "A. L. McElhose, Village Clerk" at the bottom of the ballot is unauthorized by law and I was unaware of the use of my name in that manner until the ballots appeared upon the street. As village clerk and a servant of the people I am not officially endorsing any ticket or candidates.

A. L. McElhose.

Pal Theatre Opens Saturday

The Pal Theatre in Palatine, thoroughly overhauled from cellar to roof with new seats, many new improvements and under new management will open its doors to the public Saturday afternoon at 1:30 p. m. with a continuous run until closing time. The feature picture for opening day will be "Come and Get It" featuring Edward Arnold, Joe McCrea and Frances Farmer.

Sunday's attraction will be "The Gay Desperado" with Mino Marlini and Leo Carrelo in the feature roles. This show will hold over on Monday.

The new theatre will not have any performance on Tuesdays, confining itself to a five day program each week.

Next Friday and Saturday "The Garden of Allah" will be the feature attraction.

People who attend the new play house will see a modern and up to date little theatre in every particular.

The building has been inspected and passed by the State Fire Marshals office with high compliments as to the improvements that have been made.

The new owners of the Pal theatre are giving to Palatine and surrounding territory, a show house of which they can justly be proud, and the class of pictures to be run there should certainly be an incentive for sustained patronage. A ten year lease and proven ability in the management of movie houses, should go a long way in assuring the public that the new management means business and has come to Palatine to stay.

The public itself holds the success of this new business venture in Palatine in its hands and an inspection of the remodeled show house and the class of pictures which the management intends to show should help to create a public confidence in the new venture and once a mutual friendship and understanding is established between the management and the public, the future of the Pal theatre should be assured.

V F W Post Prepares For Celebration

The big celebration which is to be staged by V. F. W. Post, No. 2149, at Bensenville, June 30 to July 5 inclusive, is fast being whipped into shape. A committee is now busy formulating plans.

The Post has secured several acres on the southeast intersection of Irving Park Boulevard and York street in Bensenville on which to hold the celebration. Plenty of free parking space surrounds the grounds. Persons or civic organizations who desire to obtain concessions for the six days, are advised to contact James Means either by mail or at his barber shop in the Janker's building on Addison street in Bensenville.

With prosperity here again, everybody will want to assist the Post members in this celebration. There will be room for a lot of money making concessions and applications are already coming in. As is customary at all big celebrations the sponsors are going to give away several hundred dollars in prizes.

Palatine Educator Is Guest Speaker At Lions Dinner

J. E. Clettenberg, superintendent of Palatine Elementary schools, was the guest speaker at the Roselle Lions club dinner at the Lions clubrooms Thursday evening of last week. Mr. Clettenberg gave a very informative talk on the complexes of children.

Dinner was served by the M. E. Ladies' Aid society.

The annual charter night of the club which is also ladies' night, will be held May 13. The Lions plan to go "high-hat" on this occasion and will treat the ladies and themselves to a dinner and entertainment in Chicago.

Swallow-tails and silk toppers are expected to add to the sartorial distinctiveness of the Lions on this evening.

Cops On Rampage Hand Out Tickets

When the Village of Palatine gave notice a couple of weeks ago that it was time for vehicle owners to come in and get their village vehicle tag, they meant what their said.

The local police have been busy this week handing out tickets, calling for an appearance before Judge Harz on Saturday afternoon.

There has been quite a rush of the folks who got the tickets to the clerk's office to get their stickers.

What disposition Judge Harz will make of their cases on Saturday and how big the fine will be for those who ignored the tickets will be known after the court session Saturday afternoon.

Successes of Present Board

Arlington Officials Ask Re-election Upon Their Record.

Arlington Heights today holds an outstanding position among the northwest suburbs. It is a position that was not easily acquired nor easily maintained during the troublesome years that have passed. Today, where many other municipalities are just getting ready to DO THINGS, Arlington Heights has already entered upon a stride that means a great future and great things **now, this year** and **next year** for our municipality.

There are many people in Arlington Heights who feel that the municipal government that has been accorded to the people of Arlington Heights the past 6 years has exerted a great force in the accomplishment of these things.

The men who have controlled our local government the past four or more years are candidates for re-election, and therefore the coming election is of more than usual importance. The presentation of accomplishments of the present board, can be considered an accounting to the people and in that spirit is given to the voters of Arlington Heights.

The candidates of the Regular Party, in the forthcoming election, are men who have already demonstrated their fitness to serve as public officials.

These are the men who have placed Arlington Heights upon a sound financial basis, officials who have inaugurated progressive policies of government that have provided a maximum of benefits to the municipality at a minimum of costs.

Faced with a chaotic financial condition when they assumed office, these men at once adopted economy measures that made possible a balanced budget resulting in a credit rating for the village that is today equalled by few municipalities in Cook county.

The budgeting of expenses was not alone sufficient to take Arlington Heights out of the red. They were faced with a multitude of unpaid obligations. Among them was an indebtedness of $24,305.57 due the Public Service Co. as of January 26, 1932. The amount due the Public Service Co., upon March 31, 1937, was only approximately $1500.

All public benefits now on record have been inherited from previous boards.

These officials solved the water supply problem, erecting a 250,000 gallon water tower and the drilling of a deep well and installation of equipment for operation of same without the issuance of a single general tax or special assessment bond.

They secured a lower insurance rating because of the improved water supply conditions and the construction of a belt line of high pressure water mains.

A maximum of employment has been provided under the WPA operation, providing much work for local unemployed.

Again using WPA labor the present board early and continuously fostered and sponsored numerous improvement projects, which with the cooperation of the property owners in purchase of needed materials, have eliminated many dead ends of water mains and provided sewers for sections of the town, which on account of being sparcely settled were unable to finance such improvements under the special assessment act.

These men had the foresight to take the initiative in securing title to property and laying out a recreation park for Arlington Heights, turning over to the park board a well started park project when the latter board found itself in a position to assume its responsibility.

Government grants and government aid were secured, amounting to a great many thousands of dollars, which insures for future generations much enjoyment and many conveniences that would otherwise have been impossible of realization without public officials who were willing and ready to seize the opportunities that presented themselves.

The delay in the payment of taxes did, until a year ago, cause certain general bonds to be in default. By an advantageous refinancing plan, lower interest rates were secured upon all general bonds of the municipality and there are no defaulted bonds today.

The village has during the past three years given every cooperation to holders of special assessment bonds and owners of property that was over-burdened with excessive special assessment charges with the result that the status of the specials have been greatly improved, clear title on many sections of vacant lots have been possible which has resulted in the instigation of a building program in those districts.

The village board has not allowed the necessity of economy to prevent the proper maintenance of physical equipment of the village and have purchased new equipment and have safeguarded investments in machinery, buildings, etc., by their proper repair or replacement as it was needed.

Gas tax money has been utilized to repair streets in all parts of the village that were constructed years ago thereby eliminating expensive repair bills for the municipality and the property owners: A number of streets were constructed where the traffic warranted the improvement, but where adjoining property would have been unable to finance the work. Among such as these are the improvement adjoining the high school and the new park.

Faced with a shortage of many thousands of dollars in municipal funds on account of the closed banks, various measures were taken and negotiations were started which have resulted in the return to the village treasury of 83% of such funds.

When assuming office these men inherited a municipal building covered with mechanics liens. It has taken nearly four years to secure settlement of those liens upon a basis favorable to the municipality, but today the village owns its own home.

All of this has been accomplished and made possible by the business foresight of the board members and by the exercise of a cooperative spirit among the board members, themselves, coupled with a spirit of friendliness in which the board has met groups of citizens who have from time to time appeared before that body with complaints and suggestions. It has been a business administration of service to the tax payers, to the community and to the generations of the future who will "carry on" the prestige of the best little city

—Published by campaign committee in the inteerst of the Regular ticket.

Vaudeville Show At Palatine

A big professional vaudeville show will be held at Cutting hall in the Palatine high school on Tuesday evening, April 20.

The affair is sponsored by the Palatine P. T. A. and Sid Page is bringing his entire company together with other acts and a good band. Anyone who enjoys a good show can see one next Tuesday night at the Palatine high school.

This is the same show that is given at some of the largest Chicago movie houses. Mr. Page, who resided in Palatine, is helping the local P. T. A. cover a financial deficit.

J. W. Reed, Long Time Resident of Glenview Died Last Week

Funeral services for Mrs. Joseph W. Reed of Waukegan Road, a resident of Glenview for almost 60 years, were held from the Haut Undertaking Parlors, Sunday afternoon, April 11th. Mrs. Reed, born Mathilda Budde in Chicago, had reached the age of over 80 years. She was a charter member of the Glenview Congregational church. Burial was in Ridgewood cemetery.

Mourning her loss are her husband, Mr. Joseph W. Reed, and 3 children: Mrs. Fred Anderson, Mrs. Jessie Freeman of La Porte, Ind.; and Mr. Ira B. Reed of Huntley, and their families. Also one brother and two sisters survive her: Mrs. G. W. Johnson and Mr. F. E. Budde of Mankato, Minnesota, and Mrs. J. N. Westbrook of Glenview. Mrs. Reed had many friends, all of whom, express sincere sympathy.

Complaint By People Of Cloverdale Leads To Man's Arrest

Complaint of the residents of Cloverdale Sunday afternoon that a stranger in that locality was acting suspiciously, resulted in the arest of Anton Moore, alias Walter Abbott, 1634 Sedgwick street, Chicago. Moore, who had escaped from the Cook County Home of Correction outer farm, where he was serving a term for burglarly, was returned to that institution.

The complaint was made to the sheriff's office by telephone. Deputy Sheriffs Lang and Lynest were contacted through the county radio and drove at once to Cloverdale.

Dramatic Contest Saturday at Palatine High School

Six high schools, Maine, Morton Grove, Proviso, Antioch St. Ignatius and Palatine will compete Saturday afternoon at the Palatine high school in a one act dramatic festival.

The event will start at one o'clock and will be open to the public free of charge.

These competing schools represent the Cook county high school speech league.

The winner will represent the district at the state contests on April 24 at Champaign.

Palatine's play will be "A Table Set For Himself" which was given at the Christmas assembly.

The school hopes that the many friends of the school will attend this contest.

Court Rules In Roselle Land Suits

Two decisions were handed down in the circuit court at Wheaton, Tuesday, by Judge Shepard in land disconnection suits brought against the Village of Roselle.

The first petition known as the Siems petition was allowed by Judge Shepard, in view of the fact that the only property which would be isolated from the Village by the disconnection of this tract (161 acres) is the property on which the Roselle sewage plant is located and the roadway entering it. The above tract is located in the southeast portion of the village.

Judge Shepard, however, would not allow a second petition for disconnection of 198 acres, located in the southwest part of the village, filed by Fred Hitzeman and others. This property, it is held, would isolate a subdivision and several residential properties.

The village attorney, H. H. Hitzeman, says that the Village is prepared to appeal from the decision in the first case, believing that the Siems property has not been properly disconnected.

Schools Hold Quiet Election

A quiet school election took place in Arlington Heights last Saturday when the voters of the high school and district 25 elected presidents and members of the boards of education. Sandwiched in between the big township and Village elections, the school elections created little interest and the candidates had smooth sailing.

In the high school election president Theodore Militzer was re-elected for another year and Ralph E. Gould, Albert C. Haake, were elected members of the board for a three year term.

In the district 25 election, Nathaniel A. Carlson was elected president for a one year term and Eugene H. Heller and Charles M. Forsman were elected to the board for three year terms. James E. Groves was elected a member of the board to fill vacancy for one year.

La Londe Delivers "The Goods"

And in this case the "goods" was a check for some $4,200 in general taxes which the county treasurer's office had been withholding because of the special assessment overpayment by the county to the village some years ago. For several years the County "sat" on all taxes paid at the County building that belonged to Palatine. Then by means of legal action and the action of former treasurer, Joseph L. Gill, Palatine finally got those general taxes released.

Then Horace G. Lindheimer was elected treasurer and once more the bars went up against payment of general taxes to the Village of Palatine.

Just when the Village officials were wondering if they had to go all through the same performance over again in explaining the case to the new treasurer and in starting another flock of law suits, Roy La Londe stepped into the breach, had a few conferences with the county treasurer, and then the other day took Village clerk Steinbrinck in to the county treasurer's office and when the Village clerk came home, he had $4,200 in Palatine general taxes with him that had been held up by the county treasurer's office.

We don't know just what sort of persuasive language Roy used, but we have a pretty good idea. Anyhow, it's results that count and the Village Board should feel mighty grateful to Roy, for his successful persuasive methods have saved the Village from some more long drawn out legal entanglements with the attendant costs, attorney's fees, etc.

WLS Tryouts Start Tonight

Everyone is polishing up the guitars, banjos, fiddles and their square dancing to be able to take part in the big home talent Prairie Farmer WLS show which the Women's Relief Corps are giving next week at the Palatine high school auditorium on April 22, 23, 24.

Tryouts begin tonight under direction of Miss Olive Kackley, head director of Prairie Farmer WLS Community service department and all talent of all kinds are invited and receive free of charge professional training the remainder of the week for radio and personality development. This promises to be the biggest home talent show which will be given professionally.

Everyone is invited to come to the tryouts and get in on the big show and have the best time you ever had. Nothing brings community spirit and neighbors on friendly terms like getting together on these big affairs.

Everyone with talent come to Palatine high school each night at 7 p. m., excepting Sunday.

Government Rejects Pal. Sewer Project

Palatine's new sewer disposal plant project which has been hanging fire for many months, has been definitely rejected by the Federal government. News to that effect has been received by engineer Arthur W. Consoer and relayed to the Village officials by him. The plan called for a modern sewage disposal plant with a system of intercepting sewers and would have cost in the neighborhood of $230,000. Of this amount it was hoped that the government would contribute about $160,000 and the Village would raise the balance by means of sewer rental bonds.

These bonds would be paid by collecting about $16.00 per year from each family for use of the sewer. But this plan has been definitely tossed out by the government and now things are right back where they have been for years with Palatine ordered to build a modern disposal plant by the State Sanitary Water Board and prohibited from dumping sewage into Salt Creek and no money or means of getting any with which to carry out the orders of the state. It is possible that a new set up might meet the approval of the government. This set up would increase the sponsors (the Village) contribution to approximately $118,413.00 or 50.5% of the total cost of the project.

Under the new proposed lineup the government would be asked to contribute $116,156.00 or 49.5% of the total cost. The total cost would amount to $234,569.00 of which $114,000.00 would be for labor.

Just where or how the Village can raise any such amount is not clear to the Village officials. What action will be taken by the Sanitary Water Board if the Village does not go ahead is another question. So from all appearances the Village board that is elected next Tuesday, already has a few head aches stored up and awaiting their induction into office.

Children Can Gamble In Mt. Prospect; Also Elsewhere

Following the protest from the Woman's club and other Mt. Prospect organizations regarding the playing of slot machines, punch boards and pin games in Mt. Prospect by the children, Mayor Meyn ordered all of those gambling devices or thinly veiled gambling devices to be removed. The machines were removed all right upon the orders of the mayor and the women's organizations were loud in their praises of Mr. Meyn's actions.

Then all of a sudden the chairman of the police committee or someone butted into the picture and the machines went back up again.

Now the fats in the fire and the war is on. Who is the authority in Mt. Prospect anyhow? How did all those machines get into town? Who wants them there and who furnishes the "protection?" Why the anxiety to get those devices up again after the mayor had ordered them out?

Well anyhow it looks as if they might have quite a time in Mt. Prospect over those various devices and incidentally there are a lot of neighboring towns that are also "loosening up" a little and permitting those machines to sneak back in. Why? Who gets the cut?

Restaurant Owners Organize In Du Page To Combat Workers

Organization of an association of DuPage county restaurant owners to treat with the newly organized restaurant workers union, was tentatively agreed upon by representatives of restaurant owners from Wheaton, Lombard and Glen Ellyn in Chatterton's restaurant, Glen Ellyn, Friday evening. An agreement was signed by the restaurant owners present, and two representatives of the union, holding in abeyance action or demonstrations until Thursday night of this week, when a meeting will be held where, it is hoped, representatives of every restaurant owner in the county will be present.

As a result of the agreement to take no definite action until that time, representatives of the union withdrew from the premises of the Lighthouse, at Roosevelt road and Park boulevard, Glen Ellyn, the pickets that have been placarding that place.

Edward S. Chatterton of Glen Ellyn was named chairman of the restaurant owners until such a time as the organization can be completed.

The union has signed up several owners. Workers are demanding shorter hours and a standardized scale.

Mt. Prospect Mail Carrier is Granddad

Richard Bennett, rural mail carrier of Mt. Prospect is a granddad. The youngster was born last Thursday at the Jefferson Park hospital. The parents are Mr. and Mrs. Leslie Taylor, of Palatine.

4-H Clubs Meet Monday Night

Mr. E. D. Howell, vocational agriculture instructor and 4-H club leader at Palatine announces the first 4-H club meeting of the season for the Palatine, Schaumburg 4-H club at the Palatine high school on April 19, 1937. The meeting will start at 8 o'clock. All farm boys interested in 4-H club work are invited to attend and join this great organization of farm boys.

The program for the evening will consist of filling out the enrollment blank, election of officers and planning the season's activities followed by the playing of games.

Woman's Union To Entertain Federation

The Women's Union of St. Paul's church, Rev. John C. Voeks, pastor, will entertain the Arlington Heights federation of Evangelical Women's organizations, Thursday, April 22, at 10 a. m. The guest speaker will be Mrs. Ethel Duffy of Detroit, Michigan, who is the national chairman of the Christian Citizenship department.

The meeting promises to be a most interesting one. The tenth anniversary of the federation will also be observed. The high school girls' glee club, Miss Maxine Cook, directing, will sing.

Flower Sale For Blind Saturday

Flower sales for the benefit of the blind will be conducted in Arlington Heights and Palatine on Saturday of this week. This sale will be in the nature of a tag day and will be conducted by local people for the American Brotherhood For The Blind. The Arlington Heights sale will be in charge of Mrs. Bernice Forszen.

Prizes for the best flower sellers will be as follows:

1st prize, $2.50 Wahl fountain pen, given by G. H. Wilke (Jeweler).

2nd prize, $2 Permanent end curl, given by Ida Graft Beauty Shop.

3rd Prize, girls sweater, given by Gieseke's Dept. Store.

4th prize, pair roller skates, given by Reese Hardware Co.

5th prize, $1.00 box candy, given by Sieburg's Drug Store.

In Palatine the sale will be in charge of Mrs. Alma Bockelman. The prizes and the donors are as follows:

1st prize, $2.00 in cash, a friend of the blind.

2nd prize, $1.50 fountain pen, pencil, O. A. Schoreder Drug Store.

3rd prize, pair roller skates, H. L. Bockelman & Son.

4th prize, $1.00 girls or boys sport sweater, Schoppe Bros.

The flower sale is held for a worthy cause and it is hoped that a substantial sum may be realized.

Arlington Heights young folks wishing to help in this worthy cause, report at headquarters where you will receive flowers and instructions.

The American Brotherhood is a non-profit, non-sectarian institution, which for years has been rendering widespread service to the blind. All its services are given free and are supported entirely by voluntary contributions and by proceeds of "flower sales" like the one planned for Arlington Heights on Saturday. Let us hope that the folks of this community will respond as "there is no lovelier way to thank God for your sight, than by lending a helping hand to someone in the dark."

Many Ads. For "Help Wanted" In This Issue

This issue carries many advertisements for "Help Wanted." In fact there are 22 ads this week in which someone is wanting to employ some one else.

There are ads for men to work in nurseries, on farms and at other work. Peopel are advertising also for domestic help and other help of various kinds.

This certainly means that business is better and that times are better. A year ago the "Want Ad" columns were carrying practically no "Help Wanted" ads.

The want ads of this paper have proven their worth all over this territory and the ever increasing number of persons who use them shows that they bring the desired results.

Dinse Opens New Shop

Charles Dinse of the Palatine Bowling alleys will open his ice cream parlor in the Dinse block on Sunday.

The place is all fixed up with everything spic and span in its white and black color combination.

The Sunday opening will be informal, the real grand opening will take place in about two weeks, announcement of which will be made in a later issue.

northwest of Chicago.

Municipal Election Is Tuesday

Arlington Heights voters will go to the polls next Tuesday to elect officials for the next two and four years. The mayor, clerk with three of the trustees will serve the four years while the other three members elected will serve for only two years. Following the election the trustees will draw lots as to the length of their respective terms.

The campaign, up to the time we go to press, has been clean without expression of personal animosities, it having the appearance of a friendly contest between neighbors.

The qualifications of the candidates on the Home Town ticket appeared in last week's Herald. They are: P. J. Mors for mayor; Albert W. Goedke, Alfred T. Chidley, Frank H. Meyer, Albert J. Adam, George Schimming and Herman H. Baumann, Jr., for trustees. A mass meeting is being held at the high school Thursday evening in the interest of these candidates.

The announcements of the candidates of the Regular Party appear in this issue. They are J. D. Flentie, for mayor; Walter Krause, Geo. Klehm, O. G. Barrett, Geo. Schaefer, Frank J. Burns and Geo. Schneberger for trustees; A. L. McElhose for village clerk; Wm. Neuman for police magistrate.

Henry Nichols is an independent candidate for police magistrate and the following four are unopposed for positions upon the library board: C. I. Davis, Blanche E. Ashton, Wm. Harrah and Dorothy Bowlin.

Harold Molter On Air April 16th

Mr. Harold Molter, Christian Science Committee on Publication for Illinois, will be the speaker at the Midday Service, broadcast over Station WGN (720 Kc) Chicago, on Friday, April 16, from 12:35 to 1:00 o'clock Central Standard Time. The address, which is one in a series presented by representatives of different religious denominations, is on the subject, "The Adventure Supreme."

Make Good Showing In Speech Contests

Two Palatine girls made good last week at the Northwestern University speech contests.

In the group preliminaries the winners of which were to contest in the finals, Eleanor Steinbrinck was a winner in dramatic and Marilyn Thorsander won in humorous.

In the finals which were held in the afternoon Marilyn Thorsander finished second in humorous.

The girls have taken a great deal of interest in their speech work and their fine showing in this contest will encourage them to still

FHA Announces New Office Hours at Park Ridge Office

The Better Housing office of the Federal Housing Administration located at room 3 Citizens State Bank building, Park Ridge, will be open on Tuesday and Saturday evenings from six to eight p. m. in the future. In addition, this office is open every week day from 9:00 a. m. to 5:00 p. m. as in the past.

Anyone wishing to apply for an FHA Insured Mortgage loan will find interviewers on duty at the Park Ridge office at the hours noted above.

BOOK TALK AT P. T. A.

Everyone who attended the P. T. A. meeting Tuesday, April 13, was delighted by the fine talk on "Books As a Hobby" by Miss Wygant of the Barrington Country Day school. She stressed many fine points in regard to reading as a hobby. Children may read because it is easier to adjust themselves to the book characters than to real life playmates. Also it kills time comfortably which may be serious physically to a growing child. And much of the material may not be valuable.

She spoke of the danger of children listening to the radio too much, of many programs that are not for children. But they are entertained by it with no effort on their part, where as a good book will help them create something and make them think. She also told of the effect books on foreign countries have on creating a good international feeling.

Miss Wygant had a fine display of children's books, most of which we have in our own library.

Mrs. L. McGown sang in her own charming manner "Little Boy Love" and "Sweetest Story Ever Told."

At the business meeting which followed, the following officers were elected for the ensuing year:

President—Mrs. L. Inkster.
Vice President—Mrs. G. Howes.
Secretary—Mrs. C. Hans.
Treasurer—Mrs. Johnstone.
Historian—Mrs. Wiehrdt.

The next meeting, which is May 11, will include an adult hobby show in the cafeteria. Everyone is urged to bring something they are interested in. Miss Cook will talk on "Modern Trends in Cooking."

P. T. A. Musical Sunday Night

The Parent-Teacher association choir, directed by Mr. Theo. Militzer, will present a musical service at the Presbyterian church, this Sunday evening, April 18, at 8 o'clock. Everyone is welcome. A free will offering will be taken.

The following program will be rendered:

Cantata—The Petition Answered.

P. T. A. Chorus—Miss Mercie Heise, Organist; Miss Ruth Wenzel, soprano; Mrs. Velda Utterbach, alto; Mr. Sidney Allen, baritone.

Music by Theodore Militzer.

No. 1—Prelude.
No. 2—Chorus, Hear My Prayer.
No. 3—Aria for baritone: But Thou When Thou Prayest.
No. 4—Aria for Soprano, Fear thou not.
No. 5—Chorus, Glory be to the Father.
No. 6—Offertory.
No. 7—Aria for Alto, Behold the Lamb of God.
No. 8—Chorus, since by man came death.
No. 9—Chorus, Thanks be to God.
No. 10—Recitative for Baritone.
No. 11—Chorus, Holy, Holy, Holy Lord of Hosts.
No. 12—Hymn, Holy, Holy, Holy all the Saints adore Thee.

Village Election Next Tuesday

Another quiet election is in prospect for Palatine next Tuesday, when the Village election will be held. There is a full village slate to be elected.

The candidates all of whom are unopposed are:

For President, Adolph R. Godknecht; for trustees, Albert H. Schmidt, Fred H. Shermer, William Henning, Martin E. Plate, Earl R. Prout and William Bierman; for Village clerk, Elvin P. Steinbrinck; for police magistrate, James H. Harz; for members of library board, Walter Rennack, Mrs. Edna Senne, Mrs. Alma Kunze.

Under the new law, village officers are elected for four year terms this year, but the members of the board will be compelled to draw lots as to who gets the full four year term and who a two year term as elections will be held every two years with one half the board to be elected each two years for four year terms.

Trustees Mess, Voss, Freise and Uhrhammer, are not candidates for re-election this year, making the largest number of new members to go on the board at one election in many years. Mr. Henning and Mr. Plate, however, know their way around in Village affairs as both are former members of the board with many years experience on that body.

The new board will have several important matters to consider not the least of which is the subject of sewage disposal, the project for which has just been rejected by the government.

No one seemed to be anxious for Village jobs this year and the one ticket has a smooth road to public office and glory.

The public, however, should show its appreciation of the fact that some men are still willing to hold Village offices and should come out and vote.

W. R. Comfort Sons Offer Finance Plan

W. R. Comfort Sons of Palatine are offering a financing program not only for the erection of new homes, but for remodeling and repairing as well. This firm is being consulted by people from many neighboring communities, who are anxious to take advantage of the plan of financing which is offered.

This financing plan gives the small home owner an opportunity to repair or remodel his home, build a new garage or improve his property in many ways.

The full details of the plan may be had by having a talk with W. R. Comfort Sons. There is no obligation attached to learning all about the plan they have to offer.

Glenview Civic Orchestra and Chorus To Give Concert

Good music is like good literature, it builds character. The Glenview Civic Orchestra and Chorus are presenting their second concert of this season on Monday evening, April 19th, at 8:15 p. m. in the Glenview Civic Building, with Mr. Jesse Stevens directing. The response given the first concert assures us that you enjoyed it, and we feel sure you will again wish to attend and show your loyalty to our director and your community. As a part of the program everyvody will be given an opportunity to try out their voices with community singing, so come out and "let's sing like the birdies sing." This concert is being sponsored by the Glenview Chamber of Commerce.

ANNOUNCEMENT

The circulation of marked sample ballots with "A. L. McElhose, Village Clerk" at the bottom of the ballot is unauthorized by law and I was unaware of the use of my name in that manner until the ballots appeared upon the street. As village clerk and a servant of the people I am not officially endorsing any ticket or candidates.

A. L. McElhose.

Pal Theatre Opens Saturday

The Pal Theatre in Palatine, thoroughly overhauled from cellar to roof with new seats, many new improvements and under new management will open its doors to the public Saturday afternoon at 1:30 p. m. with a continuous run until closing time. The feature picture for opening day will be "Come and Get It" featuring Edward Arnold, Joe McCrea and Frances Farmer.

Sunday's attraction will be "The Gay Desperado" with Mino Marlini and Leo Carrelo in the feature roles. This show will hold over on Monday.

The new theatre will not have any performance on Tuesdays, confining itself to a five day program each week.

Next Friday and Saturday "The Garden of Allah" will be the feature attraction.

People who attend the new play house will see a modern and up to date little theatre in every particular.

The building has been inspected and passed by the State Fire Marshals office with high compliments as to the improvements that have been made.

The new owners of the Pal theatre are giving to Palatine and surrounding territory, a show house of which they can justly be proud, and the class of pictures to be run there should certainly be an incentive for sustained patronage. A ten year lease and proven ability in the management of movie houses, should go a long way in assuring the public that the new management means business and has come to Palatine to stay.

The public itself holds the success of this new business venture in Palatine in its hands and an inspection of the remodeled show house and the class of pictures which the management intends to show should help to create a public confidence in the new venture and once a mutual friendship and understanding is established between the management and the public, the future of the Pal theatre should be assured.

V F W Post Prepares For Celebration

The big celebration which is to be staged by V. F. W. Post, No. 2149, at Bensenville, June 30 to July 5 inclusive, is fast being whipped into shape. A committee is now busy formulating plans.

The Post has secured several acres on the southeast intersection of Irving Park Boulevard and York street in Bensenville on which to hold the celebration. Plenty of free parking space surrounds the grounds. Persons or civic organizations who desire to obtain concessions for the six days, are advised to contact James Means either by mail or at his barber shop in the Janker's building on Addison street in Bensenville.

With prosperity here again, everybody will want to assist the Post members in this celebration. There will be room for a lot of money making concessions and applications are already coming in. As is customary at all big celebrations the sponsors are going to give away several hundred dollars in prizes.

Palatine Educator Is Guest Speaker At Lions Dinner

J. E. Clettenberg, superintendent of Palatine Elementary schools, was the guest speaker at the Roselle Lions club dinner at the Lions clubrooms Thursday evening of last week. Mr. Clettenberg gave a very informative talk on the complexes of children.

Dinner was served by the M. E. Ladies' Aid society.

The annual charter night of the club which is also ladies' night, will be held May 13. The Lions plan to go "high-hat" on this occasion and will treat the ladies and themselves to a dinner and entertainment in Chicago.

Swallow-tails and silk toppers are expected to add to the sartorial distinctiveness of the Lions on this evening.

Cops On Rampage Hand Out Tickets

When the Village of Palatine gave notice a couple of weeks ago that it was time for vehicle owners to come in and get their village vehicle tag, they meant what their said.

The local police have been busy this week handing out tickets, calling for an appearance before Judge Harz on Saturday afternoon.

There has been quite a rush of the folks who got the tickets to the clerk's office to get their stickers.

What disposition Judge Harz will make of their cases on Saturday and how big the fine will be for those who ignored the tickets will be known after the court session Saturday afternoon.

Successes of Present Board

Arlington Officials Ask Re-election Upon Their Record.

Arlington Heights today holds an outstanding position among the northwest suburbs. It is a position that was not easily acquired nor easily maintained during the troublesome years that have passed. Today, where many other municipalities are just getting ready to DO THINGS, Arlington Heights has already entered upon a stride that means a great future and great things **now, this year** and **next year** for our municipality.

There are many people in Arlington Heights who feel that the municipal government that has been accorded to the people of Arlington Heights the past 6 years has exerted a great force in the accomplishment of these things.

The men who have controlled our local government the past four or more years are candidates for re-election, and therefore the coming election is of more than usual importance. The presentation of accomplishments of the present board, can be considered an accounting to the people and in that spirit is given to the voters of Arlington Heights.

The candidates of the Regular Party, in the forthcoming election, are men who have already demonstrated their fitness to serve as public officials.

These are the men who have placed Arlington Heights upon a sound financial basis, officials who have inaugurated progressive policies of government that have provided a maximum of benefits to the municipality at a minimum of costs.

Faced with a chaotic financial condition when they assumed office, these men at once adopted economy measures that made possible a balanced budget resulting in a credit rating for the village that is today equalled by few municipalities in Cook county.

The budgeting of expenses was not alone sufficient to take Arlington Heights out of the red. They were faced with a multitude of unpaid obligations. Among them was an indebtedness of $24,305.57 due the Public Service Co. as of January 26, 1932. The amount due the Public Service Co., upon March 31, 1937, was only approximately $1500.

All public benefits now on record have been inherited from previous boards.

These officials solved the water supply problem, erecting a 250,000 gallon water tower and the drilling of a deep well and installation of equipment for operation of same without the issuance of a single general tax or special assessment bond.

They secured a lower insurance rating because of the improved water supply conditions and the construction of a belt line of high pressure water mains.

A maximum of employment has been provided under the WPA operation, providing much work for local unemployed.

Again using WPA labor the present board early and continuously fostered and sponsored numerous improvement projects, which with the cooperation of the property owners in purchase of needed materials, have eliminated many dead ends of water mains and provided sewers for sections of the town, which on account of being sparcely settled were unable to finance such improvements under the special assessment act.

These men had the foresight to take the initiative in securing title to property and laying out a recreation park for Arlington Heights, turning over to the park board a well started park project when the latter board found itself in a position to assume its responsibility.

Government grants and government aid were secured, amounting to a great many thousands of dollars, which insures for future generations much enjoyment and many conveniences that would otherwise have been impossible of realization without public officials who were willing and ready to seize the opportunities that presented themselves.

The delay in the payment of taxes did, until a year ago, cause certain general bonds to be in default. By an advantageous refinancing plan, lower interest rates were secured upon all general bonds of the municipality and there are no defaulted bonds today.

The village has during the past three years given every cooperation to holders of special assessment bonds and owners of property that was over-burdened with excessive special assessment charges with the result that the status of the specials have been greatly improved, clear title on many sections of vacant lots have been possible which has resulted in the instigation of a building program in those districts.

The village board has not allowed the necessity of economy to prevent the proper maintenance of physical equipment of the village and have purchased new equipment and have safeguarded investments in machinery, buildings, etc., by their proper repair or replacement as it was needed.

Gas tax money has been utilized to repair streets in all parts of the village that were constructed years ago thereby eliminating expensive repair bills for the municipality and the property owners: A number of streets were constructed where the traffic warranted the improvement, but where adjoining property would have been unable to finance the work. Among such as these are the improvement adjoining the high school and the new park.

Faced with a shortage of many thousands of dollars in municipal funds on account of the closed banks, various measures were taken and negotiations were started which have resulted in the return to the village treasury of 83% of such funds.

When assuming office these men inherited a municipal building covered with mechanics liens. It has taken nearly four years to secure settlement of those liens upon a basis favorable to the municipality, but today the village owns its own home.

All of this has been accomplished and made possible by the business foresight of the board members and by the exercise of a cooperative spirit among the board members, themselves, coupled with a spirit of friendliness in which the board has met groups of citizens who have from time to time appeared before that body with complaints and suggestions. It has been a business administration of service to the tax payers, to the community and to the generations of the future who will "carry on" the prestige of the best little city

—Published by campaign committee in the inteerst of the Regular ticket.

Vaudeville Show At Palatine

A big professional vaudeville show will be held at Cutting hall in the Palatine high school on Tuesday evening, April 20.

The affair is sponsored by the Palatine P. T. A. and Sid Page is bringing his entire company together with other acts and a good band. Anyone who enjoys a good show can see one next Tuesday night at the Palatine high school.

This is the same show that is given at some of the largest Chicago movie houses. Mr. Page, who resided in Palatine, is helping the local P. T. A. cover a financial deficit.

J. W. Reed, Long Time Resident of Glenview Died Last Week

Funeral services for Mrs. Joseph W. Reed of Waukegan Road, a resident of Glenview for almost 60 years, were held from the Haut Undertaking Parlors, Sunday afternoon, April 11th. Mrs. Reed, born Mathilda Budde in Chicago, had reached the age of over 80 years. She was a charter member of the Glenview Congregational church. Burial was in Ridgewood cemetery.

Mourning her loss are her husband, Mr. Joseph W. Reed, and 3 children: Mrs. Fred Anderson, Mrs. Jessie Freeman of La Porte, Ind.; and Mr. Ira B. Reed of Huntley, and their families. Also one brother and two sisters survive her: Mrs. G. W. Johnson and Mr. F. E. Budde of Mankato, Minnesota, and Mrs. J. N. Westbrook of Glenview. Mrs. Reed had many friends, all of whom express sincere sympathy.

Complaint By People Of Cloverdale Leads To Man's Arrest

Complaint of the residents of Cloverdale Sunday afternoon that a stranger in that locality was acting suspiciously, resulted in the arrest of Anton Moore, alias Walter Abbott, 1634 Sedgwick street, Chicago. Moore, who had escaped from the Cook County Home of Correction outer farm, where he was serving a term for burglarly, was returned to that institution.

The complaint was made to the sheriff's office by telephone. Deputy Sheriffs Lang and Lynest were contacted through the county radio and drove at once to Cloverdale.

Dramatic Contest Saturday at Palatine High School

Six high schools, Maine, Morton Grove, Proviso, Antioch St. Ignatius and Palatine will compete Saturday afternoon at the Palatine high school in a one act dramatic festival.

The event will start at one o'clock and will be open to the public free of charge.

These competing schools represent the Cook county high school speech league.

The winner will represent the district at the state contests on April 24 at Champaign.

Palatine's play will be "A Table Set For Himself" which was given at the Christmas assembly.

The school hopes that the many friends of the school will attend this contest.

Court Rules In Roselle Land Suits

Two decisions were handed down in the circuit court at Wheaton, Tuesday, by Judge Shepard in land disconnection suits brought against the Village of Roselle.

The first petition known as the Siems petition was allowed by Judge Shepard, in view of the fact that the only property which would be isolated from the Village by the disconnection of this tract (161 acres) is the property on which the Roselle sewage plant is located and the roadway entering it. The above tract is located in the southeast portion of the village.

Judge Shepard, however, would not allow a second petition for disconnection of 198 acres, located in the southwest part of the village, filed by Fred Hitzeman and others. This property, it is held, would isolate a subdivision and several residential properties.

The village attorney, H. H. Hitzeman, says that the Village is prepared to appeal from the decision in the first case, believing that the Siems property has not been properly disconnected.

Schools Hold Quiet Election

A quiet school election took place in Arlington Heights last Saturday when the voters of the high school and district 25 elected presidents and members of the boards of education. Sandwiched in between the big township and Village elections, the school elections created little interest and the candidates had smooth sailing.

In the high school election president Theodore Militzer was reelected for another year and Ralph E. Gould, Albert C. Haake, were elected members of the board for a three year term.

In the district 25 election, Nathaniel A. Carlson was elected president for a one year term and Eugene H. Heller and Charles M. Forsman were elected to the board for three year terms. James E. Groves was elected a member of the board to fill vacancy for one year.

La Londe Delivers "The Goods"

And in this case the "goods" was a check for some $4,200 in general taxes which the county treasurer's office had been withholding because of the special assessment overpayment by the county to the village some years ago. For several years the County "sat" on all taxes paid at the County building that belonged to Palatine. Then by means of legal action and the action of former treasurer, Joseph L. Gill, Palatine finally got those general taxes released.

Then Horace G. Lindheimer was elected treasurer and once more the bars went up against payment of general taxes to the Village of Palatine.

Just when the Village officials were wondering if they had to go all through the same performance over again in explaining the case to the new treasurer and in starting another flock of law suits, Roy La Londe stepped into the breach, had a few conferences with the county treasurer, and then the other day took Village clerk Steinbrinck in to the county treasurer's office and when the Village clerk came home, he had $4,200 in Palatine general taxes with him that had been held up by the county treasurer's office.

We don't know just what sort of persuasive language Roy used, but we have a pretty good idea. Anyhow, it's results that count and the Village Board should feel mighty grateful to Roy, for his successful persuasive methods have saved the Village from some more long drawn out legal entanglements with the attendant costs, attorney's fees, etc.

WLS Tryouts Start Tonight

Everyone is polishing up the guitars, banjos, fiddles and their square dancing to be able to take part in the big home talent Prairie Farmer WLS show which the Women's Relief Corps are giving next week at the Palatine high school auditorium on April 22, 23, 24.

Tryouts begin tonight under direction of Miss Olive Kackley, head director of Prairie Farmer WLS Community service department and all talent of all kinds are invited and receive free of charge professional training the remainder of the week for radio and personality development. This promises to be the biggest home talent show which will be given professionally.

Everyone is invited to come to the tryouts and get in on the big show and have the best time you ever had. Nothing brings community spirit and neighbors on friendly terms like getting together on these big affairs.

Everyone with talent come to Palatine high school each night at 7 p. m., excepting Sunday.

The Arlington Heights fire department was called to the former Geffert home on West Campbell street Monday noon, where they quickly estinguished a blaze that had started in the attic.

Mr. and Mrs. Noble Henderson and little Jerry of Sycamore, also Mr. and Mrs. Wm. Tatge and Jimmy of Des Plaines, were Sunday callers at the C. Mitchell home. On Saturday, G. R. Gordon and Mr. Warnock of Rogers Park, called there, too.

A bakery sale will be given by the March and April group of the Lutheran Dorcas Ladies' Aid at Framberg's store, Friday, April 23 at 2:30 p. m.

Mrs. Wensley of North Belmont entertained about twenty guests at luncheon and bridge Wednesday.

The Levi B. Waymans are on their way home from Alamo, Texas, their winter abode.

NOTICE

The Arlington Heights Street Department will start to pick up rubbish on the south side May 3 and on the north side May 10..

All cans must be in containers. Burlap bags will not be returned.

JUNIOR LEAGUE NEWS

The members of the Arlington Heights Junior League held their third annual reciprocity at the Methodist church on Monday evening, April 12.

Miss Bernice Perrin, as program chairman presented an excellent program including vocal selections by Ruth Wenzel, piano novelties by La Verne Levine and a group of readings by Mrs. Gertz.

The League was very much honored to have as their guest, Mrs. Geo. Harriman, president of the Seventh District Federation of Women's club. Also Mrs. G. Kulo, Seventh District Junior sponsor, Mrs. E. G. Heckel, past junior sponsor, Mrs. B. Noyes, president of the Arlington Heights Womans club, Mrs. Thurman Dodge, local junior sponsor and numerous members of other junior clubs in the district.

Following the meeting, delightful refreshments were served by the social committee with Miss Gertrude Moehling, pouring.

The next highlight on the Junior League Social calendar, will be a benefit bridge and a fashions of the Hour Revue (the latter being given through the courtesy of the Emerald Shop), at the Presbyterian church on Monday evening, April 26, at 8 p. m. All fashion modeling will be done by members of the Junior League.

DISTRICT DIRECTOR GUEST AT ARLINGTON

Mrs. Helene Omlie, ninth district director, will be a guest at the next regular meeting of the Arlington Heights Auxiliary, American Legion.

Members of the Arlington Auxiliary are laying plans for their annual fashion show.

Mrs. Doris Palmer was named the first vice president of the Arlington Heights American Legion Auxiliary, to fill the vacancy created by the resignation of Mrs. C. J. Miller, at a regular meeting of that organization Tuesday evening. Mrs. Mae Wisersky was elected second vice president to fill the post created by the elevation of Mrs. Palmer.

A joint meeting of the American Legion and Auxiliary will be held Tuesday evening, April 27, at the Legion home.

CAMPFIRE GOSSIP

The Campfire girls selected the name Aowakiya, which means to band together for a purpose.

We have been working on our book covers for our Campfire books. When we get them finished they will go in a window down town.

We held our meeting at Miss Helm's home on North Dunton.

Scribe, Joyce Brown.

BOX SOCIAL

The Presbyterian church Sunday school will give a box social in their dining room on Friday evening, April 23. Ladies and girls are asked to bring boxes with sufficient supper for two or three. Gentlemen and boys are expected to purchase these and dine with the hostess. Prizes will be given for decorations.

A happy evening can be spent. Don't miss this. Children, parents and friends are invited. Doors open at 5:45 p. m. Supper at 6:35 p. m. Be sure to come early, so as not to miss the fun. (4-23

A. H. B. CLUB ATTENTION

All of you who are former, present or future members, and your families, are invited to attend our get-together meeting and frolic at our hall above Sadecky's grocery store on Thursday, April 15, 1937. A short meeting, refreshments, dancing and fun for the kiddies. Be there early. Meeting at 8 p. m. sharp. Be sure to bring the Mrs., Miss and Juniors. We will give away a fine tricycle free. Candies for all the children.

Our business men friends are also cordially invited. Come one, come all and bring your dancing shoes.

South Side Breezes

Mr. and Mrs. Walter Wollmer, So. Mitchell, are the proud grandparents of a baby boy born Monday, April 12, to Mr. and Mrs. Kenny of Peoria. The baby is named James Walter.

Members of the Woman's club French class, had the illusion of being in Paris when they met Thursday at the home of Mrs. M. W. Grigsby. French dainties were served at the luncheon and a gift of appreciation from the members to their tutor, Mrs. Tom Wilson, was presented.

Mr. and Mrs. Rocque of Racine, Wis., visited Sunday at the Koplin home.

Mr. and Mrs. Brynaldson, 608 S. Belmont, Scarsdale, are to make their home in Texas. Mr. Brynaldson has already gone and Mrs. Brynaldson will be joining him in a few weeks. Their many friends will miss them, especially music lovers who have enjoyed the lovely voice of Mrs. Brynaldson.

Mr. and Mrs. W. T. Roose and daughter, Betty, have moved into the Brynaldson home. They were former residents of Mount Prospect.

Saturday evening, April 10, a group of relatives and friends were entertained at the home of Mr. and Mrs. Louis Henken, Scarsdale, in celebration of their twentieth wedding anniversary. For the pleasure of all, Dorothy and August Penkava gave several dancing numbers. Mrs. Brynaldson sang and there was dancing and games with all participating. A delightful evening long to be remembered.

The eighth grade operetta was the entertainment for Barbara Barrett's birthday party after a supper at her home Friday evening. Barbara was eleven.

Mrs. Orland Stephenson is visiting her grandparents in Michigan this week.

Mrs. Rudolph Dieball, So. Highland entertained her Auction club, Tuesday afternoon.

Members of the Des Plaines-Arlington Heights club will be going to Des Plaines Friday to the home of Mrs. Held.

Whitetail Deer Poor Traveler

The whitetail deer is a poor traveler on deep snow. Moose have long and heavy legs which permit them to drive through the heavy snow, but not so the whitetails. They soon bog down and tire out. Caribou can spread their hoofs to some extent to act as snowshoes, but the sharp-pointed hoofs and slender legs of the deer have no such ability. Once the snow grows deep, the white tails make little attempt to travel. They isolate themselves in chosen yards, and there they keep well beaten runways open by the simple expedient of traveling them throughout the winter.

Archaeology

Archaeology, the study of beginnings, goes back to the Fifteenth century, when Greek scholars, dispersed by the fall of Constantinople, introduced to Italy a knowledge of ancient Greece and inspired the excavation of Greek sculpture. The science of archaeology has developed steadily, uncovering in the Eighteenth century Herculaneum and Pompeii, in the Nineteenth century relics of ancient Assyria and Babylonia. Only the little-known interiors of Borneo and New Guinea are rated blank spots in the archaeological map of architectural antiquity.

The Trocadero

The Trocadero was a palace on the chaillot slope of the right bank in Paris. It was an ugly building, a poor version of the Hispano-Moresque order — an ironic fact, since it was named to commemorate a French victory in Spain. It was built for the Paris exposition of 1879. It was torn down to make way for a new Trocadero.

Large Carbon Dioxide Supply

In several places in the world, notably a ravine in Yellowstone park, a grotto near Naples and Poison Valley in Java, carbon dioxide constantly escapes from the earth and, forming a three to four-foot layer on the ground, usually asphyxiates any animal that wanders into it.—Collier's Weekly.

A delightful evening long to be remembered.

The eighth grade operetta was the entertainment for Barbara Barrett's birthday party after a supper at her home Friday evening. Barbara was eleven.

Mrs. Orland Stephenson is visiting her grandparents in Michigan this week.

Mrs. Rudolph Dieball, So. Highland entertained her Auction club, Tuesday afternoon.

Members of the Des Plaines-Arlington Heights club will be going to Des Plaines Friday to the home of Mrs. Held.

Whitetail Deer Poor Traveler

The whitetail deer is a poor traveler on deep snow. Moose have long and heavy legs which permit them to drive through the heavy snow, but not so the whitetails. They soon bog down and tire out. Caribou can spread their hoofs to some extent to act as snowshoes, but the sharp-pointed hoofs and slender legs of the deer have no such ability. Once the snow grows deep, the white tails make little attempt to travel. They isolate themselves in chosen yards, and there they keep well beaten runways open by the simple expedient of traveling them throughout the winter.

Archaeology

Archaeology, the study of beginnings, goes back to the Fifteenth century, when Greek scholars, dispersed by the fall of Constantinople, introduced to Italy a knowledge of ancient Greece and inspired the excavation of Greek sculpture. The science of archaeology has developed steadily, uncovering in the Eighteenth century Herculaneum and Pompeii, in the Nineteenth century relics of ancient Assyria and Babylonia. Only the little-known interiors of Borneo and New Guinea are rated blank spots in the archaeological map of architectural antiquity.

The Trocadero

The Trocadero was a palace on the chaillot slope of the right bank in Paris. It was an ugly building, a poor version of the Hispano-Moresque order — an ironic fact, since it was named to commemorate a French victory in Spain. It was built for the Paris exposition of 1879. It was torn down to make way for a new Trocadero.

Large Carbon Dioxide Supply

In several places in the world, notably a ravine in Yellowstone park, a grotto near Naples and Poison Valley in Java, carbon dioxide constantly escapes from the earth and, forming a three to four-foot layer on the ground, usually asphyxiates any animal that wanders into it.—Collier's Weekly.

CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 11.

The Golden Text was, "The Lord hath redeemed Jacob, and ransomed him from the hand of him that was stronger than he" (Jeremiah 31. 11).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And God saw everything that he had made, and, behold, it was very good. Thus the heavens and the earth were finished, and all the host of them" (Genesis 1:31; 2:1).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Sin, sickness, and death are comprised in human material belief, and belong not to the divine Mind. They are without a real origin or existence . . . God being everywhere and all-inclusive, how can He be absent or suggest the absence of omnipresence and omnipotence? How can there be more than all?" (pp. 286 287).

POLITICAL ANNOUNCEMENT

Wm. F. Neumann For Police Magistrate

In selecting a man for this important office, it is well to consider his qualifications.

1. Has he been a success in his particular line of endeavor?
2. How does he conduct himself in ordinary life?
3. What are his habits?
4. Is he reliable?
5. And above all is he capable of administering the kind of justice you would want meted out to you? Ponder carefully over the above questions before you make your selection.

I feel that my personal contact, and the exchange of opinion, with those whom I serve daily, has given me an insight on human nature so necessary in the proper administration of this important office.

I am well known in this community—having lived here all my life—my habits and mode of living are no secret—Thru careful management my business has weathered the years of depression. I have never held a public office or any other. I earnestly solicit your vote and your good will.

Vote the "Regular Party" straight.

Thank you,
WM. F. NEUMANN

A Final Appeal To Vote For Henry Nichols

You may vote for Henry C. Nichols for Police Magistrate and for all the other candidates in either Major party by putting a cross in the column you desire to vote straight and then crossing over and putting a cross before Henry C. Nichols. If you desire to split your vote for trustees, do not put a cross at the top of either column, but put a cross only before the candidates you desire to vote for and then cross over and vote for Henry C. Nichols, the independent candidate for Police Magistrate. A lawyer for a lawyer's job, trained and experienced.

Progressive Party Asks Support of Wheeling Voters

If you want to see the Village of Wheeling boom, vote the Progressive Party ticket straight. We have men on our ticket who are entirely independent of any political party, group or person, who are highly qualified for the office they seek.

Arthur Ortegel, a well known business man, having been a member of the Wheeling Fire Department for the past 13 years, served as clerk of the school board, for the last three years and is a taxpayer.

Russel Berndt, who has been in the Live Bait business for the past three years, is also a property owner and taxpayer.

Theodore Peiper was born and raised in the village and operates a first class garage in the village, is also a taxpayer.

Frank Graf, a well educated man formerly a resident of Chicago, where he was associated with the Park District. He has been a resident of Wheeling for the past two years.

Fred Schmidt, born and raised in Wheeling is well known to all voters and is also a taxpayer.

Harry Jaegerman, also in the Live Bait business, is also a well known citizen of Wheeling.

A. A. Fassbender is well known and tohught of throughout the village and having a college education, is well qualified for office of Police Magistrate.

By all means vote the Progressive Party ticket straight for we pledge ourselves to work for the taxpayers interest.

—Published in the interest of the Progressive Party.

Headquarters For Home Town Party

Headquarters for the Home Town party on election day will be at 21 N. Vail street in the Vail Davis building. Here the political strategy of the campaign will be conducted for that party and friends of the candidates can compare notes as to the progress of the battle. Here also election results will be received.

What Has Happened To The Advantage Of Our Village

The biggest drawback for years was the shortage of water for our city. The most important thing for our city is plenty of water. The north side well producing 400 gal. per minute of excellent water, being nearly as soft as rain water with no odor from a deep well. Then our well in the Village hall with the centrifugal pump, the most economical one to operate at 180 gal. per minute. This pump is used from 10 to 15 hours of every 24 hours, and now the east side pump over the tower with a good centrifugal pump will furnish over 200 gals. per minute and all the water has been tested by the state with excellent report and good and plenty of water is nine points to a municipality and having a tank that holds 250,000 gal. is a great advantage. And for fire protection we have a large electric booster pump in the city hall that can be used in case of fire that can pump 750 gals. per minute from the storage tank under the city hall. The storage tank holds 90,000 gals. This reduces the insurance for all property holders from 7 to 6 class, making quite a saving to our community in dollars and cents.

Sewerage—Many places where there was no sewerage connections have been made, where the property owner bought the tile and later was laid with the help of the WPA people at no expense to our town.

And all our dead end water connections are nearly finished, making the water circulate so as to lessen the contaminated water near the dead end.

Another advantage is our large storage tank of 250,000 gals. and our deep well and larger pipe connection where it was necessary to distribute the water without too much friction at a cost of about $36,000. When a few years ago it was estimated to cost between $200,000 and $250,000. This was a great saving to our town.

And taking the tank down on the north side, was just in nick of time as the party that is taking it down says it was a dangerous property, many steel plates were as thin as paper and could have collapsed at any time.

Another advantage was when the city widened the street from the Northwest highway to the railroad on Vail, Dunton and Evergreen street, where the expense of material was mostly furnished by the C. & N. W. Ry. Co., and put in by the WPA help with no expense to our city.

We planted about 2,000 trees along the highway of the Moline Elm, with the help of the WPA and no expense for the trees, and the park and swimming pool, which was started by our Village fathers, will be quite an advertisement to our community when finished, which is still in progress.

And our financial condition with all the depression, has been very good in comparison with all the rest of the towns around our community, and this board ought to be proud of what it has accomplished in the last few years to the advantage of our city.

Postal Examination At Palatine Soon

An examination will be held in the near future for a substitute postal clerk for the Palatine post office.

Notice of applications to take the examination will be found elsewhere in this issue.

Applicants must be between the ages of 18 and 45, must be able to pass a rigid physical examination and must be citizens of the United States. Applications for the examination close May 3. The date of the examination will be announced later.

Professional Vaudeville Revue at Cutting Hall

The Parent-Teachers association is sponsoring a huge professional vaudeville show at the Cutting hall Palatine, on Tuesday, April 20, at 8 p. m., to raise funds to carry on the work they have been doing among our children.

The P. T. A. is a worthy organization which has sponsored visual education in the schools of Palatine, donated library books, arranged parties for the children and many other things. They are in need of funds and this fine show is arranged to raise the money. Sid Page is bringing his whole show and other acts with a good seven piece band and a real time is guaranteed to all.

Come on Palatine, get behind this worthy affair, and let's pack that Cutting hall.

Ripe Banana Mostly Water

The ripe banana is three-quarters water and one-fifth sugar. The remaining fraction consists of starch, protein, fat, fibre, pectins, minerals, and vitamins. In comparison, one average-sized banana is equal to 20 grapes, 4 dates, 2 figs, 3 stewed prunes, 2 small apples or a cup of orange juice.

Woman's Club To Hold Annual Spring Convention

The annual spring luncheon of the Woman's club of Palatine, will be held at the Lake Zurich Evangelical church, Lake Zurich, Illinois, on Tuesday, April 20, 1:30 p. m.

Motor car transportation will be provided for members and guests at the Palatine C. & N. W. depot at one o'clock.

Luncheon reservations can be made with Mrs. H. A. Pahlman, and those desirous of participating in this function are requested to make reservations as soon as possible.

This last event of the season will precede the election of officers for the club year of 1937-38.

LVI. ONCE UPON A TIME

Long before the days of the Civil War, Illinois was nationally famed for its deposits of lead, zinc, iron and silver ores, and for its salt brine wells. The lead, zinc and silver mines flourished for a number of years before the larger and richer deposits were worked out. The iron ores were likewise worked extensively for a quarter of a century, until phenomenally rich deposits in Minnesota, Wisconsin and Michigan were found. The salt springs near the town of Equality, in Gallatin County, were until 1808, the nation's most important source of salt west of the Appalachians, and they were operated only under the careful direction and protection of the army. Probably in no other state has the character of its mineral industries been so completely changed as in the case of Illinois, whose modern mineral industries have again given it a leading rank and incalculable financial blessings.

Wilson Elected In Hot Fight

In the largest school election held in Palatine in some time, Paul Wilson defeated William Lohse for member of the District 15 board of education last Saturday evening.

Ed. Hahnfeldt, the other member elected had easy sailing, the contest developing between Wilson and Lohse. Over 400 votes were cast and it looked like a real election with cars hauling in the voters and being parked for a block as the people voted.

In the high school election Chas. Malody and William Fremd were elected members of the board of education without opposition.

Brought Own Table Tools

Gentlemen in Anglo-Saxon days brought their own knives with them to table.

The "Earth Pig"

The aardvark or "earth pig" is rarely seen, because it is shy and nocturnal, but its large burrows are a common feature of the African landscape. Often they threaten the safety of the traveler on horseback who must thread his way among them at the risk of bad falls for himself and his mount. As an excavator the aardvark is unexcelled among animals approaching it in size. It proceeds underground at an astonishing speed and is consequently very difficult to hunt.

Negritoes First in Philippines

The original inhabitants of the Philippine Islands were Negritoes (Aetas), who belonged to the eastern section of the Ethiopic division of the human race. There are not more than 30,000 of these people scattered throughout the largest provinces.

The "Illinois Band"

The "Illinois band" was an association of seven young men, students at Yale in 1828, who entered into an agreement to devote their lives to the promotion of Christian education in the west, especially in Illinois. Their first fruit was the founding of Illinois college at Jacksonville in 1829.

3. What are his habits?
4. Is he reliable?
5. And above all is he capable of administering the kind of justice you would want meted out to you? Ponder carefully over the above questions before you make your selection.

I feel that my personal contact, and the exchange of opinion, with those whom I serve daily, has given me an insight on human nature so necessary in the proper administration of this important office.

I am well known in this community—having lived here all my life—my habits and mode of living are no secret—Thru careful management my business has weathered the years of depression. I have never held a public office or any other. I earnestly solicit your vote and your good will.

Vote the "Regular Party" straight.

Thank you,
WM. F. NEUMANN

A Final Appeal To Vote For Henry Nichols

You may vote for Henry C. Nichols for Police Magistrate and for all the other candidates in either Major party by putting a cross in the column you desire to vote straight and then crossing over and putting a cross before Henry C. Nichols. If you desire to split your vote for trustees, do not put a cross at the top of either column, but put a cross only before the candidates you desire to vote for and then cross over and vote for Henry C. Nichols, the independent candidate for Police Magistrate. A lawyer for a lawyer's job, trained and experienced.

Progressive Party Asks Support of Wheeling Voters

If you want to see the Village of Wheeling boom, vote the Progressive Party ticket straight. We have men on our ticket who are entirely independent of any political party, group or person, who are highly qualified for the office they seek.

Arthur Ortegel, a well known business man, having been a member of the Wheeling Fire Department for the past 13 years, served as clerk of the school board, for the last three years and is a taxpayer.

Russel Berndt, who has been in the Live Bait business for the past three years, is also a property owner and taxpayer.

Theodore Peiper was born and raised in the village and operates a first class garage in the village, is also a taxpayer.

Frank Graf, a well educated man formerly a resident of Chicago, where he was associated with the Park District. He has been a resident of Wheeling for the past two years.

Fred Schmidt, born and raised in Wheeling is well known to all voters and is also a taxpayer.

Harry Jaegerman, also in the Live Bait business, is also a well known citizen of Wheeling.

A. A. Fassbender is well known and tohught of throughout the village and having a college education, is well qualified for office of Police Magistrate.

By all means vote the Progressive Party ticket straight for we pledge ourselves to work for the taxpayers interest.

Headquarters For Home Town Party

Headquarters for the Home Town party on election day will be at 21 N. Vail street in the Vail Davis building. Here the political strategy of the campaign will be conducted for that party and friends of the candidates can compare notes as to the progress of the battle. Here also election results will be received.

What Has Happened To The Advantage Of Our Village

The biggest drawback for years was the shortage of water for our city. The most important thing for our city is plenty of water. The north side well producing 400 gal. per minute of excellent water, being nearly as soft as rain water with no odor from a deep well. Then our well in the Village hall with the centrifugal pump, the most economical one to operate at 180 gal. per minute. This pump is used from 10 to 15 hours of every 24 hours, and now the east side pump over the tower with a good centrifugal pump will furnish over 200 gals. per minute and all the water has been tested by the state with excellent report and good and plenty of water is nine points to a municipality and having a tank that holds 250,000 gal. is a great advantage. And for fire protection we have a large electric booster pump in the city hall that can be used in case of fire that can pump 750 gals. per minute from the storage tank under the city hall. The storage tank holds 90,000 gals. This reduces the insurance for all property holders from 7 to 6 class, making quite a saving to our community in dollars and cents.

Sewerage—Many places where there was no sewerage connections have been made, where the property owner bought the tile and later was laid with the help of the WPA people at no expense to our town.

And all our dead end water connections are nearly finished, making the water circulate so as to lessen the contaminated water near the dead end.

Another advantage is our large storage tank of 250,000 gals. and our deep well and larger pipe connection where it was necessary to distribute the water without too much friction at a cost of about $36,000. When a few years ago it was estimated to cost between $200,000 and $250,000. This was a great saving to our town.

And taking the tank down on the north side, was just in nick of time as the party that is taking it down says it was a dangerous property, many steel plates were as thin as paper and could have collapsed at any time.

Another advantage was when the city widened the street from the Northwest highway to the railroad on Vail, Dunton and Evergreen street, where the expense of material was mostly furnished by the C. & N. W. Ry. Co., and put in by the WPA help with no expense to our city.

We planted about 2,000 trees along the highway of the Moline Elm, with the help of the WPA and no expense for the trees, and the park and swimming pool, which was started by our Village fathers, will be quite an advertisement to our community when finished, which is still in progress.

And our financial condition with all the depression, has been very good in comparison with all the rest of the towns around our community, and this board ought to be proud of what it has accomplished in the last few years to the advantage of our city.

CHRISTIAN SCIENCE CHURCHES

"Are Sin, Disease, and Death Real" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, April 11.

The Golden Text was, "The Lord hath redeemed Jacob, and ransomed him from the hand of him that was stronger than he" (Jeremiah 31, 11).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And God saw everything that he had made, and, behold, it was very good. Thus the heavens and the earth were finished, and all the host of them" (Genesis 1:31; 2:1).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Sin, sickness, and death are comprised in human material belief, and belong not to the divine Mind. They are without a real origin or existence . . . God being everywhere and all-inclusive, how can He be absent or suggest the absence of omnipresence and omnipotence? How can there be more than all?" (pp. 286 287).

Postal Examination At Palatine Soon

An examination will be held in the near future for a substitute postal clerk for the Palatine post office.

Notice of applications to take the examination will be found elsewhere in this issue.

Applicants must be between the ages of 18 and 45, must be able to pass a rigid physical examination and must be citizens of the United States. Applications for the examination close May 3. The date of the examination will be announced later.

Professional Vaudeville Revue at Cutting Hall

The Parent-Teachers association is sponsoring a huge professional vaudeville show at the Cutting hall Palatine, on Tuesday, April 20, at 8 p. m., to raise funds to carry on the work they have been doing among our children.

The P. T. A. is a worthy organization which has sponsored visual education in the schools of Palatine, donated library books, arranged parties for the children and many other things. They are in need of funds and this fine show is arranged to raise the money. Sid Page is bringing his whole show and other acts with a good seven piece band and a real time is guaranteed to all.

Come on Palatine, get behind this worthy affair, and let's pack that Cutting hall.

Ripe Banana Mostly Water

The ripe banana is three-quarters water and one-fifth sugar. The remaining fraction consists of starch, protein, fat, fibre, pectins, minerals, and vitamins. In comparison, one average-sized banana is equal to 20 grapes, 4 dates, 2 figs, 3 stewed prunes, 2 small apples or a cup of orange juice.

Woman's Club To Hold Annual Spring Convention

The annual spring luncheon of the Woman's club of Palatine, will be held at the Lake Zurich Evangelical church, Lake Zurich, Illinois, on Tuesday, April 20, 1:30 p. m.

Motor car transportation will be provided for members and guests at the Palatine C. & N. W. depot at one o'clock.

Luncheon reservations can be made with Mrs. H. A. Pahlman, and those desirous of participating in this function are requested to make reservations as soon as possible.

This last event of the season will precede the election of officers for the club year of 1937-38.

LVI. ONCE UPON A TIME

Long before the days of the Civil War, Illinois was nationally famed for its deposits of lead, zinc, iron and silver ores, and for its salt brine wells. The lead, zinc and silver mines flourished for a number of years before the larger and richer deposits were worked out. The iron ores were likewise worked extensively for a quarter of a century, until phenomenally rich deposits in Minnesota, Wisconsin and Michigan were found. The salt springs near the town of Equality, in Gallatin County, were until 1808, the nation's most important source of salt west of the Appalachians, and they were operated only under the careful direction and protection of the army. Probably in no other state has the character of its mineral industries been so completely changed as in the case of Illinois, whose modern mineral industries have again given it a leading rank and incalculable financial blessings.

Wilson Elected In Hot Fight

In the largest school election held in Palatine in some time, Paul Wilson defeated William Lohse for member of the District 15 board of education last Saturday evening.

Ed. Hahnfeldt, the other member elected had easy sailing, the contest developing between Wilson and Lohse. Over 400 votes were cast and it looked like a real election with cars hauling in the voters and being parked for a block as the people voted.

In the high school election Chas. Malody and William Fremd were elected members of the board of education without opposition.

The "Earth Pig"

The aardvark or "earth pig" is rarely seen, because it is shy and nocturnal, but its large burrows are a common feature of the African landscape. Often they threaten the safety of the traveler on horseback who must thread his way among them at the risk of bad falls for himself and his mount. As an excavator the aardvark is unexcelled among animals approaching it in size. It proceeds underground at an astonishing speed and is consequently very difficult to hunt.

Negritoes First in Philippines

The original inhabitants of the Philippine Islands were Negritoes (Aetas), who belonged to the eastern section of the Ethiopic division of the human race. There are not more than 30,000 of these people scattered throughout the largest provinces.

MOVIES

AT THE CATLOW

The films write a page of current history in "Black Legion," which comes to the Catlow Theatre Friday and Saturday. As a picture of an actual phase of America's complicated social struggle, it is said to be unusually interesting and possessed of greater dramatic force than any previous movie "from the headlines." Dick Foran, Erin O'Brien-Moore, Helen Flint, Ann Sheridan and Joseph Sawyer are among the principals.

One of those intensely human and altogether believable movie stories, will come to the Catlow Theatre Sunday and Monday, when "The Great O'Malley," with Pat O'Brien and Humphrey Bogart in the stellar roles, will begin its first local showing. It is a tale of conflict between Pat O'Brien, a hard-boiled cop, and Bogart, the toughest bad man of the screen.

"Borderland," latest of the "Hopalong Cassidy" adventures featuring William Boyd and James Ellison, comes to the Catlow Theatre on Tuesday. In "Borderland" Cassidy matches wits with an outlaw who has successfully eluded both the Texas Rangers and the Mexican secret police to the detriment of life and property along the Rio Grande.

Double featured with "Borderland," is "A Doctor's Diary," starring George Bancroft, Helen Burgess and John Trent.

Errol Flynn is actor, author, movie, playwright and also athlete. He had fastest rise to stardom of any film actor—was sensational success as "Captain Blood." His current picture is "Green Light," a Cosmopolitan production coming to the Catlow Theatre Wednesday, for a three day engagement as a First National release.

Four Big Hits In Two Programs at Des Plaines

The current double feature attraction at the Des Plaines Theatre running through Saturday, is headed by the Technicolor production starring George Brent and Beverly Roberts, titled "God's Country And the Woman." A fitting successor to the "Trail of the Lonesome Pine," "God's Country" brings you the majestic sweep of the great Northwest photographed in natural color as a beautiful background for an action-filled story that will leave you breathless with excitement and wonder. The second picture, "Bulldog Drummond Escapes" brings the further adventures of that smooth English sleuth with whom movie fans are so familiar. "Bulldog" is portrayed in this picture by the ever-popular Ray Milland.

Sunday brings the Paramount Silver Jubilee Hit "Champagne Waltz" starring Fred MacMurray, Gladys Swarthout, and Jack Oakie. "Black Legion," a daring expose of the hooded legion that occupied so much newspaper space recently, is the second picture on this giant double feature program.

EAST MAINE

Mrs. Minnie Martens of Chicago was the lucky winner of the beautiful quilt given away at the bunco party given by St. Matthew's Ladies' Aid last Friday. The quilt was donated by Fred and Alvina Beto. A fine large crowd attended the party.

Work on the proposed recreation project at Golf and Milwaukee avenue is progressing at a rapid rate. One building has already been erected and the miniature railroad and other amusements planned, will be completed for the summer season.

An interesting school election with quite a large turnout is reported from the East Maine district No. 63, held April 10. William Wilke was the board member whose term expired, but the overwhelming majority with which he was re-elected to office clearly showed the respect with which he is held and the appreciation of the voters for the sincerity and efficiency with which he has performed his duties of members of the board. The balloting showed the final count of William Wilke, 98 votes; Harold Lynn, 7 and Mrs. Wilke, 1. Mr. Wilke's co-workers on the board are Henry Eichholz and Homer Long.

Saturday night is the baseball dance sponsored by the East Maine baseball club at Mueller's hall. Admission 35 cents, music by Mel Borchardt and a hearty welcome to one and all.

The W. P. U. V. have engaged the services of a new and different orchestra for their dance April 24, that is new from the standpoint that they have not previously played for any of the dances sponsored by this club. John Krachtus and his orchestra will play. This dance will also be held at Mueller's hall in Morton Grove, price of admission will be 35 cents and refreshments will be available.

A feature of the meeting of the East Maine P. T. A. held at the school house April 5, was the annual election of officers. Mrs. O. Foerster was elected president; Mrs. Arnold Pio, vice president; Mr. Fred Kieworth, treasurer and Mrs. F. Pocius, secretary. The newly elected officers will not take office until the P. T. A. resumes its meetings in the fall after the summer vacation.

Miss Ethel Jaacks was hostess to a crowd of thirty ladies at her home Monday evening, who gathered to surprise Miss Loretta Grewe and shower her with gifts and good wishes in honor of her coming marriage to Raymond Steil on April 24. The shower was miscellaneous and Loretta received a splendid variety of lovely and practical gifts to help establish her new home. She was caught completely off guard which tact gave the party a perfect start and helped to make it the delightful success it was. The guests enjoyed a lively game of "fifty" after which delicious refreshments were served.

Woman King

Christina, daughter of Charles XIV of Sweden, mounted the throne as king on her eighteenth birthday. Brought up in as masculine a way as possible by her father, who had no sons, she had herself crowned as king, not queen, following his death in Austria after he had conquered Russia, Poland, Germany and Denmark. She gave up the throne rather than marry. She ruled forcefully and until she tired of being importuned by her ministers to take a husband, then abdicated in favor of the fiance they had chosen for her, and rode off alone on a horse to see Europe.

East Maine P. T. A. Show A Big Hit

The members of the East Maine P. T. A. scored another dramatic success with their presentation of a three act play, "You Wouldn't Fool Me" at St. Matthews school hall two evenings last week-end. All parts were taken by members of the P. T. A. and some very excellent talent was displayed. The play was under the very able direction of Mrs. John Raymond of Des Plaines, who also took a part in the production and gave a character reading in her own inimitable style. The play was rich in humor and comedy from start to finish, the action was fast and there was not a dull moment.

Events center around the home of one Hugh Cameron, whose wife, daughter and mother arrive home from a vacation trip rather unexpectedly. A starnge hat in the house raises the question of Mr. Cameron's whereabouts the previous evening and with the aid of his friend, Andy Davey, the chauffeur, Charles and Lucy, the colored maid, Mr. Cameron's efforts to explain to his wife only serve to complicate matters deeper and deeper. Then there are Victor Golden and his daughter, Agatha, who is secretly married to Andy and Bruce O'Mara the actor in love with Nancy, but who only succeeds in getting himself and her involved in the encircling mesh of circumstances. Grandma Cameron is a great help—at mixing things up still more. A delightful and amusing incident is the regular meeting of the ladies' literary society, where business and pleasure were given equal attention, but gossip? oh, my, no! The peace and tranquility of the meeting were disturbed by the arrival of Ian Flint, a handsome book agent who, while not selling any of his books, did manage to arrive just in time for refreshments. However, all difficulties were cleared up before final curtain and Mrs. Cameron was convinced (?) that they "wouldn't fool" her.

The names of the players and the parts each took are as follows: Hugh Cameron was played by Geo. Cowper; Mrs. Cameron by Mrs. O. Foerster; Grandma Cameron by Mrs. A. Pio; Nancy, Mrs. R. Nelson. Andrew Davey was played by Joe Ruesch; Agatna was Mrs. G. Cowper; Victor Golden was Robert Melzer; Lucy, the maid was Mrs. J. Atchley and Cnarles the chauffeur was Richard Nelson. Bruce O'Mara was portrayed by Arnold Pio and Wm. Wilke took the part of Ian Flint, the book agent. Members of the illustrious club were Mrs. R. Barber, Mrs. Joe Ruesch, Mrs. Wm. Wilke, Mrs. F. Procius, Mrs. M. Scheribel, Mrs. Robert Melzer and Mrs. John Raymond. One and all took their parts like veterans, giving true and life like impersonations of the various roles each played.

Music was provided by the mixed band from the Croatian children's school whose services were enjoyed and much appreciated.

WHEELING

Because of increasing number of rabies cases reported in the state the following notices have been posted: "Every instance in which a person is bitten, scratched or otherwise injured by a dog or other animal, or every instance in which a person has handled a known or suspected rabid animal, shall be reported promptly to the local and state health authorities."

I've Solved My Cleaning Problems With Electrolux

If you're thinking of spring housecleaning it is a proven fact that beating a rug will never remove all dirt and grit. It is also a proven fact that ELECTROLUX will.

Why Should It Be

necessary to take rugs and beat them when you have been using a so-called PERFECTLY GOOD VACUUM CLEANER, week in and week out for a year?

Could It Be Habit

MOVIES

AT THE CATLOW

The films write a page of current history in "Black Legion," which comes to the Catlow Theatre Friday and Saturday. As a picture of an actual phase of America's complicated social struggle, it is said to be unusually interesting and possessed of greater dramatic force than any previous movie "from the headlines." Dick Foran, Erin O'Brien-Moore, Helen Flint, Ann Sheridan and Joseph Sawyer are among the principals.

One of those intensely human and altogether believable movie stories, will come to the Catlow Theatre Sunday and Monday, when "The Great O'Malley," with Pat O'Brien and Humphrey Bogart in the stellar roles, will begin its first local showing. It is a tale of conflict between Pat O'Brien, a hard-boiled cop, and Bogart, the toughest bad man of the screen.

"Borderland," latest of the "Hopalong Cassidy" adventures featuring William Boyd and James Ellison, comes to the Catlow Theatre on Tuesday. In "Borderland" Cassidy matches wits with an outlaw who has successfully eluded both the Texas Rangers and the Mexican secret police to the detriment of life and property along the Rio Grande.

Double featured with "Borderland," is "A Doctor's Diary," starring George Bancroft, Helen Burgess and John Trent.

Errol Flynn is actor, author, movie, playwright and also athlete. He had fastest rise to stardom of any film actor—was sensational success as "Captain Blood." His current picture is "Green Light," a Cosmopolitan production coming to the Catlow Theatre Wednesday, for a three day engagement as a First National release.

Four Big Hits In Two Programs at Des Plaines

The current double feature attraction at the Des Plaines Theatre running through Saturday, is headed by the Technicolor production starring George Brent and Beverly Roberts, titled "God's Country And the Woman." A fitting successor to the "Trail of the Lonesome Pine," "God's Country" brings you the majestic sweep of the great Northwest photographed in natural color as a beautiful background for an action-filled story that will leave you breathless with excitement and wonder. The second picture, "Bulldog Drummond Escapes" brings the further adventures of that smooth English sleuth with whom movie fans are so familiar. "Bulldog" is portrayed in this picture by the ever-popular Ray Milland.

Sunday brings the Paramount Silver Jubilee Hit "Champagne Waltz" starring Fred MacMurray, Gladys Swarthout, and Jack Oakie. "Black Legion," a daring expose of the hooded legion that occupied so much newspaper space recently, is the second picture on this giant double feature program.

EAST MAINE

Mrs. Minnie Martens of Chicago was the lucky winner of the beautiful quilt given away at the bunco party given by St. Matthew's Ladies' Aid last Friday. The quilt was donated by Fred and Alvina Beto. A fine large crowd attended the party.

Work on the proposed recreation project at Golf and Milwaukee avenue is progressing at a rapid rate. One building has already been erected and the miniature railroad and other amusements planned, will be completed for the summer season.

An interesting school election with quite a large turnout is reported from the East Maine district No. 63, held April 10. William Wilke was the board member whose term expired, but the overwhelming majority with which he was re-elected to office clearly showed the respect with which he is held and the appreciation of the voters for the sincerity and efficiency with which he has performed his duties of members of the board. The balloting showed the final count of William Wilke, 98 votes; Harold Lynn, 7 and Mrs. Wilke, 1. Mr. Wilke's co-workers on the board are Henry Eichholz and Homer Long.

Saturday night is the baseball dance sponsored by the East Maine baseball club at Mueller's hall. Admission 35 cents, music by Mel Borchardt and a hearty welcome to one and all.

The W. P. U. V. have engaged the services of a new and different orchestra for their dance April 24, that is new from the standpoint that they have not previously played for any of the dances sponsored by this club. John Krachtus and his orchestra will play. This dance will also be held at Mueller's hall in Morton Grove, price of admission will be 35 cents and refreshments will be available.

A feature of the meeting of the East Maine P. T. A. held at the school house April 5, was the annual election of officers. Mrs. O. Foerster was elected president; Mrs. Arnold Pio, vice president; Mr. Fred Kieworth, treasurer and Mrs. F. Pocius, secretary. The newly elected officers will not take office until the P. T. A. resumes its meetings in the fall after the summer vacation.

Miss Ethel Jaacks was hostess to a crowd of thirty ladies at her home Monday evening, who gathered to surprise Miss Loretta Grewe and shower her with gifts and good wishes in honor of her coming marriage to Raymond Steil on April 24. The shower was miscellaneous and Loretta received a splendid variety of lovely and practical gifts to help establish her new home. She was caught completely off guard which fact gave the party a perfect start and helped to make it the delightful success it was. The guests enjoyed a lively game of "fifty" after which delicious refreshments were served.

Woman King

Christina, daughter of Charles XIV of Sweden, mounted the throne as king on her eighteenth birthday. Brought up in as masculine a way as possible by her father, who had no sons, she had herself crowned as king, not queen, following his death in Austria after he had conquered Russia, Poland, Germany and Denmark. She gave up the throne rather than marry. She ruled forcefully and until she tired of being importuned by her ministers to take a husband, then abdicated in favor of the fiance they had chosen for her, and rode off alone on a horse to see Europe.

East Maine P. T. A. Show A Big Hit

The members of the East Maine P. T. A. scored another dramatic success with their presentation of a three act play, "You Wouldn't Fool Me" at St. Matthews school hall two evenings last week-end. All parts were taken by members of the P. T. A. and some very excellent talent was displayed. The play was under the very able direction of Mrs. John Raymond of Des Plaines, who also took a part in the production and gave a character reading in her own inimitable style. The play was rich in humor and comedy from start to finish, the action was fast and there was not a dull moment.

Events center around the home of one Hugh Cameron, whose wife, daughter and mother arrive home from a vacation trip rather unexpectedly. A strange hat in the house raises the question of Mr. Cameron's whereabouts the previous evening and with the aid of his friend, Andy Davey, the chauffeur, Charles and Lucy, the colored maid, Mr. Cameron's efforts to explain to his wife only serve to complicate matters deeper and deeper. QUESTIONS THAT ARE ASKED ABOUT BANKING

"What is the best measure of a Bank's strength?"

The strength of a bank may be judged by the following 3-ply yardstick:—

1. *The known honesty and skill of its management in making sound, useful loans and investments.*
2. *Its reputation and standing in the community, particularly in the confidence it has built among its depositors.*
3. *The adequacy of its capital, surplus and reserves.*

To those who understand figures, bank statements when compared with those of preceding years, are a good standard of measurement. But most individuals judge a bank by its good name among people they know, by the friends as well as by the loans it makes, by its record for economical methods as well as services rendered, by sufficient earnings to build up reserves as well as pay dividends, and by its usefulness to the community.

By these tests this bank is willing to be judged. We believe our record merits the confidence and respect of this community.

PLUM GROVE SCHOOL
Melvern Humphryes, Editor

Victor Baumgart was the only one with perfect attendance this month.

Those on the honor roll for March are: Loretta Kastning, Clifford Bein, Joan Thomas, Betty Jean Groh, Vera Sander, Emerson Sander, Edith Sundquist, Martha Baumgart and Victor Baumgart.

Our school election was held on Saturday. Mr. George Rohde was elected for his third term.

On Monday evening, April 26, a fellowship meeting of parents, friends and members of the church school will be held at Childerley hall, at which time a band concert will be presented by the Arlington Heights high school band. Guest speaker for the evening will be Dr. Robert Sawyer, president of the Presbyterian College of Christian Education who will bring a message vital to the Christian family. Plan to be present at Childerley hall Monday evening, April 26th.

Also may we ask you to reserve Wednesday evening, May 5th to see "Home Town Girl," which will be presented at Childerley Hall for the benefit of the church pew fund. Tickets will be on sale next week.

Enjoy Achievement Convention

The officers of Dist. 13 Achievement club attended the recent convention of achievement officers at the Morrison hotel, Chicago.

The youngsters enjoyed the meeting immensely and were thrilled with a chance to see and hear Jimmy Braddock, heavyweight champion of the world.

They also had a great time in the afternoon at the NBC radio studio in the Merchandise Mart. They had a chance to see many of the famous performers of the air.

The officers of the District 13 Achievement club are Pres., Jeanne Wines; Vice Pres. Alfred Helgesen; Sec. Helen Brommelkamp, and Treas. Lois Helgesen.

As the program this year was enjoyed by all who attended, we, the students, sincerely thank those who made it possible for us to go, and we hope that the officers of next year have as nice a time as we did.

Church Ceremony Unites Helen Prueter And Arthur Schuhknecht

At a pretty spring wedding solemnized at St. Paul's Lutheran church, Higgins and Canfield roads, Saturday, April 10, at 3:30 p. m., Miss Helen Prueter and Mr. Arthur Schuhknecht were united in marriage. The bride is the daughter of Mr. Herman F. Prueter of Norwood Park and the groom, the only son of Mr. and Mrs. Charles Schuhknecht of Ballard road, East Maine. The ceremony was performed by Pastor Zimmer.

The bride looked lovely in a gown of white satin with lace coat. Her veil of tulle fell in long graceful folds and was fashioned with a face veil. Roses and lilies of the valley comprised her shower bouquet.

The bride's sister, Lydia, served as maid of honor. She wore blue lace with pink accessories. The three bridesmaids wore identical gowns of pink lace with blue accessories. They were Lillian Karnatz, Mildred Henk and Edna Schuhknecht. Each girl carried a bouquet of roses.

Raymond Steil served as Arthur's best man and Wilbert Schuhknecht and Werner Prueter performed the duties of usher.

A reception to one hundred fifty guests was held at the home of the bride's father, where the wedding feast was enjoyed and the guests made merry, dancing until dawn. Many beautiful and useful gifts were received by the young couple. They will live on the Schuhknecht home on Ballard road. All good wishes for the future accompany them.

National Life Exposition At Hotel Sherman Next Week

Thousands of Chicagoans who rely each year on the National Out-Door Life Exposition as a source of information on where to spend that summer vacation will again this year visit the transplanted northwoods exhibits for an answer to the annual question of "Where to Go?"

Marking its thirteenth year as a realistic attraction to Chicago's vacation-minded, the National Out-Door Life Exposition will be held in the exhibition hall of the Hotel Sherman from April 19 to April 24, inclusive, announcement was made this week by Milo E. Westbrooke, general manager. From Monday through Saturday it will be open from 11 a. m. to 10:30 p. m.

Resort men and guides from the choicest fishing, hunting and recreation spots of Minnesota, Wisconsin, Michigan and Canada will make their annual trek from their northwood haunts to be at the show so that Chicagoans may obtain from them first-hand information on northern vacationlands.

With them will come an array of animals, game birds and fish to be exhibited in primeaval settings in the exhibition hall of the Hotel Sherman. In the Northwoods menagerie will be such wild life as beavers, mink, deer, cub bears, fox, porcupines, pheasants, quail, mallard ducks and "muskies" frozen in ice.

The resort districts represented at the National Out-Door Show will be the Lake of the Woods and Rainey Lake Region of Canada, the Minnesota Tourist Bureau, Fly Commercial Club, Tower Commercial Club, and St. Louis County Club of Minnesota. From Wisconsin will be Mercer Turtle Flowage, and the Springstead Lakes Region. The Copper Country Vacation League of Michigan will have an exhibit in the Out-Door show.

Mrs. Marie Oltendorf Passes Away

Mrs. Marie Sophie Oltendorf, nee Wente, was born December 29, 1857 in Palatine township, Cook county, Ill. She was baptized at the Highland Grove Evangelical church by the Rev. Lehman, April 5, 1858, and confirmed there by the Rev. R. Krueger, March 24, 1872. She was united in wedlock with William Conrad Oltendorf, March 4, 1880 at Ontarioville, Ill., by the Rev. H. Friedemeier.

The happy couple lived at Bartlett, Ill., 20 years. In the year 1900 they moved to Strongs Prairie, Wisconsin. Mrs. Oltendorf was a resident of Palatine since 1913. Her husband preceded her in death Oct. 10, 1910 at St. Elizabeth hospital, Chicago, and her daughter, Clara, died at the age of two years. Mrs. Oltendorf was a loving and kind Christian mother and grandmother, and will be greatly missed by her loved ones and all who knew her will cherish her memory. She passed away at her late home at Palatine, after a few day's illness, April 10, 1937, at 2:00 p. m. at the age of 79 years, 3 months and 11 days.

There remain to mourn her departure, her children, Henry of Palatine; Edward, of Florida, who was ill in bed and unable to be here, but sent a message; Franklin of Palatine and Elmer of Palatine; and Margaret, Mrs. Harry Sturm of Elgin; nine grandchildren and two great grandchildren; one brother, Fred Wente of Palatine; two sisters, Mrs. Louise O'Brien and Mrs. Ida Schultz, both of Bartlett; a number of other relatives and a host of friends.

The funeral was held April 13, at Palatine with services at the Danielsen Funeral Home and at St. Paul's Evang. church; burial took place at the Bartlett cemetery. Rev. J. C. Voeks officiated.

First Clergyman at Jamestown

There was only one clergyman in the party of settlers who landed in Jamestown in 1607 under Capt. John Smith. This was Rev. Robert Hunt, who celebrated the first holy communion on American soil by the Anglican faith, on the third Sunday after Trinity, 1607.

"Talking Through Nose"

When we say we are "talking through our nose" we are not really doing so; we are talking with the nose or nasal passages closed, observes a writer in Pearson's London Weekly. When we have a cold we say that our speech is nasal, but in fact it is lacking in nasal resonance. The nose is one of the most important resonators of the speech mechanism, and when it is obstructed by adenoids, colds or other causes our speech becomes harsh and colorless. This should not be called "nasal" talking, but rather "mouth" talking—without the normal nasal resonance.

News from Springfield

By Bernice T. Van der Vries
Representative, General Assembly
7th Senatorial District

More often than usual this week came the fervent plea from the Speaker of the House over the loud speaker system: "Will the members please be in their seats?" It was an effort to get the House down to serious work in the shortened session of the week.

Because of all township and some city elections on Tuesday, the General Assembly met only on Wednesday and Thursday mornings. Perhaps much of the visiting among the members of the House was over the outcome of the elections and the strength of the major political parties.

On Wednesday afternoon there were enough committee hearings to make the members fairly dizzy in trying to keep up with the schedules. In the Judiciary committee a series of bills on the subject of parcoles was discussed, with many Chicagoans represented. Proponents of a determinate sentence were led by Frank J. Loesch, and the opponents were represented by Profs. Burgess and Puttkammer of the University of Chicago, and Father Gallagher.

In the Industrial Affairs committee bills which would prohibit industries from engaging detectives to sift out labor difficulties were up for discussion. Only the proponents (the labor side) were heard, and the hearing was continued until a future date.

The City Manager bills had a stormy time in the Municipalities committee, which finally had a quorum present. The opposition to the bills, which were only enabling in character, was presented only by members of the committee. Numerous representatives of civic organizations in the state who had journeyed to Springfield for the third successive week re-emphasized briefly their interest in the city manager form of government. After a complicated round of parliamentary procedure the bills, by a vote of 13 ayes, 12 nays and 1 voting present, were reported out of committee with the recommendation that "they do not pass."

House Bill No. 153 (emergency aid for high schools) was passed by the House on Wednesday. Its proponents hope for speedy action in the Senate.

The Senate passed the insurance code on Thursday. It was in this body that the code was defeated two years ago.

Next Wednesday afternoon the General Assembly will journey to Champaign to be the guest of the University of Illinois until the following afternoon.

A GREAT EVANGELISTIC SUNDAY EVENING AT 8

"Time Marches On" will be the subject of the address delivered by Stanley Lund, youthful preacher, Sunday evening at 8:00 o'clock. The Riverview Gospel Tabernacle, Des Plaines, at the corner of Illinois and Everett streets will be the place where this address will be given. An excellent musical program will be rendered by talented musicians from the Tabernacle, also, vocalists from Chicago will supplement this unusual service. Plan to attend. Remember the date, April 18.

Shriners Observe Army Week

An impressive observance of "Army Week" took place at the Medinah Temple last Friday evening when the Shriners were hosts to a group of prominent Army officers and ex-service men of all nationalities, who had proved their neroism in the World war.

The honor guest of the evening was Major General Johnson Haygood, the most outspoken Army officer of the present generation. General Haygood is now on the retired list, but he has definite and positive ideas as to the place America should play in world affairs and in his address he was strong for an adequate national defense and told just what the United States should do to have such a defense. He paid his respects to the pacifist group which believes in no defense at all and highly complimented the wing of the pacifist group which holds for national defense.

He said that the ultra radical pacifists had made America a "Nursery for foreign lunatics." Major Haygood paid nigh tribute to the men of the American Legion who are doing a great work in preaching the doctrine of preparedness and in combating the radical propaganda of the foreign "isms" which are seeping into the country, with the purpose of attempting to undermine the moral of the American people.

The "Army Week" program put on by the Shriners was spectacular and impressive. The big band of Medinah was massed in the balcony and gave an enjoyable concert. On the huge stage, which was the speaker's platform, various impressive ceremonies took place. The Army officers and the Combat Medal Men's association was conducted to the platform by the band of the third field artillery of Ft. Sheridan.

The band played a few pieces and left the stage. Then came the Canadian Kiltee band with its wierd bag pipe and drum music as the escort for a large group of allied veterans, men of every nation, who had given outstanding service in the World war. The entrance of these men and the numerous flags of the various nations was an impressive sight. Each hero was introduced with a brief description of his exploits in the great war.

In addition to all this there was a fine drill by a company from the Medinah patrol and a concert by the Medinah Oriental band with its strange instruments. This Oriental band is one of a very few of its kind in the country.

The large audience was given a look behind the scenes of war when a machine gun company from Ft. Sheridan gave a drill showing just how a machine gun company performs in action. There were the scouts, the bringing up of the gun parts and assembling them on the spot. The order to fire and the rattle of those machine guns firing 500 rounds per minute with a range of 2½ miles. There was also wall scaling and then the advance and change of position. It was all intensely exciting and made the spectators realize some of the realness of war.

The entire program was a fitting observance of Army Week and brought home to the large audience the importance of the Army and Navy and the absolute need of an adequate national defense at all times.

Robert L. Schoppe of Palatine is a member of the Medinah band and has made many interesting trips with the organization.

Besides Bob, Harry Schoppe, Wm. Hatje of Barrington, Louis Schoppe, Wm. Kehe and T. C. Hart attended the program.

Naming the Red Sea

The drowning of Pharaoh and his host in the Red sea had nothing to do with its name. It takes this from a peculiar reddish color remarked at certain seasons of the year in parts of this sea, due to marine plants, or to reddish animalculae, called by sailors "whale feed," which float on it like scum; or to the reefs of red coral which abound in many parts of it; or, possibly, to the fact that its upper coast was one of the boundaries of Edom, "the red." No biblical scholar of any repute, says the Cleveland Plain Dealer, has ever asserted that the sea took its name from the overthrow of Pharaoh.

Fort Monroe

Fort Monroe, the largest enclosed military reservation in the world, came in for additional prominence immediately following the Civil war, when Jefferson Davis, President of the Confederacy, was imprisoned there for a long period. The strategic location was recognized over 325 years ago, when the first flimsy fortifications were thrown up at Old Point as a defense against Spanish attack from the sea. Fort Algernourne, as it was called, and its successor, Fort George, were destroyed by storms, and it was not until 1818 that work was started on the present fort.

Old Name for Knee Cap

Doctors of ancient Egypt described the knee-cap as "the round cake of the knee."

QUESTIONS THAT ARE ASKED ABOUT BANKING

"What is the best measure of a Bank's strength?"

The strength of a bank may be judged by the following 3-ply yardstick:—

1. *The known honesty and skill of its management in making sound, useful loans and investments.*
2. *Its reputation and standing in the community, particularly in the confidence it has built among its depositors.*
3. *The adequacy of its capital, surplus and reserves.*

To those who understand figures, bank statements when compared with those of preceding years, are a good standard of measurement. But most individuals judge a bank by its good name among people they know, by the friends as well as by the loans it makes, by its record for economical methods as well as services rendered, by sufficient earnings to build up reserves as well as pay dividends, and by its usefulness to the community.

By these tests this bank is willing to be judged. We believe our record merits the confidence and respect of this community.

Naming the Red Sea

The drowning of Pharaoh and his host in the Red sea had nothing to do with its name. It takes this from a peculiar reddish color remarked at certain seasons of the year in parts of this sea, due to marine plants, or to reddish animalculae, called by sailors "whale feed," which float on it like scum; or to the reefs of red coral which abound in many parts of it; or, possibly, to the fact that its upper coast was one of the boundaries of Edom, "the red." No biblical scholar of any repute, says the Cleveland Plain Dealer, has ever asserted that the sea took its name from the overthrow of Pharaoh.

Fort Monroe

Fort Monroe, the largest enclosed military reservation in the world, came in for additional prominence immediately following the Civil war, when Jefferson Davis, President of the Confederacy, was imprisoned there for a long period. The strategic location was recognized over 325 years ago, when the first flimsy fortifications were thrown up at Old Point as a defense against Spanish attack from the sea. Fort Algernourne, as it was called, and its successor, Fort George, were destroyed by storms, and it was not until 1818 that work was started on the present fort.

Old Name for Knee Cap

Doctors of ancient Egypt described the knee-cap as "the round cake of the knee."

Fish Use Teeth on Oysters

The sheepshead, a fish abounding in the Gulf of Mexico, uses its front teeth to dig oysters from their shells.

Fans

Fans made of peacocks' feathers were used in China in 3000 B. C., and there is one in the Cairo museum 4,000 years old. The invention was brought from China to Europe by Portuguese traders in the Seventeenth century, and Paris was long the centre of fan-making. In 1685 King Louis XIV expelled all his Protestant subjects and some of them brought the art over to England. The Fanmakers' company of London dates from 1709.

Mississippi River Old

The Mississippi river was formed during the latter part of the Ice Age, more than 20,000 years ago.

Sea Lions Have Many Enemies

Aside from man, sea lions have many natural enemies. Killer whales (Orca) have been known to attack whole herds and, according to Paul Bonnot, in Fish and Game, as many as eight adults have been found in the stomach of one of these enormous beasts. Sharks also attack sea lions.

Ash, Thirsty Tree

Among European trees, the ash is said to be the thirstiest. A well-grown specimen will draw 85 quarts of water from the soil on a hot day, against 66 for the elm and 60 for the birch.

Pin Sales Once Limited

Pins, when first invented in the Fourteenth century, were permitted to be sold only on the first two days in January.

Largest Canadian Irrigation Job

The largest irrigation project in Canada is located on the Bow river, south of Calgary, Alberta, and includes about 400,000 acres.

First "Third Party"

The first "third party" in American politics was the Quids. It was so called from tertium quid, a third thing, because its members supported neither the administration forces nor their Federal opposition. John Randolph of Virginia was its leader in congress—1805-1811.

Oldest Firearm

The oldest firearm in the world is a notable exhibit in the collection of weapons at the Armory museum in Berlin. It is a Chinese hand-gun, dating back to the year 1377. It bears an inscription indicating the name of its bearer and his military unit, the Guard at Wei-wu, a town which suffered much from the depredations of foreign robber bands and pirates.

Wheat Dangerous Cargo

Wheat is considered one of the most dangerous cargoes carried by ocean freighters, because it may shift and cause a heavy list, or, when wet, generate a gas that, in the heat of the hold, is an explosive as deadly as dynamite. Wheat has caused many shipwrecks, among them being that of the British steamer Antinoe, which sank in mid-Atlantic in 1926.

Artificial Corundum

Corundum, which includes the precious stones of rubies and sapphires, was manufactured artificially as early as 1837.

NOTICE TO FARMERS

I have on hand in the line of second hand farm machinery and parts, almost everything you can use on the farm. Before you buy anything elsewhere, come and see my large stock.

Everything you buy from me or I do for you is guaranteed; also I do general blacksmithing, acetylene welding, brazing and all around repairing at lowest prices.

All jobs are guaranteed. Come and compare my quality, practice and prices with others. I also handle the New Idea and the John Deere new farm machinery and parts.

IN THE CIRCUIT COURT OF COOK COUNTY

NO. B229736

STATE OF ILLINOIS, County of Cook.—ss.
PEOPLE OF THE STATE OF ILLINOIS, EX REL OSCAR NELSON AUDITOR OF PUBLIC ACCOUNTS OF THE STATE OF ILLINOIS, Complainants,
vs.
ARLINGTON HEIGHTS STATE BANK, Defendant.

PUBLIC NOTICE IS HEREBY GIVEN THAT I, CHARLES H. ALBERS, Receiver of the ARLINGTON HEIGHTS STATE BANK, having received an offer to purchase the following legally described premises:

South Fifty (50) feet of Lot Five (5) Block Fourteen (14) in Town of Dunton (Now Arlington Heights), Section 29, Township 42 N., Range 11, East of the Third Principal Meridian, commonly known as 201 Dryden Street, Arlington Heights, Illinois, for the sum of $9,250.00 in cash, and having received the approval of the Auditor of Public Accounts of the State of Illinois thereof will present this offer to the Circuit Court of Cook County for its approval unless a better offer is received by me on or before twelve o'clock noon on the Eighth day of May A. D. 1937.

THAT in the event more than one bid is received by me, all bidders shall receive notice thereof and permission will be requested of the said Circuit Court to sell the property in open court to the highest and best bidder but for a sum of not less than the highest bid received by me. Said sale to be subject to the approval of the Court before whom said cause is pending.

CHARLES H. ALBERS, RECEIVER OF ARLINGTON HEIGHTS STATE BANK, 129 Broadway, Melrose Park, Ill.

By LOUIS E. NELSON,
Deputy Receiver.

An Employment Service

There is one institution in Palatine of which little is ever heard, but which has filled an important place in the lives of many of Palatine's unemployed for many years. And that institution is none other than the unofficial employment bureau which George Vehe operates in connection with his cigar store.

For years George has been a barometer of the labor situation in Palatine. George some way or another, seems to hear of all the miscellaneous jobs that are open in this territory and sends his various patrons that are looking for jobs, out to see if they can get work.

When a prospective employer comes to town looking for men he usually finds his way over to George's store and makes his wants known. From his wealth of information as to what sort of work the fellows around town are looking for George is able to pick out the right man for the right job.

Thus during the course of the year, many of the fellows are able to find some sort of a job from the information they secure over at George's Cirgar store. And this service is all given without any charge. It's just one way in which one business man tries to help his customers and to "get the boys working." The labor situation of this territory; who is hiring and who is laying off men always, seems to be available at Vehe's Cigar store. George keeps his hand on the pulse of the labor market and is times are getting better or becoming tighter, can always be learned at George's combination information and employment exchange, a local institution which the public never hears about.

Those Blank Lines

The people who like to upset an election by writing in the names of persons for public office whose names do not appear on the ballot may not have any fun in the future, for those blank lines, according to the latest opinion from very official sources, do not have to be there at all. In fact they have no place on the ballot.

There is one interpretation of the election laws which holds that they "may" be there, but it does not hold that they shall be there.

As most of the tickets outside of the big elections, are nominated by petitions, only the names and the places to be filled that appear on the petitions should go on the ballot. It appears that the question of blank lines is up to the clerk who makes up the ballot in the various election units. If the clerk sees fit to have a blank ilne ticket it goes, if he doesn't see fit it don't go. The use of the blank lines is fast being abolished. If a person or a group of persons want to run for office, they will have to get on the ticket in the proper manner from now on, for the use of the blank lines on a ballot seems doomed. So the old fun of "slipping one over" in a quiet election, will soon be a thing of the past, as most office holders we have talked with don't seem to be very enthusiastic about those blank lines and the prospect of a sudden "write in" campaign which might upset the beans in a quiet election.

We Wonder, Too

"What's the world coming to." We heard that question asked one evening when a group of adults left a roadside tavern and restaurant after having had a cup of coffee and a sandwich about midnight.

The question was caused by what had been seen in the place at that hour of the night, when it didn't seem logical that onyone not having business to attend to, would be wandering around.

The parking space was crowded with cars, people of all ages were eating and drinking, but chiefly youngsters between 16 and 22.

Couples were coming and going. Young unescorted girls came in, ladies old enough to be grandmothers were playing the slot machines as if their life depended on it. No one esemed to think anything about its being almost morning and no one seemed in a hurry to go home.

How times have changed. Not so many years ago, you could hardly find anyone on the roads at that hour of the night. Now night is turned into day and the folks around those places act as if it might be the early evening.

We just wondered how that gang felt when they went to work the next morning, that is if they did work and if they didn't how did they get the wherewithal to finance such an evening? If they had to be on the job at 8 o'clock, the next day, they surely were not in a condition to give their best efforts to their employers. Not the service an employer pays for and has a right to expect.

And what was going on in that one place at that hour, was only typical of what was happening in thousands of such places around Chicagoland. Well might one ask the question, "What's the world coming to." We wonder, too, maybe it's juts the evidences of a changing age, maybe it's just another manifestation of the New Deal.

An Employment Service

There is one institution in Palatine of which little is ever heard, but which has filled an important place in the lives of many of Palatine's unemployed for many years. And that institution is none other than the unofficial employment bureau which George Vehe operates in connection with his cigar store.

For years George has been a barometer of the labor situation in Palatine. George some way or another, seems to hear of all the miscellaneous jobs that are open in this territory and sends his various patrons that are looking for jobs, out to see if they can get work.

When a prospective employer comes to town looking for men he usually finds his way over to George's store and makes his wants known. From his wealth of information as to what sort of work the fellows around town are looking for George is able to pick out the right man for the right job.

Thus during the course of the year, many of the fellows are able to find some sort of a job from the information they secure over at George's Cirgar store. And this service is all given without any charge. It's just one way in which one business man tries to help his customers and to "get the boys working." The labor situation of this territory; who is hiring and who is laying off men always, seems to be available at Vehe's Cigar store. George keeps his hand on the pulse of the labor market and if times are getting better or becoming tighter, can always be learned at George's combination information and employment exchange, a local institution which the public never hears about.

Those Blank Lines

The people who like to upset an election by writing in the names of persons for public office whose names do not appear on the ballot may not have any fun in the future, for those blank lines, according to the latest opinion from very official sources, do not have to be there at all. In fact they have no place on the ballot.

There is one interpretation of the election laws which holds that they "may" be there, but it does not hold that they shall be there.

As most of the tickets outside of the big elections, are nominated by petitions, only the names and the places to be filled that appear on the petitions should go on the ballot. It appears that the question of blank lines is up to the clerk who makes up the ballot in the various election units. If the clerk sees fit to have a blank ilne ticket it goes, if he doesn't see fit it don't go. The use of the blank lines is fast being abolished. If a person or a group of persons want to run for office, they will have to get on the ticket in the proper manner from now on, for the use of the blank lines on a ballot seems doomed. So the old fun of "slipping one over" in a quiet election, will soon be a thing of the past, as most office holders we have talked with don't seem to be very enthusiastic about those blank lines and the prospect of a sudden "write in" campaign which might upset the beans in a quiet election.

We Wonder, Too

"What's the world coming to." We heard that question asked one evening when a group of adults left a roadside tavern and restaurant after having had a cup of coffee and a sandwich about midnight.

The question was caused by what had been seen in the place at that hour of the night, when it didn't seem logical that onyone not having business to attend to, would be wandering around.

The parking space was crowded with cars, people of all ages were eating and drinking, but chiefly youngsters between 16 and 22.

Couples were coming and going. Young unescorted girls came in, ladies old enough to be grandmothers were playing the slot machines as if their life depended on it. No one esemed to think anything about its being almost morning and no one seemed in a hurry to go home

How times have changed. Not so many years ago, you could hardly find anyone on the roads at that hour of the night. Now night is turned into day and the folks around those places act as if it might be the early evening.

We just wondered how that gang felt when they went to work the next morning, that is if they did work and if they didn't how did they get the wherewithal to finance such an evening? If they had to be on the job at 8 o'clock, the next day, they surely were not in a condition to give their best efforts to their employers. Not the service an employer pays for and has a right to expect.

And what was going on in that one place at that hour, was only typical of what was happening in thousands of such places around Chicagoland. Well might one ask the question, "What's the world coming to." We wonder, too, maybe it's juts the evidences of a changing age, maybe it's just another manifestation of the New Deal.

Hold Spelling Contests In Div. One

Winners in the various township spelling contests which have just been completed were announced Tuesday evening by G. C. Butler, assistant county superintendent of schools for Division 1.

Sixty-six pupils took part in the contest, two contestants being allowed from each school.

One hundred and fifty words were used, taken from the book "Learning to Spell," which is used in division one. Two pupils made a mark of 100 while the rest of the winners rated from 98 down into the 70's. The winner in each township was presented with a pennant which will be a highly prized possession of the youngsters and their schools.

On Saturday, April 24, the Cook County championship spelling "bee" will be held in the County building under the direction of County Superintendent of schools, Noble J. Puffer. Two contestants from each township will battle it out for the championship. The entrants from the townships will be the winners in the township contests which have just been completed. In the big county event the best spellers from every township in the county will compete for honors and there is bound to be keen competition not only between townships, but also the youngsters from the various divisions will be rooting for their fellow entrants from the same division.

The following are the township winners in Division One:

Elk Grove Township — Robert Kroening, Dist. 59; Mildred Scho, Dist. 59.

Hanover Township—Kenneth La Rue, Dist. 49; John Sandaker, Dist. 49.

Schaumburg Township — Ann Tomashewski, Dist. 51; Lucile Moeller, Dist. 54.

Barrington Township — Edward Wickman, Dist. 11; Esther Holtze, District 10.

Palatine Township—Lyle Walter, Dist. 15; Sara Smith, Dist. 16.

F. W. Gieseke Enjoys Vacationing In South

Mr. and Mrs. F. W. Gieseke returned home last week after six weeks spent in Florida and intervening points. They had a delightful time, admired Florida climate, but think that there is no place like Illinois. There is something about the oak, hickory, elm and other trees of the north that have an air of stability about them that Mr. Gieseke thinks is rather comforting and is not found in the "soft" trees of Florida.

Evidences of the boom days and the later collapse of the realty market were on every side; yet the beauty of certain sections of Florida are beyond description.

Mr. Gieseke kept in touch with Arlington Heights by mail, but during his entire trip did not give a thought as to business back home.

Softball Players, Managers, Sponsors, and Fans Attention

A meeting will be held Thursday, April 22, at the home of Arthur Luerssen (Euclid and Highland streets) to make plans for the coming season of play. There are many matters to decide. The decisions should be made at once so that play can be started at the earliest possible date.

Last year two sponsors were left out through failure to send representatives to the meeting. If any manager or sponsor is unable to be represented at this meeting, he should get in touch with Arthur Luerssen beforehand.

At the final meeting last Fall it was agreed that a twelve inch ball should be used during 1937. Some of those who favored this have since changed their opinions. This matter will be among those discussed. There is some talk of forming two leagues—one for fast pitching with a twelve or fourteen inch ball, the other for slow pitching with a sixteen inch ball. Managers should find out what their players wish done about that question.

The Softball association is in the best shape to begin a season that it has ever been. Let's get off on the right foot and have a big season.

RAYMOND HAYES,
Secretary Softball Association.

Cook County Leads In Old Age Pensions

Cook county's elderly people who are on the old age pension lists, are receiving the largest monthly allotments of any county in the state according to James H. Andrews, superintendent of the division of social assistance of the Illinois department of public welfare. The average allotment throughout the entire state for March was $16.36. The average allotment for Cook county was $20.83. The higher rents in Cook county are given as the main reason why Cook county people are granted a higher pension than are the people of the rest of the state.

The state office has to reduce all approved allocations about 25% in order to keep within the budget.

The Federal Government matches dollar for dollar all old age pensions granted by the state. The above allotment figures are the combined state and federal pensions.

Celebrate 30th Anniversary At Huber Home

Friday evening, April 9, the brothers and sisters of Mr. and Mrs. Andrew Horcher, gathered with their children in their home to celebrate their 30th anniversary. Their daughter, Isabella, who is in nurses training, was home from school to help celebrate the occasion. Mrs. Horcher's parents, Mr. and Mrs. Geo. Obenaust were also with them to honor the day.

The happy couple received a beautiful bouquet of flowers from the A. E. club of which Mrs. Horcher is a member.

Mr. and Mrs. Horcher regretted that their son and daughter-in-law, Mr. and Mrs. Fred Horcher, were unable to be with them on this happy occasion.

Adela Clausing Weds Arthur Heine

The marriage of Miss Adela Clausing, of Elk Grove, to Arthur Heine, son of Mr. and Mrs. Wm. Heine of Hanover, was solemnized at 7 o'clock Saturday evening, Apr. 10, at the parsonage of Rev. Pfotenhauer, pastor of the St. Peter's Evangelical Lutheran church of Schaumburg.

Attending the bride and groom were Miss Lorna Meier of Mt. Prospect and Arthur Clausing, brother of the bride.

The bride was attired in a floor length white satin gown trimmed with lace and a fingertip veil of silk net, trimmed with lace and held in place by a cap adorned with clusters of orange blossoms.

Her bouquet was composed of tea roses.

Miss Meier wore a gown of pale blue taffeta and carried a bouquet of pink carnations.

A wedding supper was served to the immediate families at the home of the groom's parents.

Mr. and Mrs. Heine will reside at the farm home of the bridegroom's parents at Hanover.

Annen's Celebrate 56th Wedding Anniversary

Tuesday, April 13, was a red letter day in the life of Mr. and Mrs. Nick Annen of 928 N. Highland avenue, Arlington Heights.

For on that day this friendly elderly couple celebrated their 56th wedding anniversary. The Annens were married 56 years ago in Chicago and have made their home in Arlington Heights for well over fifty years. They are life long residents of Wheeling township.

Nine children were born to them, seven of whom are still living. They are William Annen of Arlington Heights, Wheeling township tax collector; Louis Annen of Kansas City; Regiene Bode of Chicago; John Annen of Arlington Heights; Joe Annen of Calumet City; Rose Weston of Fulton, Michigan, and Carl Annen of Arlington Heights.

The Annens have fifty grandchildren and one great grandchild. When asked if they were having a celebration in honor of the day the happy couple laughed and said they were too old for celebrations. Mr. Annen is nearly 85 years old and Mrs. Annen is 79.

Many congratulatory messages were being received and the one which the couple prized most was on White House stationery and was from Mrs. Franklin D. Roosevelt, wife of the President of the United States, congratulating this fine couple on their anniversary and on a long and useful life.

Mr. and Mrs. Annen have weathered the storms of life in a fine manner. Both have a keen sense of humor and although the years of the depression have not been kind to this elderly couple, they have met the situation with courage and fortitude, they still hold a keen zest for life and their many friends wish them many more happy years together. Few families can boast the large number of children and grandchildren that constitute the Annen descendents and the entire community joins with the President's family in extending hearty congratulations to these sterling pioneers of Wheeling township.

Ethel De Pue To Marry Gilbert Crowell

The home of Mr. and Mrs. Gilbert Crowell on Walter avenue, Des Plaines, was the scene of a very pretty party last Saturday evening, the event being the celebration of the Silver Wedding anniversary of Mr. and Mrs. Crowell. About sixty guests were present.

The surprise of the evening occurred when Mr. and Mrs. William H. De Pue of Palatine, took the occasion to announce the engagement of their daughter, Ethel Doris, to Gilbert Crowell, Jr.

Spring Frolic and Ball Sponsored By Local Legion Posts

A spring frolic and ball will be held by the posts in Area One of the Ninth District at Louis' Crystal ballroom in Fox River Grove on Saturday evening, May 22.

A committee consisting of a representative from each post in the Area is in charge of this affair. This committee is as follows:

Joseph Heinze, Des Plaines Post No. 36.

Elmer Hauptly, Mt. Prospect Post No. 525.

Rudolph Rizzi, Merle Guild Post No. 208.

Lawrence Inkster, Palatine Post No. 690.

Edward Langendorf, Barrington Post No. 158.

Victor A. Pecchia, Area chairman, is also chairman of the Dance committee.

The music will be furnished by Sturtevant's Chanticleers.

Real Estate Market Is Active

The final advent of spring has brought a decided upward swing in Arlington Heights real estate. The real estate market seems to have acted something like the spring buds. It waited until spring was really here and then burst forth. At any rate real estate has been very active in the past week or two and every indication seems to point to a continued activity in the market. During the last ten days J. D. Flentie reports that the following property has been moved through his office.

The Beardsley place on E. Euclid has been sold to a Chicago buyer. The Mrs. Fiene property on N. Dunton has been sold. Property at 217 So. Highland has changed hands. A lot on Haddow and Euclid has been purchased by a Chicago man who will erect a new home. Four lots in the Arlington Park subdivision have changed hands and Ben Rosenquist is building a new 30x60 building on the N. W. highway, west of Euclid into which he will move the Rose Lo Inn about the first of the month.

That's real real estate activity to greet the advent of spring and if that pace keeps up this looks like an active year in the real estate market about Arlington Heights.

Plan Thursday Half Holiday for Arlington Heights Stores

A drive is under way in Arlington Heights to have the business houses close on Thursday afternoon during the summer months. Thirty-four merchants have thus far signified their willingness to close while five are opposed to the idea.

From the present preponderance in favor of the closing idea, it looks as if the Thursday afternoon closing may become a reality this summer. The plan is already in operation at Mt. Prospect, where it is said to have worked successfully for several years.

Des Plaines is also agitating the question of a Thursday half holiday and it seems assured there. At Des Plaines they propose to close on Thursday afternoon and keep open Wednesday night.

One group which is entirely enthusiastic about the half holiday is the employes of the various business houses. Visions of seeing a ball game, playing a little golf or tennis, seeing the sights of the city, working in the garden or just resting has brought the employees into unanimous approval of the plan.

From present indications with the heavy support, the plan is receiving, it looks like Thursday afternoon would be a business holiday in Arlington Heights this summer.

Popular Orchestra Has 4th Birthday

On Saturday, April 10, Earl Fredrichs and his orchestra celebrated their 4th anniversary at the Mohawk Country club by playing for the Arlington Heights Order of the Builders "Spring Swing."

The members of this band have been playing together for four years and 3 of the members for five years.

They now have an eight piece orchestra composed of all local boys ranging from the ages of 17 to 25.

This band has had the privilege of playing at such fine places as the Orrington Hotel in Evanston; Carlton Hotel, in Oak Park; Catlow Theatre in Barrington; Barrington Hills Country Club also in Barrington; the Chicago Architectral club, Sheridan Plaza Hotel, Vassar House and many other Chicago bright spots, as well as many other places. Some of the few well known organizations they have played for are as follows: Chicago Tribune Bowling League, Chicago Tool and Die Makers, Allegra club, Public Service Co. of Northern Illinois, Oak Park Rotary club, Evanston Lions club, Lake Bluff American Legion, and many other groups of organizations.

The members of the band wish to publicly thank all the local people for their loyal support during these four years.

Plan Purchase Of New Hook And Ladder Outfit

The Arlington Heights Village board at a meeting Monday night, took steps leading to the purchase of a new hook and ladder outfit. Bids for the new equipment will be advertised for in the near future.

The new equipment will probably cost in the neighborhood of $5,000 or $6,000.

At the Paton fire on Monday one ladder was broken that had been in service since 1887. A fireman started to climb the ladder and a rung broke. That should be some sort of a record for a fire department ladder and after that length of service the boys are certainly entitled to some new equipment. Another action taken by the board Monday evening, was to re-establish the salary of the Village Clerk at $500 per year, the salary which the office formerly carried.

Some discussion came up which related to the zoning laws of the Village, a prospective builder of a new home who wanted to build a $1,700 house in a $5,000 neighborhood was halted.

The next important business to come before the Village board will be the canvass of the vote of next Tuesday's election.

St. Peter's String Ensemble and Choir To Give Joint Concert, April 23

An event of importance in the musical world of Arlington Heights is the first annual concert to be given jointly by St. Peter's String Ensemble directed by Mr. Henry Stein and the Children's Chorus, under the baton of Mr. Theo. Preuss. This musical program will be presented Friday, April 23, 8 p. m. in St. Peter Lutheran school hall and is sponsored by the Altar Guild of the church. All proceeds will be used to beautify the interior of the church auditorium.

The string ensemble of thirty-three players consists of pupils of Mr. Henry Stein of Chicago, a well-known teacher of string instruments. Violins, Hawaiian and Spanish guitars, mandolin and tenor banjos, piano accordians and ukeleles comprise the instrumentation. Mr. Stein will offer a number of selections played by the group and interspersed with solo, duet, trio and quartette numbers. The audience will appreciate particularly a violin solo played by Robert Stein, a gifted and promising young violinist and a son of the ensemble conductor.

Lovers of good music will enjoy this real musical treat given by budding musicians and vocalists of our community. With tickets at only 25 cents everyone will be able to attend this concert. Tickets are available at Sieburg's Drug Store or any member of the ensemble and choir.

ST. PETERS STRING ENSEMBLE

The Children's Choir associated with the instrumental ensemble in the concert needs no introduction to music lovers of Arlington Heights. It is the product of the patient and able labors of Mr. Theo. Preuss, instructor of St. Peter's Lutheran school. The choir consists of thirty-five members selected for excellency of voice from grades four to eight of the parochial school. These youngsters have received a thorough education in the fundamentals of singing, such as sight reading, tone production, enunciation, attack, and musical shading. Its repertoire includes music of three, four and five part harmonization, some of which has been composed by masters of sacred music as Bach, Palestrina, Kastalsky, and Schuetky. The choir is a demonstration of the contention that children can learn to sing most anything of any difficulty if given the proper training in music recognition and purposeful listening.

This group has appeared frequently in devine service and has also sung to larger audiences on the radio. Enthusiastic letters from music lovers and critics over the middle west have expressed high tribute of their efforts. Here is an example of many.

Radio Station WLS:

Many thanks for the delight you brought me by the program of Christmas carols, sung by the Children's A Capella choir of St. Peter Ev. Lutheran church of Arlington Heights this morning.

They are a fine bunch of songsters; every word was understood, tone quality was sweet and clear and they sang as one voice with no "pushing"—a real treat indeed.

I hope you will let us hear them again in the near future. Again thank you!

Mrs. Hilda H. Jass
Peoria, Ill.

NOTICE TO CUSTOMERS

Due to the fact that my lease has expired I am compelled to vacate my quarters at the Ford Garage Building upon May 1st and I am asking that all people indebted to me settle their accounts prior to that date with me personally. After May 1st, all unpaid claims must necessarily be placed in the hands of an attorney for collection.

As proprietor of the Wagner Motor Service I have enjoyed serving a large clientele and while at the present I am unable to announce my new location I do want to express my appreciation of the business that has been accorded to me in the past and I hope that if I am able to make new connections, I will again be favored with your patronage.

Wilbur F. Wagner.

Lutherans To Broadcast Religious Service Sunday Over WHFC

The response to previous broadcasts has been so favorable that Pastor H. C. Fricke of the Lutheran church and the Children's choir have been requested to present a half hour of devotion over Station WHFC, 1420 kc., Cicero, Ill. They will be heard at this station Sunday, April 18, at 3 p. m.

Pastor Fricke will preach a short sermon on the topic: "The Easter Fact and the Christian Life." Mr. Preuss' Children's Choir will also sing several four part vocal arrangements, concluding the service with the ancient hymn "Now The Day is Over."

Members and friends of St. Peter's church will want to tune in to this broadcast and also encourage their neighbors to do so. Any expression of appreciation in writing to the station will be gratifying to the pastor and an encouragement for more frequent radio appearances.

"Meet The Millionaire" At Senior Class Play

The time is getting short and it won't be long before "Meet The Millionaire" will be over. If you miss it, you'll be sorry. As usual, the senior play is going to be good and the talent of the senior class is well displayed in this gay little drama of the story of what happened to a young fellow who inherited a million dollars.

This is the last big project the class is attempting. Set April 16 aside on your calendar and plan to be at the senior play.

The play will be given at the Arlington Heights high school, Friday night, April 16, at 8 p. m.

Scouts Plan For Jamboree

The National Boy Scout Jamboree to be held in Washington, D. C., June 29 to July 9 of this year, will be a great adventure for every Scout and Scouter who attends. Thirty thousand Boy Scouts and Scouters will camp together for ten days within sight of the Washington monument.

The Jamboree will have very much of a world-wide aspect. Up to date the following countries have decided to send delegations: England, Scotland, Ireland, Canada, Mexico, Guatemala, France and Poland, Chile, Hungary, Roumania, India, Australia, South Africa, Bahamas, Bermuda and Haiti.

The Northwest Suburban Council is limiting their delegation to one Troop of 32 scouts of 4 patrols of 8 each, with a Scoutmaster, 2 assistant scoutmasters and a senior Patrol Leader. The adult leaders of the Troop will be Scouters from our own Council, selected for their qualifications as to responsibility and leadership. Field Scout Commissioner, E. J. Anderson and Scout Executive Donald E. Kyger will also be present at the Jamboree and it is probable that other Scouters of this Council will serve as leaders at the camp.

Junior leaders (Senior patrol leader and patrol leaders), will be selected from early applications, in order to complete the organization of the Troop at the earliest possible date. Therefore, get your application in without delay.

Any registered Scout who was a member prior to Jan. 1, 1937, and who is a Second Class Scout by June 28, 1937, is eligible to participate in the Jamboree. He must have had camping experience or furnished evidence of a cooperative attitude and the ability to take care of himself in the open, and agree to participate in the pre-Jamboree training camp, submit a medical certification of physical fitness, including proof of vaccination against smallpox within seven years (no exception). The Scout must be recommended by his Scoutmaster and Troop committee before his application will be accepted. There is no limit to the number of Scouts that may go from the same Troop until the reservations are all filled.

Region Seven will have a band, made up of Scout musicians from the various councils of the Region. This band will be separate from the regular Council Troop and any Scout musicians may make application for membership in this band. The same qualifications apply as to membership in the Council Troop.

The Jamboree committee of the Northwest Suburban Council is responsible for the promotion and organization of the delegation from this Council and together with leaders of the Jamboree Troop will plan on arranging for participation.

The Jamboree committee is as follows: Grafton L. Parker, chairman, and E. J. Anderson of Des Plaines; J. W. Langdale of Barrington; C. L. Griffith of Arlington Heights; Edw. H. Stehman and C. C. Gregg of Park Ridge; Earle R. Henderson of Niles Center; John L. Bell, council president and Donald E. Kyger, scout executive.

Ted Ross Dies; Was Champion of Country Towns

The country towns of Cook county lost a valient champion of home rule when W. B. (Ted) Ross, collector of Oak Park township, died at the West Suburban hospital last Thursday.

Mr. Ross had been collector of Oak Park township for seventeen years and had just been re-elected last Tuesday for another four year term.

"Ted" as he was known to his host of friends all over the county, was always a great fighter for the right of the country towns to govern themselves. He was president of the Cook County Tax Collectors association and was unanimously re-elected to that office with a roar of confidence at the last meeting of the association.

When repeated attempts have been made to abolish the offices of township collector and assessor during the last few years, Mr. Ross was in the fore front of the forces which fought to save these important offices to the country towns.

In the death of Mr. Ross, Oak Park has not only lost a well liked and efficient public official, but all of Cook county has lost an ardent champion of the cause of the country towns. The funeral was held Saturday afternoon at Oak Park and was largely attended by hosts of friends of Mr. Ross from all over Cook county.

P. T. A. Will Meet April 20th

The Parent-Teacher association will meet at the South Side school Tuesday evening, April 20, at 8 o'clock.

The topic of our April program, "Leisure Time" and "Family Recreation," will be carried out with movies and talks on vacation trips.

There will be community singing led by Mr. D. Costain. Light refreshments will be served. Everyone is welcome.

Four Pages Of Financial Reports

The Paddock publications are publishing four pages of financial reports this week, including the annual statements of the supervisors of seven townships, covering the township and road and bridge funds of Wheeling, Palatine, Elk Grove, Schaumburg, Hanover, Bloomingdale and Addison.

A perusal of the reports will enable the tax payer to familiarize himself with the costs of one branch of the local government. In the majority of the towns the road and bridge funds have substantial balances, while the town fund accounts are not so fortunate.

In response to the quarterly call for reports of both national and state banks, there is also published this week the financial statements of Mt. Prospect State Bank, Wheeling State Bank, Itasca State Bank, Roselle State Bank, Bartlett State Bank, Arlington Heights National Bank and Des Plaines National Bank.

There is also published the specimen ballots of the following seven villages: Wheeling, Mt. Prospect, Palatine, Itasca, Bensenville, Roselle, and Bloomingdale.

Alice Brady Rounds Out Drama Cycle

Alice Brady, who began her stage work in drama, is about to complete the cycle with a dramatic offering on the screen. Miss Brady, who has scores of successful movie roles studding her career, is now portraying a scheming mother in Universal's comedy "Three Smart Girls," which is on the Arlington screen Sunday and Monday. Her daughter in the picture is alluring Binnie Barnes, whom she helps in an effort to snare a millionaire, played by Charles Winninger.

Miss Brady is an excellent comedienne, as she proved in many films, notable among them, "My Man Godfrey." Few of the present moviegoing enthusiasts remember that Miss Brady can also play stirring drama with telling effect. The most recent announcement concerning the doings of Alice Brady, who has long been an interesting figure in the news, is the statement that she has signed a contract with Universal to play the lead in "The Life of Sarah Bernhardt."

Studio officials believe the role of the Divine Sarah is a particularly happy choice for Miss Brady, because of her thorough experience on the New York stage, where she established her ability as a front rank dramatic actress.

Since the life story of Sarah Bernhardt is interwoven with the theatre, Alice Brady is well equipped to give an authentic performance in the part. Few actresses on the screen today have as rich a theatrical background as she.

The daughter of William A. Brady, famous Broadway producer, and Marie Rene, noted danseuse, Alice Brady made her own debut in show business at the age of seventeen—and has been in it ever since, either on the screen or stage, or as a stage producer.

Included among Miss Brady's stage successes were "Bride of the Lamb," "Zander the Great," "Forever After," "Morning Becomes Electra," "Mademoiselle," "Sour Grapes" and "Most Immortal Lady."

You will find a reserve list at your convenience in case the books are off the shelf.

Plan Spring Garden Show

The Arlington Heights Garden club have made plans to hold a spring garden show on June 12. This date, however, is subject to change as a great deal will depend upon the weather as to whether or not the blooms will be ready upon that date. Further plans for the show will be announced later. The general committee in charge of the show are Paul Patrick, chairman; Mrs. Palmer, Mrs. Bray, Mr. Fellman and Mr. Wilson.

Hold Spelling Contests In Div. One

Winners in the various township spelling contests which have just been completed were announced Tuesday evening by G. C. Butler, assistant county superintendent of schools for Division 1.

Sixty-six pupils took part in the contest, two contestants being allowed from each school.

One hundred and fifty words were used, taken from the book "Learning to Spell," which is used in division one. Two pupils made a mark of 100 while the rest of the winners rated from 98 down into the 70's. The winner in each township was presented with a pennant which will be a highly prized possession of the youngsters and their schools.

On Saturday, April 24, the Cook County championship spelling "bee" will be held in the County building under the direction of County Superintendent of schools, Noble J. Puffer. Two contestants from each township will battle it out for the championship. The entrants from the townships will be the winners in the township contests which have just been completed. In the big county event the best spellers from every township in the county will compete for honors and there is bound to be keen competition not only between townships, but also the youngsters from the various divisions will be rooting for their fellow entrants from the same division.

The following are the township winners in Division One:

Elk Grove Township — Robert Kroening, Dist. 59; Mildred Scho, Dist. 59.

Hanover Township—Kenneth La Rue, Dist. 49; John Sandaker, Dist. 49.

F. W. Gieseke Enjoys Vacationing In South

Mr. and Mrs. F. W. Gieseke returned home last week after six weeks spent in Florida and intervening points. They had a delightful time, admired Florida climate, but think that there is no place like Illinois. There is something about the oak, hickory, elm and other trees of the north that have an air of stability about them that Mr. Gieseke thinks is rather comforting and is not found in the "soft" trees of Florida.

Evidences of the boom days and the later collapse of the realty market were on every side; yet the beauty of certain sections of Florida are beyond description.

Mr. Gieseke kept in touch with Arlington Heights by mail, but during his entire trip did not give a thought as to business back home.

Softball Players, Managers, Sponsors, and Fans Attention

A meeting will be held Thursday, April 22, at the home of Arthur Luerssen (Euclid and Highland streets) to make plans for the coming season of play. There are many matters to decide. The decisions should be made at once so that play can be started at the earliest possible date.

Last year two sponsors were left out through failure to send representatives to the meeting. If any manager or sponsor is unable to be represented at this meeting, he should get in touch with Arthur Luerssen beforehand.

At the final meeting last Fall it was agreed that a twelve inch ball should be used during 1937. Some of those who favored this have since changed their opinions. This matter will be among those discussed. There is some talk of forming two leagues—one for fast pitching with a twelve or fourteen inch ball, the other for slow pitching with a sixteen inch ball. Managers should find out what their players wish done about that question.

The Softball association is in the best shape to begin a season that it has ever been. Let's get off on the right foot and have a big season.

RAYMOND HAYES,
Secretary Softball Association.

Cook County Leads In Old Age Pensions

Cook county's elderly people who are on the old age pension lists, are receiving the largest monthly allotments of any county in the state according to James H. Andrews, superintendent of the division of social assistance of the Illinois department of public welfare. The average allotment throughout the entire state for March was $16.36. The average allotment for Cook county was $20.83. The higher rents in Cook county are given as the main reason why Cook county people are granted a higher pension than are the people of the rest of the state.

The state office has to reduce all approved allocations about 25% in order to keep within the budget.

The Federal Government matches dollar for dollar all old age pensions granted by the state. The above allotment figures are the combined state and federal pensions.

Celebrate 30th Anniversary At Huber Home

Friday evening, April 9, the brothers and sisters of Mr. and Mrs. Andrew Horcher, gathered with their children in their home to celebrate their 30th anniversary. Their daughter, Isabella, who is in nurses training, was home from school to help celebrate the occasion. Mrs. Horcher's parents, Mr. and Mrs. Geo. Obenaust were also with them to honor the day.

The happy couple received a beautiful bouquet of flowers from the A. E. club of which Mrs. Horcher is a member.

Mr. and Mrs. Horcher regretted that their son and daughter-in-law, Mr. and Mrs. Fred Horcher, were unable to be with them on this happy occasion.

Adela Clausing Weds Arthur Heine

The marriage of Miss Adela Clausing, of Elk Grove, to Arthur Heine, son of Mr. and Mrs. Wm. Heine of Hanover, was solemnized at 7 o'clock Saturday evening, Apr. 10, at the parsonage of Rev. Pfotenhauer, pastor of the St. Peter's Evangelical Lutheran church of Schaumburg.

Attending the bride and groom were Miss Lorna Meier of Mt. Prospect and Arthur Clausing, brother of the bride.

The bride was attired in a floor length white satin gown trimmed with lace and a fingertip veil of silk net, trimmed with lace and held in place by a cap adorned with clusters of orange blossoms.

Her bouquet was composed of tea roses.

Miss Meier wore a gown of pale blue taffeta and carried a bouquet of pink carnations.

A wedding supper was served to the immediate families at the home of the groom's parents.

Mr. and Mrs. Heine will reside at the farm home of the bridegroom's parents at Hanover.

Annen's Celebrate 56th Wedding Anniversary

Tuesday, April 13, was a red letter day in the life of Mr. and Mrs. Nick Annen of 928 N. Highland avenue, Arlington Heights.

For on that day this friendly elderly couple celebrated their 56th wedding anniversary. The Annens were married 56 years ago in Chicago and have made their home in Arlington Heights for well over fifty years. They are life long residents of Wheeling township.

Nine children were born to them, seven of whom are still living. They are William Annen of Arlington Heights, Wheeling township tax collector; Louis Annen of Kansas City; Regiene Bode of Chicago; John Annen of Arlington Heights; Joe Annen of Calumet City; Rose Weston of Fulton, Michigan, and Carl Annen of Arlington Heights.

The Annens have fifty grandchildren and one great grandchild. When asked if they were having a celebration in honor of the day the happy couple laughed and said they were too old for celebrations. Mr. Annen is nearly 85 years old and Mrs. Annen is 79.

Many congratulatory messages were being received and the one which the couple prized most was on White House stationery and was from Mrs. Franklin D. Roosevelt, wife of the President of the United States, congratulating this fine couple on their anniversary and on a long and useful life.

Mr. and Mrs. Annen have weathered the storms of life in a fine manner. Both have a keen sense of humor and although the years of the depression have not been kind to this elderly couple, they have met the situation with courage and fortitude, they still hold a keen zest for life and their many friends wish them many more happy years together. Few families can boast the large number of children and grandchildren that constitute the Annen descendents and the entire community joins with the President's family in extending hearty congratulations to these sterling pioneers of Wheeling township.

Ethel De Pue To Marry Gilbert Crowell

The home of Mr. and Mrs. Gilbert Crowell on Walter avenue, Des Plaines, was the scene of a very pretty party last Saturday evening, the event being the celebration of the Silver Wedding anniversary of Mr. and Mrs. Crowell. About sixty guests were present.

The surprise of the evening occurred when Mr. and Mrs. William H. De Pue of Palatine, took the occasion to announce the engagement of their daughter, Ethel Doris, to Gilbert Crowell, Jr.

Spring Frolic and Ball Sponsored By Local Legion Posts

A spring frolic and ball will be held by the posts in Area One of the Ninth District at Louis' Crystal ballroom in Fox River Grove on Saturday evening, May 22.

A committee consisting of a representative from each post in the Area is in charge of this affair. This committee is as follows:

Joseph Heinze, Des Plaines Post No. 36.

Elmer Hauptly, Mt. Prospect Post No. 525.

Rudolph Rizzi, Merle Guild Post No. 208.

Lawrence Inkster, Palatine Post No. 690.

Edward Langendorf, Barrington Post No. 158.

Victor A. Pecchia, Area chairman, is also chairman of the Dance committee.

The music will be furnished by Sturtevant's Chanticleers.

Real Estate Market Is Active

The final advent of spring has brought a decided upward swing in Arlington Heights real estate. The real estate market seems to have acted something like the spring buds. It waited until spring was really here and then burst forth. At any rate real estate has been very active in the past week or two and every indication seems to point to a continued activity in the market. During the last ten days J. D. Flentie reports that the following property has been moved through his office.

The Beardsley place on E. Euclid has been sold to a Chicago buyer. The Mrs. Fiene property on N. Dunton has been sold. Property at 217 So. Highland has changed hands. A lot on Haddow and Euclid has been purchased by a Chicago man who will erect a new home. Four lots in the Arlington Park subdivision have changed hands and Ben Rosenquist is building a new 30x60 building on the N. W. highway, west of Euclid into which he will move the Rose Lo Inn about the first of the month.

That's real real estate activity to greet the advent of spring and if that pace keeps up this looks like an active year in the real estate market about Arlington Heights.

Plan Thursday Half Holiday for Arlington Heights Stores

A drive is under way in Arlington Heights to have the business houses close on Thursday afternoon during the summer months. Thirty-four merchants have thus far signified their willingness to close while five are opposed to the idea.

From the present preponderance in favor of the closing idea, it looks as if the Thursday afternoon closing may become a reality this summer. The plan is already in operation at Mt. Prospect, where it is said to have worked successfully for several years.

Des Plaines is also agitating the question of a Thursday half holiday and it seems assured there. At Des Plaines they propose to close on Thursday afternoon and keep open Wednesday night.

One group which is entirely enthusiastic about the half holiday is the employes of the various business houses. Visions of seeing a ball game, playing a little golf or tennis, seeing the sights of the city, working in the garden or just resting has brought the employees into unanimous approval of the plan.

From present indications with the heavy support, the plan is receiving, it looks like Thursday afternoon would be a business holiday in Arlington Heights this summer.

Popular Orchestra Has 4th Birthday

On Saturday, April 10, Earl Fredrichs and his orchestra celebrated their 4th anniversary at the Mohawk Country club by playing for the Arlington Heights Order of the Builders "Spring Swing."

The members of this band have been playing together for four years and 3 of the members for five years.

They now have an eight piece orchestra composed of all local boys ranging from the ages of 17 to 25.

This band has had the privilege of playing at such fine places as the Orrington Hotel in Evanston; Carlton Hotel, in Oak Park; Catlow Theatre in Barrington; Barrington Hills Country Club also in Barrington; the Chicago Architectral club, Sheridan Plaza Hotel, Vassar House and many other Chicago bright spots, as well as many other places. Some of the few well known organizations they have played for are as follows: Chicago Tribune Bowling League, Chicago Tool and Die Makers, Allegra club, Public Service Co. of Northern Illinois, Oak Park Rotary club, Evanston Lions club, Lake Bluff American Legion, and many other groups of organizations.

The members of the band wish to publicly thank all the local people for their loyal support during these four years.

Plan Purchase Of New Hook And Ladder Outfit

The Arlington Heights Village board at a meeting Monday night, took steps leading to the purchase of a new hook and ladder outfit. Bids for the new equipment will be advertised for in the near future.

The new equipment will probably cost in the neighborhood of $5,000 or $6,000.

At the Paton fire on Monday one ladder was broken that had been in service since 1887. A fireman started to climb the ladder and a rung broke. That should be some sort of a record for a fire department ladder and after that length of service the boys are certainly entitled to some new equipment. Another action taken by the board Monday evening, was to re-establish the salary of the Village Clerk at $500 per year, the salary which the office formerly carried.

Some discussion came up which related to the zoning laws of the Village, a prospective builder of a new home who wanted to build a $1,700 house in a $5,000 neighborhood was halted.

The next important business to come before the Village board will be the canvass of the vote of next Tuesday's election.

St. Peter's String Ensemble and Choir To Give Joint Concert, April 23

An event of importance in the musical world of Arlington Heights is the first annual concert to be given jointly by St. Peter's String Ensemble directed by Mr. Henry Stein and the Children's Chorus, under the baton of Mr. Theo. Preuss. This musical program will be presented Friday, April 23, 8 p. m. in St. Peter Lutheran school hall and is sponsored by the Altar Guild of the church. All proceeds will be used to beautify the interior of the church auditorium.

The string ensemble of thirty-three players consists of pupils of Mr. Henry Stein of Chicago, a well-known teacher of string instruments. Violins, Hawaiian and Spanish guitars, mandolin and tenor banjos, piano accordians and ukeleles comprise the instrumentation. Mr. Stein will offer a number of selections played by the group and interspersed with solo, duet, trio and quartette numbers. The audience will appreciate particularly a violin solo played by Robert Stein, a gifted and promising young violinist and a son of the ensemble conductor.

Lovers of good music will enjoy this real musical treat given by budding musicians and vocalists of our community. With tickets at only 25 cents everyone will be able to attend this concert. Tickets are available at Sieburg's Drug Store or any member of the ensemble and choir.

ST. PETERS STRING ENSEMBLE

The Children's Choir associated with the instrumental ensemble in the concert needs no introduction to music lovers of Arlington Heights. It is the product of the patient and able labors of Mr. Theo. Preuss, instructor of St. Peter's Lutheran school. The choir consists of thirty-five members selected for excellency of voice from grades four to eight of the parochial school. These youngsters have received a thorough education in the fundamentals of singing, such as sight reading, tone production, enunciation, attack, and musical shading. Its repertoire includes music of three, four and five part harmonization, some of which has been composed by masters of sacred music as Bach, Palestrina, Kastalsky, and Schuetky. The choir is a demonstration of the contention that children can learn to sing most anything of any difficulty if given the proper training in music recognition and purposeful listening.

This group has appeared frequently in devine service and has also sung to larger audiences on the radio. Enthusiastic letters from music lovers and critics over the middle west have expressed high tribute of their efforts. Here is an example of many.

Radio Station WLS:

Many thanks for the delight you brought me by the program of Christmas carols, sung by the Children's A Capella choir of St. Peter Ev. Lutheran church of Arlington Heights this morning.

They are a fine bunch of songsters; every word was understood, tone quality was sweet and clear and they sang as one voice with no "pushing"—a real treat indeed.

I hope you will let us hear them again in the near future. Again thank you!

Mrs. Hilda H. Jass
Peoria, Ill.

Lutherans To Broadcast Religious Service Sunday Over WHFC

The response to previous broadcasts has been so favorable that Pastor H. C. Fricke of the Lutheran church and the Children's choir have been requested to present a half hour of devotion over Station WHFC, 1420 kc., Cicero, Ill. They will be heard at this station Sunday, April 18, at 3 p. m.

Pastor Fricke will preach a short sermon on the topic: "The Easter Fact and the Christian Life." Mr. Preuss' Children's Choir will also sing several four part vocal arrangements, concluding the service with the ancient hymn "Now The Day is Over."

Members and friends of St. Peter's church will want to tune in to this broadcast and also encourage their neighbors to do so. Any expression of appreciation in writing to the station will be gratifying to the pastor and an encouragement for more frequent radio appearances.

ST. PETERS CHILDREN'S CHOIR OF ARLINGTON HEIGHTS

Their concert program will offer chiefly lighter secular numbers and two selections accompanied by the ensemble. Following are the choir members:

Elsie Leseberg, Delores Hogreve, Ruth Kleiner, Loraine Hoeft, Geraldine Schulte, Lois Knaack, Velma Heidemann, Margaret Damm, Shirley Sanders, Ruth Studtmann, Eleanor Albrecht, Gertrude Niemeyer, Ruth Wolf, Gertrude Bornkamp, Donald Lussman, Dorothy Kolze, Bernice Bornkamp, Loretta Kehe, Margaret Schulte, Grace Miller, William Schoepke, Roger Fricke, Wilbert Hildebrandt, Lois Bokelman, Harold Nebel, June Nagel, Ruth Held, Lois Fricke, Kenneth Busse, Richard Bokelman, Carl Luettschwager, Lorna Pfingsten, Gertrude Homeyer, Betty Colba, Roger Grandt.

NOTICE TO CUSTOMERS

Due to the fact that my lease has expired I am compelled to vacate my quarters at the Ford Garage Building upon May 1st and I am asking that all people indebted to me settle their accounts prior to that date with me personally. After May 1st, all unpaid claims must necessarily be placed in the hands of an attorney for collection.

As proprietor of the Wagner Motor Service I have enjoyed serving a large clientele and while at the present I am unable to announce my new location I do want to express my appreciation of the business that has been accorded to me in the past and I hope that if I am able to make new connections, I will again be favored with your patronage.

Wilbur F. Wagner.

"Meet The Millionaire" At Senior Class Play

The time is getting short and it won't be long before "Meet The Millionaire" will be over. If you miss it, you'll be sorry. As usual, the senior play is going to be good and the talent of the senior class is well displayed in this gay little drama of the story of what happened to a young fellow who inherited a million dollars.

This is the last big project the class is attempting. Set April 16 aside on your calendar and plan to be at the senior play.

The play will be given at the Arlington Heights high school, Friday night, April 16, at 8 p. m.

Scouts Plan For Jamboree

The National Boy Scout Jamboree to be held in Washington, D. C., June 29 to July 9 of this year, will be a great adventure for every Scout and Scouter who attends. Thirty thousand Boy Scouts and Scouters will camp together for ten days within sight of the Washington monument.

The Jamboree will have very much of a world-wide aspect. Up to date the following countries have decided to send delegations: England, Scotland, Ireland, Canada, Mexico, Guatemala, France and Poland, Chile, Hungary, Roumania, India, Australia, South Africa, Bahamas, Bermuda and Haiti.

The Northwest Suburban Council is limiting their delegation to one Troop of 32 scouts of 4 patrols of 8 each, with a Scoutmaster, 2 assistant scoutmasters and a senior Patrol Leader. The adult leaders of the Troop will be Scouters from our own Council, selected for their qualifications as to responsibility and leadership. Field Scout Commissioner, E. J. Anderson and Scout Executive Donald E. Kyger will also be present at the Jamboree and it is probable that other Scouters of this Council will serve as leaders at the camp.

Junior leaders (Senior patrol leader and patrol leaders), will be selected from early applications, in order to complete the organization of the Troop at the earliest possible date. Therefore, get your application in without delay.

Any registered Scout who was a member prior to Jan. 1, 1937, and who is a Second Class Scout by June 28, 1937, is eligible to participate in the Jamboree. He must have had camping experience or furnished evidence of a cooperative attitude and the ability to take care of himself in the open, and agree to participate in the pre-Jamboree training camp, submit a medical certification of physical fitness, including proof of vaccination against smallpox within seven years (no exception). The Scout must be recommended by his Scoutmaster and Troop committee before his application will be accepted. There is no limit to the number of Scouts that may go from the same Troop until the reservations are all filled.

Region Seven will have a band, made up of Scout musicians from the various councils of the Region. This band will be separate from the regular Council Troop and any Scout musicians may make application for membership in this band. The same qualifications apply as to membership in the Council Troop.

The Jamboree committee of the Northwest Suburban Council is responsible for the promotion and organization of the delegation from this Council and together with leaders of the Jamboree Troop will plan on arranging for participation.

The Jamboree committee is as follows: Grafton L. Parker, chairman, and E. J. Anderson of Des Plaines; J. W. Langdale of Barrington; C. L. Griffith of Arlington Heights; Edw. H. Stehman and C. C. Gregg of Park Ridge; Earle R. Henderson of Niles Center; John L. Bell, council president and Donald E. Kyger, scout executive.

Ted Ross Dies; Was Champion of Country Towns

The country towns of Cook county lost a valient champion of home rule when W. B. (Ted) Ross, collector of Oak Park township, died at the West Suburban hospital last Thursday.

Mr. Ross had been collector of Oak Park township for seventeen years and had just been re-elected last Tuesday for another four year term.

"Ted" as he was known to his host of friends all over the county, was always a great fighter for the right of the country towns to govern themselves. He was president of the Cook County Tax Collectors association and was unanimously re-elected to that office with a roar of confidence at the last meeting of the association.

When repeated attempts have been made to abolish the offices of township collector and assessor during the last few years, Mr. Ross was in the fore front of the forces which fought to save these important offices to the country towns.

In the death of Mr. Ross, Oak Park has not only lost a well liked and efficient public official, but all of Cook county has lost an ardent champion of the cause of the country towns. The funeral was held Saturday afternoon at Oak Park and was largely attended by hosts of friends of Mr. Ross from all over Cook county.

P. T. A. Will Meet April 20th

The Parent-Teacher association will meet at the South Side school Tuesday evening, April 20, at 8 o'clock.

The topic of our April program, "Leisure Time" and "Family Recreation," will be carried out with movies and talks on vacation trips.

There will be community singing led by Mr. D. Costain. Light refreshments will be served. Everyone is welcome.

Four Pages Of Financial Reports

The Paddock publications are publishing four pages of financial reports this week, including the annual statements of the supervisors of seven townships, covering the township and road and bridge funds of Wheeling, Palatine, Elk Grove, Schaumburg, Hanover, Bloomingdale and Addison.

A perusal of the reports will enable the tax payer to familiarize himself with the costs of one branch of the local government. In the majority of the towns the road and bridge funds have substantial balances, while the town fund accounts are not so fortunate.

In response to the quarterly call for reports of both national and state banks, there is also published this week the financial statements of Mt. Prospect State Bank, Wheeling State Bank, Itasca State Bank, Roselle State Bank, Bartlett State Bank, Arlington Heights National Bank and Des Plaines National Bank.

There is also published the specimen ballots of the following seven villages: Wheeling, Mt. Prospect, Palatine, Itasca, Bensenville, Roselle, and Bloomingdale.

Alice Brady Rounds Out Drama Cycle

Alice Brady, who began her stage work in drama, is about to complete the cycle with a dramatic offering on the screen. Miss Brady, who has scores of successful movie roles studding her career, is now portraying a scheming mother in Universal's comedy "Three Smart Girls," which is on the Arlington screen Sunday and Monday. Her daughter in the picture is alluring Binnie Barnes, whom she helps in an effort to snare a millionaire, played by Charles Winninger.

Miss Brady is an excellent comedienne, as she proved in many films, notable among them, "My Man Godfrey." Few of the present moviegoing enthusiasts remember that Miss Brady can also play stirring drama with telling effect. The most recent announcement concerning the doings of Alice Brady, who has long been an interesting figure in the news, is the statement that she has signed a contract with Universal to play the lead in "The Life of Sarah Bernhardt."

Studio officials believe the role of the Divine Sarah is a particularly happy choice for Miss Brady, because of her thorough experience on the New York stage, where she established her ability as a front rank dramatic actress.

Since the life story of Sarah Bernhardt is interwoven with the theatre, Alice Brady is well equipped to give an authentic performance in the part. Few actresses on the screen today have as rich a theatrical background as she.

The daughter of William A. Brady, famous Broadway producer, and Marie Rene, noted danseuse, Alice Brady made her own debut in show business at the age of seventeen—and has been in it ever since, either on the screen or stage, or as a stage producer.

Included among Miss Brady's stage successes were "Bride of the Lamb," "Zander the Great," "Forever After," "Morning Becomes Electra," "Mademoiselle," "Sour Grapes" and "Most Immortal Lady."

Plan Spring Garden Show

The Arlington Heights Garden club have made plans to hold a spring garden show on June 12. This date, however, is subject to change as a great deal will depend upon the weather as to whether or not the blooms will be ready upon that date. Further plans for the show will be announced later. The general committee in charge of the show are Paul Patrick, chairman; Mrs. Palmer, Mrs. Bray, Mr. Fellman and Mr. Wilson.

LIBERTYVILLE WINS TRACK MEET

Palatine opened the 1937 track season Tuesday when they lost a dual meet to Libertyville on the home track by a score of 84-43. It was a good showing for the Pirates as Libertyville always has one of the top teams in this region and has a chance to train indoors. Libertyville won 12 firsts, 6 seconds and 7 thirds. Palatine had 3 firsts, 8 seconds and 5 thirds.

Vlink and Jaeger each copped three firsts for 15 points. Five of these were in the field events. Kuhn with 11 points and O'Brien with 10 topped the Palatine scorers. Haemker's 5 feet 6 inches in the high jump and Koch's javelin throw of 144 feet 2 inches were fine marks, but only earned second places. O'Brien's time of 18.7 seconds in winning the high hurdles set a Palatine school record.

100 Yard Dash—Won by Patterson (L.); Kuhn (P.), 2nd; Vontesmar (L.), 3rd; time 10.5 sec.

220 Yard Dash—Won by Getchell (L.); Kuhn (P.), 2nd; Vava (L.), 3rd; time 25.5.

440 Yard Run—Won by Kuhn (P.); Cizek, (L.); 2nd; Kraft (P.), 3rd; time 58.6 sec.

880 Yard Run—Won by Vlink (L.); Philbin (P.), 2nd; Hosknin (L.), 3rd; time 2:19.6 min.

Mile Run—Won by Freise (P.); Nangle (P.), 2nd; Doty (L.), 3rd; time 5:27.2 min.

120 Yard High Hurdles—Won by O'Brien (P.); Sitz (L.), 2nd; Smith (P.), 3rd; time 18.7 sec.

200 Yard Low Hurdles—Won by Von Tesmar (L.); Sitz (P.), 2nd; Smith (P.), 3rd; time 27.1 sec.

Frosh-Soph Relay—Won by Libertyville, time 52.5 sec.

880 Relay—Won by Libertyville; time 1:43.5 min.

Pole Vault—Won by Jaeger (L.), 9 ft. 6 in.; O'Brien (P.) and Willer (L.), tied for 2nd, 9 ft. 3 in.

High Jump—Won by Ray (L.), 5 ft. 8 in; Haemker (P.), 2nd, 5 ft. 6 in.; Demlow (L.) and Priebe (L.), tied for 3rd, 5 ft. 4 in.

Broad Jump—Won by Jaeger (L.), 18 ft. 4½ in; O'Brien (P.), 2nd, 17 ft. 1 in; Golden (P.), 3rd, 16 ft. 11 in.

Shot—Won by Vlink (L.), 39 ft. 5 in; Flamank (L.), 2nd; Getchell (L.), 3rd.

Discus—Won by Vlink (L.), 105 ft 2 in.; Sitz (L.), 2nd, 97 ft. 5 in; Koch (P.), 3rd, 93 ft.

Javelin—Won by Jaeger (L.), 147 ft. 5 in.; Koch (P.), 2nd, 144 ft. 2 in; Getchell (L.), 3rd, 138 ft. 9 in.

Bowling Notes

By HERB HAMMERL

Well folks, it's all over but the shouting and the payoff. Last Monday night wound up our regular season of bowling. We had a fairly good year, although we had fewer 180 average men this year than last. At least we all had a good time, and when you can get a bunch of good fellows together like we had on Monday night, that's what makes bowling a swell game.

Good old Vail Tavern went home with the bacon. They finished two games ahead of Krause Market. Vail Tavern took Blatz for three games without much trouble. Carl Huber got the only 600 series of the night. Vail Tavern will represent our league at the State Tournament next month.

On 3 and 4 Arlington Elevator won two games from Union and thereby finished in a tie with Park View for fourth place. But Park View gets the call over the Elevators by finishing with a larger average.

On 5 and 6 Krause Market won the odd game from Park View, and because they couldn't get first place, they have to be satisfied with the hand painted cement bag as second prize.

See you next season.

Semolina

Hard grains of wheat left in the bolting cloth when the fine flour has passed through its meshes are called semolina. It is also sometimes manufactured by millers. Certain hard, large-grained wheats growing in Southern Europe produce the best semolina, which is used for thickening soups, for macaroni, for a French bread, as an addition to Italian polenta and is employed in puddings.

The newly organized Bensenville-Edgewood baseball team will pry open the season Sunday afternoon, April 18, with a practice game against Roselle on the B. E.'s home diamond north of the C. M. St. P. & P. R. R. tracks, east of York road, the game to start at 2:45 p. m.

B. E. Prospects Good

August Engers, sponsor of the team, leaves the fate of his nine this season in the hands of his third baseman, Tommy Kouzmanoff.

Busy all winter, rounding up talent for a team that would withstand a stiff Tri-County League campaign, the two are confident their array of seasoned performers will finish high in the final standings. The team's aim is to give the Bensenville-Edgewood community its first Tri-County League championship.

B. E.'s At Melrose April 25

The B. E.'s are slated to open their Tri-County activities at Melrose Park, Sunday, April 25, against the Braves, a team that lost but two games all last season.

Niles Center Hawks Receive Basket Ball Trophies

By H. WOLTERS

At the First Evanston Sports association basketball banquet held at the Evanston Y. M. C. A. last Tuesday evening April 13, the members of the Niles Center Hawks basketball team received their trophies for winning the North Shore Basketball championship.

The members of the team were: Roland Kenning, Swen Wallin, Geo. Goldenstein, Lester Galitz, Russell McGinney, Ernest Van Cleve, Harold Wolters and Robert Pendleton.

Swen Wallin was also picked as a forward on the All-Star team, during the season. Roland Kenning was named as the man of most value to his team.

At the regular business meeting held last Monday, April 12, a new group of officers were elected. The new officers are: Roland Kenning, president; Ernest Van Cleve, vice president; Bernal Williamson, treasurer, and Harry Pavel, secretary.

The Hawks are getting ready for the on-coming baseball season and plan to show the baseball lovers of Niles Center more of the good baseball they were shown last year on the Oakton Park team.

Arlington Cardinals Shut Out By Waukegan

Ray Hayes' Arlington Heights high school baseball team suffered a 12-0 setback at the hands of a well-conditioned Waukegan high school nine at Waukegan last Saturday.

This was Arlington's first outdoor work of the year, which was mainly responsible for their eight errors in the field and their inability to garner more than two hits off the offerings of Waukegan's twirler, who was turning in his third full game of the spring.

Kehe, Bruhnke and Buesing shared the mound duties for the locals. Score:

Waukegan	123 005 10—	12 8 2
Arlington	000 000 00—	0 2 8

Battery (Arl.)—Kehe, Bruhnke, Buesing and Kopplin, Proebstle.

Bensenville Wins Frosh-Soph Meet From Arlington

Bensenville won the Frosh-Soph meet, for the second year in a row, 57⅓ to 54⅔. Their last year's margin was 67-53.

Three track records for the meet were broken, but no field events were touched. Bensenville's quartet set a new 440 yard relay mark of 52.5 sec. Katayama (Ben.) raced over the 100 yard low hurdles to a new record of 12.1 seconds. And Vance Folkman copped the 440 yard dash by a new record of 57.5 sec.

Mel Rohlwing of Arlington, was easily the class of the sprinters. Arlington scored a slam in the broad jump. Bensenville took the first two places in each of the low hurdles, high jump and javelin.

Sure Sign of Progress

One of the surest signs of progress in the world is the fact that the social conscience is seldom content with things as they are but always strives for better.

Arlington Noses Out Bensenville On Cinder Path

Bensenville's cinder artists came close to dumping Arlington in their annual dual meet. Usually Arlington wins by a large score, but this year they had a close call to win 62½ to 59½. Capt. Richards paced the winners with four victories in the 100, low and high hurdles, and broad jump.

Richards set a new record in the low hurdles and Davis broke his own mark in the high jump. Bensenville slammed the javelin and very nearly did so in the pole vault.

Arlington journeys to Crystal Lake for a dual with the Crystal Lake squad this Saturday.

Sharptail Grouse

Sharptail grouse are not to be confused with ruffed grouse, commonly called the "partridge" of the North. In flight, the sharptails are large buff or light-brown birds, with long, narrow, inconspicuously marked tails, while the ruffed grouse are dark gray or brown birds, with broad, fan-shaped tails marked with a conspicuous dark band near the margin. On the ground, the light-brown coloration, long narrow tails, and long necks of the sharp-tail at once distinguish them from the dark-colored fan-tailed, short-necked ruffed grouse.

Safetygrams

BY FRED W. BRAUN — The Safety Man

Many times in this column, have brought out the fact that courtesy is a very important item in the prevention of automobile accidents. Personally, I believe that through the practice of courtesy on the part of pedestrians and the automobile driver, 90 per cent of our accidents could be avoided.

The other day I saw an unbelievable thing! A truck driver stopped his truck at a busy downtown crossing to help an old lady across the street to safety. One reads about these things occasionally, but this was the first time I had personally had an opportunity to see it. The action of this driver not only built up good will towards the firm he represented, but he impressed me with the fact that courtesy will prevent accidents. Had he been careless, or had he taken seriously the fact that the "Go" sign was with him, this old lady might have been involved in an accident.

LIBERTYVILLE WINS TRACK MEET

Palatine opened the 1937 track season Tuesday when they lost a dual meet to Libertyville on the home track by a score of 84-43. It was a good showing for the Pirates as Libertyville always has one of the top teams in this region and has a chance to train indoors. Libertyville won 12 firsts, 6 seconds and 7 thirds. Palatine had 3 firsts, 8 seconds and 5 thirds.

Vlink and Jaeger each copped three firsts for 15 points. Five of these were in the field events. Kuhn with 11 points and O'Brien with 10 topped the Palatine scorers. Haemker's 5 feet 6 inches in the high jump and Koch's javelin throw of 144 feet 2 inches were fine marks, but only earned second places. O'Brien's time of 18.7 seconds in winning the high hurdles set a Palatine school record.

100 Yard Dash—Won by Patterson (L.); Kuhn (P.), 2nd; Vontesmar (L.), 3rd; time 10.5 sec.

220 Yard Dash—Won by Getchell (L.); Kuhn (P.), 2nd; Vava (L.), 3rd; time 25.5.

Bowling Notes

By HERB HAMMERL

Well folks, it's all over but the shouting and the payoff. Last Monday night wound up our regular season of bowling. We had a fairly good year, although we had fewer 180 average men this year than last. At least we all had a good time, and when you can get a bunch of good fellows together like we had on Monday night, that's what makes bowling a swell game.

Good old Vail Tavern went home with the bacon. They finished two games ahead of Krause Market. Vail Tavern took Blatz for three games without much trouble. Carl Huber got the only 600 series of the night. Vail Tavern will represent our league at the State Tournament next month.

On 3 and 4 Arlington Elevator won two games from Union and thereby finished in a tie with Park View for fourth place. But Park View gets the call over the Elevators by finishing with a larger average.

On 5 and 6 Krause Market won the odd game from Park View, and because they couldn't get first place, they have to be satisfied with the hand painted cement bag as second prize.

See you next season.

Semolina

Hard grains of wheat left in the bolting cloth when the fine flour has passed through its meshes are called semolina. It is also sometimes manufactured by millers. Certain hard, large-grained wheats growing in Southern Europe produce the best semolina, which is used for thickening soups, for macaroni, for a French bread, as an addition to Italian polenta and is employed in puddings.

BENSENVILLE EDGEWOOD OPEN SEASON SUNDAY

Probable Lineup

B. E.'s

C. Earhart, rf.
N. Bailey, V. Franzen, 2b.
T. Kouzmanoff, 3b.
F. Reher, 1b.
C. Bailey, ss.
E. Kabat, lf.
Blume, Knox, cf.
King, c.
Anderson, p.

The newly organized Bensenville-Edgewood baseball team will pry open the season Sunday afternoon, April 18, with a practice game against Roselle on the B. E.'s home diamond north of the C. M. St. P. & P. R. R. tracks, east of York road, the game to start at 2:45 p. m.

B. E. Prospects Good

August Engers, sponsor of the team, leaves the fate of his nine this season in the hands of his third baseman, Tommy Kouzmanoff.

Busy all winter, rounding up talent for a team that would withstand a stiff Tri-County League campaign, the two are confident their array of seasoned performers will finish high in the final standings. The team's aim is to give the Bensenville-Edgewood community its first Tri-County League championship.

B. E.'s At Melrose April 25

The B. E.'s are slated to open their Tri-County activities at Melrose Park, Sunday, April 25, against the Braves, a team that lost but two games all last season.

Niles Center Hawks Receive Basket Ball Trophies

By H. WOLTERS

At the First Evanston Sports association basketball banquet held at the Evanston Y. M. C. A. last Tuesday evening April 13, the members of the Niles Center Hawks basketball team received their trophies for winning the North Shore Basketball championship.

The members of the team were: Roland Kenning, Swen Wallin. Geo. Goldenstein, Lester Galitz, Russell McGinney, Ernest Van Cleve, Harold Wolters and Robert Pendleton.

Swen Wallin was also picked as a forward on the All-Star team, during the season. Roland Kenning was named as the man of most value to his team.

At the regular business meeting held last Monday, April 12, a new group of officers were elected. The new officers are: Roland Kenning, president; Ernest Van Cleve, vice president; Bernal Williamson, treasurer, and Harry Pavel, secretary.

The Hawks are getting ready for the on-coming baseball season and plan to show the baseball lovers of Niles Center more of the good baseball they were shown last year on the Oakton Park team.

Arlington Cardinals Shut Out By Waukegan

Ray Hayes' Arlington Heights high school baseball team suffered a 12-0 setback at the hands of a well-conditioned Waukegan high school nine at Waukegan last Saturday.

This was Arlington's first outdoor work of the year, which was mainly responsible for their eight errors in the field and their inability to garner more than two hits off the offerings of Waukegan's twirler, who was turning in his third full game of the spring.

Kehe, Bruhnke and Buesing shared the mound duties for the locals. Score:

Waukegan	123 005 10—12 8 2
Arlington	000 000 00— 0 2 8

Battery (Arl.)—Kehe, Bruhnke, Buesing and Kopplin, Proebstle.

Bensenville Wins Frosh-Soph Meet From Arlington

Bensenville won the Frosh-Soph meet, for the second year in a row, 57⅓ to 54⅔. Their last year's margin was 67-53.

Three track records for the meet were broken, but no field events were touched. Bensenville's quartet set a new 440 yard relay mark of 52.5 sec. Katayama (Ben.) raced over the 100 yard low hurdles to a new record of 12.1 seconds. And Vance Folkman copped the 440 yard dash by a new record of 57.5 sec.

Mel Rohlwing of Arlington, was easily the class of the sprinters. Arlington scored a slam in the broad jump. Bensenville took the first two places in each of the low hurdles, high jump and javelin.

Sure Sign of Progress

One of the surest signs of progress in the world is the fact that the social conscience is seldom content with things as they are but always strives for better.

Arlington Noses Out Bensenville On Cinder Path

Bensenville's cinder artists came close to dumping Arlington in their annual dual meet. Usually Arlington wins by a large score, but this year they had a close call to win 62½ to 59½. Capt. Richards paced the winners with four victories in the 100, low and high hurdles, and broad jump.

Richards set a new record in the low hurdles and Davis broke his own mark in the high jump. Bensenville slammed the javelin and very nearly did so in the pole vault.

Arlington journeys to Crystal Lake for a dual with the Crystal Lake squad this Saturday.

Sharptail Grouse

Sharptail grouse are not to be confused with ruffed grouse, commonly called the "partridge" of the North. In flight, the sharptails are large buff or light-brown birds, with long, narrow, inconspicuously marked tails, while the ruffed grouse are dark gray or brown birds, with broad, fan-shaped tails marked with a conspicuous dark band near the margin. On the ground, the light-brown coloration, long narrow tails, and long necks of the sharp-tail at once distinguish them from the dark-colored fan-tailed, short-necked ruffed grouse.

Safetygrams

BY FRED W. BRAUN — The Safety Man

Many times in this column, have brought out the fact that courtesy is a very important item in the prevention of automobile accidents. Personally, I believe that through the practice of courtesy on the part of pedestrians and the automobile driver, 90 per cent of our accidents could be avoided.

The other day I saw an unbelievable thing! A truck driver stopped his truck at a busy downtown crossing to help an old lady across the street to safety. One reads about these things occasionally, but this was the first time I had personally had an opportunity to see it. The action of this driver not only built up good will towards the firm he represented, but he impressed me with the fact that courtesy will prevent accidents. Had he been careless, or had he taken seriously the fact that the "Go" sign was with him, this old lady might have been involved in an accident.

MOUNT PROSPECT

Mrs. M. Jones attended a luncheon in Chicago on Wednesday given by Mrs. F. Petrine, a former resident of town.

Social activities have abated with spring house cleaning around the corner. Cleaning cobwebs is now a light occupation with gardening and golf a close second.

Found: One song book belonging to Adeline Busse. A young boy saw the notice in the paper and returned the wandering book.

Plans are steadily being made for a certain young lady's wedding which will probably take place on May 15 unless the date is changed. The singers are practicing and the gowns are being fitted. It is rumored that it is to be a candlelight wedding.

Lloyd Nanfield, Bob Zahn, and George Dresser are planning on going to visit Joe Bernhardt this week-end at the University of Illinois.

Many of the town's young set were present at the Boy Builders dance last Saturday night at Mohawk Country club. Mr. and Mrs. Luckner and Mr. and Mrs. Price were there representing the chaperones.

Theta Iota Gamma held their meeting at the home of Miss Jane Bigelow last Thursday night. The sorority meeting was broken up by a young man who got there just in time for refreshments.

The Senior play is on its way. Friday night is the big night for the cast will give it all it has got. The sale of tickets has progressed rapidly but some are still available. Come one, come all, plays given by the Senior class are always good.

At Valparaiso where a few of the town boys are going to college, an epidemic of scarlet fever is on the verge of breaking. Some of the boys in the school have been sent home and the others are hoping the school will close.

Spring is here. But the snow is blowing one minute and the next it is raining. This April weather is terrible; a person has to wear a heavy coat, carry an umbrella and wear golashes, because you never know what will happen next.

Wilbur Busse, son of Arthur Busse is in the Des Plaines hospital with an infected hand resulting from an injury sustained when he fell onto a circle saw, while cutting wood.

WOMAN'S CLUB COMMENDS MAYOR

The Board of the Mount Prospect Woman's club highly commends our Mayor on his action in having pin games and trade boards removed from the village. We are very much opposed to the children of Mount Prospect having access to games of chance or gambling devices of any kind and it comes as a surprise that we notice that these boards and machines have already been reinstated. It is high time that there was a village ordinance prohibiting this practice.

The T. N. T. club gave a party at the home of Miss Marjorie Jones last Friday night. Boys invited.

LOCAL TALENT IN GUITAR CONTEST

Several local people are to be represented in the First Annual Guitar Festival to be held in Park Ridge in the Masonic Temple on April 16, starting at 8:00 p. m. sharp. The Festival is being sponsored by guitar clubs from Du Page, Cook and Lake counties and will feature a contest to determine the best players from a field of more than sixty performers.

Competitors from Arlington Heights and Mt. Prospect are Vert Collignon, Norman Beese, Elmer Tonne, Norman Sternberg, Anton Drabek, Wilbert Engelking, Carl Schlomann, Arthur Nightingale, Bob Helfers, Jimmy Jirak, Buddy Gaare, Berma Bencic and others.

Contestants are divided into groups depending on their ability and experience and compete for first, second and third place ribbons awarded in each group. Planned to be annually, the Festival will stimulate interest in guitar music and playing ability.

Tickets are now on sale and may be procured from any member at a low price or they may be purchased at the door. Interested parties are advised to get their tickets early, because they are going fast and the best seats will soon be gone.

LEGION WILL GIVE PARTY FOR BOY SCOUTS APRIL 19

Mount Prospect Post No. 525, sponsors of the Scout troop and Cub Pack, will hold a party for the boys at the public school on Monday, April 19, the posts regular meeting night. Plans will be made that night for the entry of the Drum and Bugle Corps in the youth convention parade which is an annual affair of the 9th District of the American Legion. The troop won first prize last year and has high hopes of duplicating in this year's contest.

The Legion will serve refreshments and show movies for the Scouts.

All Legion members are requested to be present at 8 o'clock sharp as a dress rehearsal is to be given by the Drum Corps who are anxious to show how much they have advanced musically in the past year.

Be Sure To Vote Tuesday

Polls Open From 6 A. M. To 5 P. M.

Next Tuesday, April 20, is the day Mount Prospect, and many other villages elect to office the body of men which shall govern the Village affairs during the next four years. Starting with this year, Village elections will be held only every other year, instead of annually, and the village president and clerk is elected for four years each.

In our Village this election we have a harmony ticket known as the Harmony Party to which there is no opposition as far as the records of the Village Clerk show, except for the office of Police Magistrate. This ticket is headed by I. E. Besander, candidate for president. He is 44 years old and resides with his family at 123 S. Albert street, where he owns his own home. He is the father of three children and has been engaged in the real estate business in Mt. Prospect for the past 12 years. For the past 6 years he has been engaged as a real estate broker with office on the Northwest Highway, opposite the Depot.

Mr. Besander is a member of the Lions Club, the V. F. W. Post, American Legion Post and the Masonic club.

Five Trustees for Re-election

As candidates for trustees there is Herman Haas, Sr., Stephen Harrington, Elmer Greinke, Edward Haberkamp and Charles Hennix, Jr., all of whom are now serving on the Board, and Elmer Wille, who is a new candidate for the office of trustee. Elmer Wille is 36 years of age, has three children and resides with his family in his own home at 1 S. Maple street. He has lived here all his life and is associated with the Wille Lumber and Coal Co.

Edwin L. Busse, who has served for several years as Village Clerk, is running for re-election to that office on the Harmony Party ticket.

Edward J. Ahmer, candidate for Police Magistrate is 29 years old and resides with his wife and one child in his own home at 15 S. Albert street. He has lived in Mt. Prospect for 6 years and for many years has been employed as Chancery Recorder for the Chicago Title & Trust Co.

The office of Police Magistrate is the only office for which the Harmony Party has opposition. Rudolph Kruse, proprietor of Kruse's News Agency, is running for Police Magistrate on an independent ticket. He also has been a resident of Mt. Prospect for many years.

Everyone Should Vote

While no organized opposition to the Harmony Party has evidenced itself by filing with the Village Clerk as required by law if the names of candidates are to be printed on the ballot, this does not mean there cannot be an upset. Such a thing is a bare improbability, but if the regular party receives only a few votes, the possibility of a successful dark horse campaign is considerably enhanced and it behooves every voter, therefore, to get out and vote next Tuesday.

Many voters think that because there is no opposition it is not necessary to vote. Theoretically that is correct, but it is not a practical frame of mind nor is it of any credit to a voter that he failed to cast his vote simply because there is no open opposition. In the event of an up-set—improbable as it seems—the person failing to vote would certainly have no kick coming afterward.

There is another reason for voting next Tuesday. The candidates for office are entitled to a vote of confidence from the people of the community. The remuneration of these electoral votes is certainly nothing to work for and it seems, therefore, that the least we can do to show the candidates we appreciate the time and effort they spend in steering the "Ship of State" is to get out and vote on election day.

Prominent Home Economist Coming To Mt. Prospect

It was announced today that Adelaide Fellows, naturally known home economist, will conduct the New American Cooking School to be sponsored by the St. Paul's Ladies' Aid Wednesday, April 21, in the school hall.

Mrs. Fellows, who is considered one of the most experienced and interesting of home economists, has just completed her work on a new 1937 colored General Electric Recipe Book. She will discuss various food preparations to be found in this book and the interesting and simple methods by which food can be garnished to appear appetizing as well as taste appetizing. The art of garnishing has long been a desire of many housewives, because it is a well known fact that the appearance of a meal on the table is one of the most important factors of its successful preparation.

Last year Mrs. Fellows was responsible for the success of the International Cooking School in Chicago (which was attended by over 50,000 women.)

After rounding out her knowledge of expert cookery as a dietitian in a large tearoom in Chicago, she made a three year tour of the country giving lectures and conducting schools as she went. Mrs. Fellows is responsible for and personally directed the writing and designing of recipe books for some of the outstanding food companies.

Mrs. Fellows will feature in her school innumerable new and clever recipes and many simple methods and short cuts for food preparation. Featured, of course, in the school will be the new electric ranges which have simplified and economized all cooking problems today.

Mrs. Fellows will also discuss various steps pertaining to food marketing, budget planning, food preparation, use of left-overs, kitchen arrangements, etc.

SOFT BALL PLAYERS MEET APRIL 21

A special softball meeting has been called to discuss plans for this year, and we urge that all players make a special effort to attend this meeting.

It is to be held in the public school basement Wednesday, April 21 at 8:00 p. m. Come prepared to make helpful suggestions and criticisms so that our league will be better this year than it has been in the past. There are many problems and questions in connection with a league of this sort, and its success depends entirely on each and every one that participates—including the wonderful support we received last year from the loyal spectators.

Lions Dance And Party Sat. Night

Big Time Planned; Everyone Invited

Next Saturday night is the Lions night to roar and in order that the jungles of Mount Prospect might echo and re-echo with their roar, the Lions hope to see all the other inhabitants of the "jungle" present to add their various hoots, calls and antics to the celebration.

All of this means that the Lions Annual Spring Dance and party is to be held at the Northwest Hills club house next Saturday evening, April 17, with entry at 9:00 p. m. In the past the dances of the Lions club have met with great success, attracting a large attendance each time and it is anticipated that the coming event will not fall short.

While friends come from long distances to attend these enjoyable dances and join in the party spirit always present at these affairs, the attendance is usually largely made up of local residents. Everyone able to still "shake a hoof" or with a yen to be in a merry neighborly crowd, turns out and let it be made known to the new residents in town that if they want to meet a great number of their neighbors at one time and place and become quickly acquainted, this dance and party next Saturday night is the place.

The Lions club has again obtained Joe Elrich and his band, those entertaining rhythm kings of radio fame and from all advance predictions, a big night is in the offing.

Tickets may be obtained from any Lion, or may be purchased at the door.

American Legion Auxiliary Notes

Mrs. C. Verret was hostess to the American Legion Auxiliary, on Monday evening, April 12.

On Thursday, April 22, the 9th District Fidac chairman, Mrs. Marie Bailey, will conduct a tour through a Greek neighborhood, where a famous cafe, a Greek church and other points of interest will be visited. Luncheon is at 12:30, tour at 2 p. m. Anyone interested in attending may drop Mrs. Bailey a line.

The annual Ninth District dance at North Chicago hospital, will be held on Thursday, Apral 29, at 7:30 p. m. 75 auxiliary ladies are needed to help entertain. Each unit in 9th District has donated two pounds of cookies, for refreshments.

Mrs. Verret made a trip to Hines hospital Wednesday, and while there called on Mr. Krueger, a former Mt. Prospect resident, who is confined there. There is always a need at the Veteran's hospital for men's clothing—anything useable—pencils, cards, shaving cream, writing paper, etc., and donations of same are always welcome by the unit. A call to Mrs. Keats or Mrs. Verret, will bring someone to pick up same.

Mrs. Bailey told of the Americanism program put on at the public school last Friday, also gave a report of the last Cook county council meeting.

Several ladies attended the meeting of the Des Plaines auxiliary on Tuesday evening and heard the two winners of the oratorical contest held at Maine high and sponsored by the Park Ridge and Des Plaines auxiliaries.

After the regular business Mrs. Budlong sang "An Old Irish Melody" and Mrs. Florence Detweiler, Child Welfare chairman for this area of the Department of Illinois, spoke on Child Welfare. Her talk was enjoyed by all.

Cards were played and refreshments were served by the hostess, Mrs. Verret.

Any mother, wife, sister or daughter of a Legionnaire is eligible to membership in the American Legion Auxiliary.

MOTHER'S AND DAUGHTER'S BANQUET

Plans for the Mothers' and Daughters' banquet to be held May 4, are materializing rapidly and every mother and mother's daughter should plan to attend this dinner and entertainment.

It is being given by the Ladies' Aid of St. Paul's church and will be held in the Lutheran school auditorium.

SCHOOL BOARD UNCHANGED

In an overwhelming vote in the School Board election last Saturday—67 votes were cast from 2 p. m. to 8 p. m.—Ray Salzman was re-elected President, and H. W. Carlson and Louis Hollembaek were re-elected as trustees.

Inasmuch as these candidates are now serving on the School Board, there will be no change in the Board.

"The Emerald Way"

There are lots of homes in Arlington Heights during the spring home cleaning the "Emerald Way" this year. And there are lots of others who will like to know about it. The "Emerald Way" is the modern way to clean drapes, blankets, rugs, etc. It is a careful, thorough and ultra-sanitary cleaning service. The work is done even better than you can do it at home, because of special equipment.
The "Emerald Way" is the BEST way, the most ECONOMICAL way and the QUICKEST way.

MOUNT PROSPECT

Mrs. M. Jones attended a luncheon in Chicago on Wednesday given by Mrs. F. Petrine, a former resident of town.

Social activities have abated with spring house cleaning around the corner. Cleaning cobwebs is now a light occupation with gardening and golf a close second.

Found: One song book belonging to Adeline Busse. A young boy saw the notice in the paper and returned the wandering book.

Plans are steadily being made for a certain young lady's wedding which will probably take place on May 15 unless the date is changed. The singers are practicing and the gowns are being fitted. It is rumored that it is to be a candlelight wedding.

Lloyd Nanfield, Bob Zahn, and George Dresser are planning on going to visit Joe Bernhardt this week-end at the University of Illinois.

Many of the town's young set were present at the Boy Builders dance last Saturday night at Mohawk Country club. Mr. and Mrs. Luckner and Mr. and Mrs. Price were there representing the chaperones.

Theta Iota Gamma held their meeting at the home of Miss Jane Bigelow last Thursday night. The sorority meeting was broken up by a young man who got there just in time for refreshments.

The Senior play is on its way. Friday night is the big night for the cast will give it all it has got. The sale of tickets has progressed rapidly but some are still available. Come one, come all, plays given by the Senior class are always good.

At Valparaiso where a few of the town boys are going to college, an epidemic of scarlet fever is on the verge of breaking. Some of the boys in the school have been sent home and the others are hoping the school will close.

Spring is here. But the snow is blowing one minute and the next it is raining. This April weather is terrible; a person has to wear a heavy coat, carry an umbrella and wear golashes, because you never know what will happen next.

Wilbur Busse, son of Arthur Busse is in the Des Plaines hospital with an infected hand resulting from an injury sustained when he fell onto a circle saw, while cutting wood.

WOMAN'S CLUB COMMENDS MAYOR

The Board of the Mount Prospect Woman's club highly commends our Mayor on his action in having pin games and trade boards removed from the village. We are very much opposed to the children of Mount Prospect having access to games of chance or gambling devices of any kind and it comes as a surprise that we notice that these boards and machines have already been reinstated. It is high time that there was a village ordinance prohibiting this practice.

Signed
(Mrs. L. G.) Corinne Johnson

Don't forget the Lions dance Saturday night.

The Fortnightly club met last Wednesday at the home of Mrs. Gauls, who used to reside here.

The T. N. T. club gave a party at the home of Miss Marjorie Jones last Friday night. Boys invited.

LOCAL TALENT IN GUITAR CONTEST

Several local people are to be represented in the First Annual Guitar Festival to be held in Park Ridge in the Masonic Temple on April 16, starting at 8:00 p. m. sharp. The Festival is being sponsored by guitar clubs from Du Page, Cook and Lake counties and will feature a contest to determine the best players from a field of more than sixty performers.

Competitors from Arlington Heights and Mt. Prospect are Vert Collignon, Norman Beese, Elmer Tonne, Norman Sternberg, Anton Drabek, Wilbert Engelking, Carl Schlomann, Arthur Nightingale, Bob Helfers, Jimmy Jirak, Buddy Gaare, Berma Bencic and others.

Contestants are divided into groups depending on their ability and experience and compete for first, second and third place ribbons awarded in each group. Planned to be annually, the Festival will stimulate interest in guitar music and playing ability.

Tickets are now on sale and may be procured from any member at a low price or they may be purchased at the door. Interested parties are advised to get their tickets early, because they are going fast and the best seats will soon be gone.

LEGION WILL GIVE PARTY FOR BOY SCOUTS APRIL 19

Mount Prospect Post No. 525, sponsors of the Scout troop and Cub Pack, will hold a party for the boys at the public school on Monday, April 19, the posts regular meeting night. Plans will be made that night for the entry of the Drum and Bugle Corps in the youth convention parade which is an annual affair of the 9th District of the American Legion. The troop won first prize last year and has high hopes of duplicating in this year's contest.

The Legion will serve refreshments and show movies for the Scouts.

All Legion members are requested to be present at 8 o'clock sharp as a dress rehearsal is to be given by the Drum Corps who are anxious to show how much they have advanced musically in the past year.

Be Sure To Vote Tuesday

Polls Open From 6 A. M. To 5 P. M.

Next Tuesday, April 20, is the day Mount Prospect, and many other villages elect to office the body of men which shall govern the Village affairs during the next four years. Starting with this year, Village elections will be held only every other year, instead of annually, and the village president and clerk is elected for four years each.

In our Village this election we have a harmony ticket known as the Harmony Party to which there is no opposition as far as the records of the Village Clerk show, except for the office of Police Magistrate. This ticket is headed by I. E. Besander, candidate for president. He is 44 years old and resides with his family at 123 S. Albert street, where he owns his own home. He is the father of three children and has been engaged in the real estate business in Mt. Prospect for the past 12 years. For the past 6 years he has been engaged as a real estate broker with office on the Northwest Highway, opposite the Depot.

Mr. Besander is a member of the Lions Club, the V. F. W. Post, American Legion Post and the Masonic club.

Five Trustees for Re-election

As candidates for trustees there is Herman Haas, Sr., Stephen Harrington, Elmer Greinke, Edward Haberkamp and Charles Hennix, Jr., all of whom are now serving on the Board, and Elmer Wille, who is a new candidate for the office of trustee. Elmer Wille is 36 years of age, has three children and resides with his family in his own home at 1 S. Maple street. He has lived here all his life and is associated with the Wille Lumber and Coal Co.

Edwin L. Busse, who has served for several years as Village Clerk, is running for re-election to that office on the Harmony Party ticket.

Edward J. Ahmer, candidate for Police Magistrate is 29 years old and resides with his wife and one child in his own home at 15 S. Albert street. He has lived in Mt. Prospect for 6 years and for many years has been employed as Chancery Recorder for the Chicago Title & Trust Co.

The office of Police Magistrate is the only office for which the Harmony Party has opposition. Rudolph Kruse, proprietor of Kruse's News Agency, is running for Police Magistrate on an independent ticket. He also has been a resident of Mt. Prospect for many years.

Everyone Should Vote

While no organized opposition to the Harmony Party has evidenced itself by filing with the Village Clerk as required by law if the names of candidates are to be printed on the ballot, this does not mean there cannot be an upset. Such a thing is a bare improbability, but if the regular party receives only a few votes, the possibility of a successful dark horse campaign is considerably enhanced and it behooves every voter, therefore, to get out and vote next Tuesday.

Many voters think that because there is no opposition it is not necessary to vote. Theoretically that is correct, but it is not a practical frame of mind nor is it of any credit to a voter that he failed to cast his vote simply because there is no open opposition. In the event of an up-set—improbable as it seems—the person failing to vote would certainly have no kick coming afterward.

There is another reason for voting next Tuesday. The candidates for office are entitled to a vote of confidence from the people of the community. The remuneration of these electoral votes is certainly nothing to work for and it seems, therefore, that the least we can do to show the candidates we appreciate the time and effort they spend in steering the "Ship of State" is to get out and vote on election day.

Prominent Home Economist Coming To Mt. Prospect

It was announced today that Adelaide Fellows, naturally known home economist, will conduct the New American Cooking School to be sponsored by the St. Paul's Ladies' Aid Wednesday, April 21, in the school hall.

Mrs. Fellows, who is considered one of the most experienced and interesting of home economists, has just completed her work on a new 1937 colored General Electric Recipe Book. She will discuss various food preparations to be found in this book and the interesting and simple methods by which food can be garnished to appear appetizing as well as taste appetizing. The art of garnishing has long been a desire of many housewives, because it is a well known fact that the appearance of a meal on the table is one of the most important factors of its successful preparation.

Last year Mrs. Fellows was responsible for the success of the International Cooking School in Chicago (which was attended by over 50 000 women.)

After rounding out her knowledge of expert cookery as a dietitian in a large tearoom in Chicago, she made a three year tour of the country giving lectures and conducting schools as she went. Mrs. Fellows is responsible for and personally directed the writing and designing of recipe books for some of the outstanding food companies.

Mrs. Fellows will feature in her school innumerable new and clever recipes and many simple methods and short cuts for food preparation. Featured, of course, in the school will be the new electric ranges which have simplified and economized all cooking problems today.

Mrs. Fellows will also discuss various steps pertaining to food marketing, budget planning, food preparation, use of left-overs, kitchen arrangements, etc.

SOFT BALL PLAYERS MEET APRIL 21

A special softball meeting has been called to discuss plans for this year, and we urge that all players make a special effort to attend this meeting.

It is to be held in the public school basement Wednesday, April 21 at 8:00 p. m. Come prepared to make helpful suggestions and criticisms so that our league will be better this year than it has been in the past. There are many problems and questions in connection with a league of this sort, and its success depends entirely on each and every one that participates—including the wonderful support we received last year from the loyal spectators.

Lions Dance And Party Sat. Night

Big Time Planned; Everyone Invited

Next Saturday night is the Lions night to roar and in order that the jungles of Mount Prospect might echo and re-echo with their roar, the Lions hope to see all the other inhabitants of the "jungle" present to add their various hoots, calls and antics to the celebration.

All of this means that the Lions Annual Spring Dance and party is to be held at the Northwest Hills club house next Saturday evening, April 17, with entry at 9:00 p. m. In the past the dances of the Lions club have met with great success, attracting a large attendance each time and it is anticipated that the coming event will not fall short.

While friends come from long distances to attend these enjoyable dances and join in the party spirit always present at these affairs, the attendance is usually largely made up of local residents. Everyone able to still "shake a hoof" or with a yen to be in a merry neighborly crowd, turns out and let it be made known to the new residents in town that if they want to meet a great number of their neighbors at one time and place and become quickly acquainted, this dance and party next Saturday night is the place.

The Lions club has again obtained Joe Elrich and his band, those entertaining rhythm kings of radio fame and from all advance predictions, a big night is in the offing.

Tickets may be obtained from any Lion, or may be purchased at the door.

American Legion Auxiliary Notes

Mrs. C. Verret was hostess to the American Legion Auxiliary, on Monday evening, April 12.

On Thursday, April 22, the 9th District Fidac chairman, Mrs. Marie Bailey, will conduct a tour through a Greek neighborhood, where a famous cafe, a Greek church and other points of interest will be visited. Luncheon is at 12:30, tour at 2 p. m. Anyone interested in attending may drop Mrs. Bailey a line.

The annual Ninth District dance at North Chicago hospital, will be held on Thursday, Apral 29, at 7:30 p. m. 75 auxiliary ladies are needed to help entertain. Each unit in 9th District has donated two pounds of cookies, for refreshments.

Mrs. Verret made a trip to Hines hospital Wednesday, and while there called on Mr. Krueger, a former Mt. Prospect resident, who is confined there. There is always a need at the Veteran's hospital for men's clothing—anything useable—pencils, cards, shaving cream, writing paper, etc., and donations of same are always welcome by the unit. A call to Mrs. Keats or Mrs. Verret, will bring someone to pick up same.

Mrs. Bailey told of the Americanism program put on at the public school last Friday, also gave a report of the last Cook county council meeting.

Several ladies attended the meeting of the Des Plaines auxiliary on Tuesday evening and heard the two winners of the oratorical contest held at Maine high and sponsored by the Park Ridge and Des Plaines auxiliaries.

After the regular business Mrs. Budlong sang "An Old Irish Melody" and Mrs. Florence Detweiler, Child Welfare chairman for this area of the Department of Illinois, spoke on Child Welfare. Her talk was enjoyed by all.

Cards were played and refreshments were served by the hostess, Mrs. Verret.

Any mother, wife, sister or daughter of a Legionnaire is eligible to membership in the American Legion Auxiliary.

MOTHER'S AND DAUGHTER'S BANQUET

Plans for the Mothers' and Daughters' banquet to be held May 4, are materializing rapidly and every mother and mother's daughter should plan to attend this dinner and entertainment.

It is being given by the Ladies' Aid of St. Paul's church and will be held in the Lutheran school auditorium.

SCHOOL BOARD UNCHANGED

In an overwhelming vote in the School Board election last Saturday—67 votes were cast from 2 p. m. to 8 p. m.—Ray Salzman was re-elected President, and H. W. Carlson and Louis Hollembaek were re-elected as trustees.

Inasmuch as these candidates are now serving on the School Board, there will be no change in the Board.

Papers Of The Long Ago

Talk about old time papers, we have a couple on our desk this week that bring back the memories of the days of long ago. One of them is a copy of the Palatine Independent of May 20, 1893.

F. J. Filbert appears as the local editor. The paper carries much national and general news and locals from several neighboring communities. The ads of R. M. Putnam dentist, and A. S. Alms, druggist, show the occupations of some of Palatine's best known former old timers.

Some of the other Palatine news in that old paper of 1893, is as follows:

Church and Society Notices

Methodist Episcopal church, Rev. W. H. Smith, pastor, C. W. Farr, superintendent, A. Spaulding, assistant superintendent of Sunday schools. Services every Sunday at 11 a. m. and 7 p. m. Sabbath school at 10 a. m. Prayer meeting on Wednesday evening. Epworth League meeting Sunday evening at 6. Everybody welcome.

St. Paul's Evangelical church, Rev. Ozoz Cargo, pastor. Services every Sunday morning at 10. Sunday school at 9.

Evangelical Lutheran Immanuel church, Rev. Adolf Plotenhauer, pastor. Services every Sunday morning at 10 o'clock.

Palatine Lodge No. 314 A. F. & A. M. meets the first and third Saturdays of each month. Visitors always welcome. C. D. Taylor, W. M., F. J. Filbert, Secy.

Palatine Lodge No. 708 I. O. O. F. meets every Wednesday. Visiting brothers, cordially invited. E. F. Baker, N. G., H. L. Merrill, secretary.

John A. Logan Lodge No. 152 I. O. M. A. meet in Odd Fellow's hall on second and fourth Saturday of each month. Members of the Order always welcome. M. L. Staples, president; C. E. Julian, secretary.

Perserverence Lodge No. 41 I. O. G. T. meets in Odd Fellows hall on the first and third Tuesday of each month. Miss Lena Anderman, O. T., Miss V. A. Lambert, Secy., E. F. Baker Lodge deputy.

Palatine Locals

Mrs. Stroker is making very extensive improvements on her residence.

One of the laborers employed on the railroad broke his leg last week by accidentally falling from a hand car. He was taken to Chicago.

Prof. O. T. Bright, county superintendent of schools, visited the school last week.

Mr. Geo. Kuebler, who for many years has occupied quarters in the Masonic building, on Tuesday last, removed his tonsorial parlors to the new building erected by him on Slade street, just south of Schoppe & Fink's store.

The number of owners of bicycles in our town we notice, has lately been considerably increased. It seems that Palatine has now a sufficient number of cyclists to warrant the formation of a cycling club and thus add a new impetus to this healthful and entertaining sport in our Village.

The C. & N. W. Ry Co., have commenced building new crosswalks over their right of way and tracks, an improvement which has been very much needed.

Barrington Locals

Miss Edna Baldwin of Palatine attended the Chautauqua meeting last Monday evening.

Mr. J. C. Plagge has plans made for a two story brick building. The first floor will be used for a general store and a bank. The plans have already been presented to the contractors for figures.

Mr. Highland Hawley, who has been quite sick during the past few weeks, is now able to be out.

Mr. and Mrs. A. Johnson of Nunda were guests of Mr. and Mrs. L. D. Castle last Sunday.

A pleasant time is reported by those who were present at the strawberry and ice cream social last week.

And now along comes George Klehm, that irrepressible old timer of Arlington Heights, with a copy of the Cook County Herald of October 16, 1914 in his hand.

The whole back page of that paper is devoted to the celebration of the 20th anniversary of the Arlington Heights Fire Department. There is a picture of the fire fighters looking natural enough even now if you just add the ravages of the intervening years and the increased weight which the boys have picked up.

There are also pictures of the old and the new fire houses and a complete roster of the department. Another feature is a list of fires which the department had answered in its 20 years of service. There were 45 fires on that list. Not a large number of fires over a 20 year period. Probably one reason that George Klehm dug up that old issue was to prove his contention that a bad fire never did happen in Arlington Heights and according to Alderman Klehm's assertion never will.

That old issue would be interesting reading to the fire fighters and we imagine more than one of the old timers has a copy of that issue stored away some place.

In fact we think that George saved that paper just because of that fire dope for the sheets were still uncut so the inside of the paper hadn't been looked at much.

We had to cut the sheets in order to see the inside of the paper without its falling all to pieces.

Another feature of that paper was a big ad inviting the public to a big meeting to participate in the organization of a Cook County fair. Good speakers were to address the meeting, there was to be music and, oh, well, you know how we used to greet all those new promotions. We are just wondering what will be the next great civic enterprise we'll get all het up about. It's been a long time now since we've gone through "One of them things," we should be about due for some sort of an outbreak.

Hardships for Cabinwives

Because of the severe hardships the pioneer Ohio cabinwife had to undergo, it was a common remark in those days that "it sometimes took three wives to last out one husband."

Greatest Tea Drinkers

About 53 per cent of the world's annual supply of tea is drunk in Great Britain. The entire British empire drinks about 80 per cent of the world supply.

See Sights Of Chinatown

Palatine High School Group Makes Interesting Journey to Ghetto, Little Poland and Police Station

On Saturday, April 3 at 1:15, 34 people piled into a Chicago Motor Coach bus and started merrily on their way for the trip through Chinatown, Little Poland, and Little Russia, sponsored by the Epworth League of the M. E. church. Four other people followed in cars so the total number, young and old alike, who took the trip, was 38.

After a 40 minute ride along the north shore and outer drive, they found themselves winding in and out of puzzling and strange streets. Finally they arrived at their first destination — Chinatown. There their guide, Mr. Jaenickin, took them into the Chinese church and introduced them to Mr. Wong, a brilliant Chinese guide. Mr. Wong explained to them the church's work there. He said that out of the 6,000 Chinese in Chicago, only 400 come to this only Chinese Christian church in the city.

Their Sunday school was quite well attended and boasted 20 teachers. They have their classes on Sunday afternoon instead of the usual morning custom, also, he explained, all through the week different types of classes meet, for instance, the boys had one class a week for manual arts, then another class was a "better English" class and at that moment downstairs in the church, there were about 10 girls taking sewing lessons.

After this 20 minute lecture, he conducted the group to the Chinese Merchandise Mart, a block away. There he showed them the commerce room where the business men had their meetings. One interesting feature of this room was the furnishings. In particular he showed them an old teakwood table inlaid with pearls on which set a lamp, 3,000 years old and two vases, 800 years old.

The next room was the place where the Chinese worshipped their ancestors and this was a very beautiful scene, for it was typical of any Chinese temple. Here Mr. Wong explained the incense and oil burning on the altar and told many of the superstitions and beliefs of this 4,000 year old race.

The next room was the Chinese court room and Mr. Wong explained that only civil cases were settled here. At this point he also cleared up many thoughts regarding "tong wars," "daggers," "murky doorways," etc., and proved that many of these tales were just detective book stories.

The last thing visited in the Chinese Merchandise Mart building was the schoolroom. Here the group found about 20 girls learning folk dancing from two W. P. A. teachers. In the schoolroom Mr. Wong showed the people how to write and talk in Chinese and explained just why the Chinese write backwards and use other such peculiar customs.

Mr. Wong then left the sightseers and Mr. Jaenickin led them to a large department store where many bought souvenirs.

Then they got in the bus once more and after a 30 minute ride arrived in Little Poland. Here they witnessed two Polish weddings and met the very kind father. He showed them the confessional booth and the baptismal font and took them through his home where he has two beautiful chapels—one in memory of St. Theresa called the "Chapel of the Roses" and another called the "chapel of jewels" which contained many priceless gems.

By this time the crowd was hungry so the bus carried them to Little Russia where they consumed a genuine Russian meal which the majority enjoyed.

Then, just as dusk was falling, they entered a Russian Cathedral and here witessed the most impressive sight of the tour.

The cathedral was gorgeously decorated and was lighted entirely by candles. The Russian pastor explained a few interesting things before the service began. He said that no woman had ever placed foot upon the altar.

Another interesting thing was that the congregation stood during the entire service. There were no pews in this church. The service was in the Russian language and much of it was sung by six male acappella voices.

It was impossible for the group to stay for the complete service, so they left to go to a Polish museum.

Here they viewed many old books, statues, letters, and autographs of famous Polish men and women, who are well known in America such as Paderewski and others.

The next stop was Maxwell street and it certainly was a treat for many, although most of the stalls were closed, the company got a good idea of what it was all about and was amused to see the fish stores next to fur coat shops and live fowl stalls next to shoe shops.

While on Maxwell street, Mr. Jaenickin took the group to the 22nd District Police Station and here the boys of the party got quite a thrill.

The teletype machine was explained and the finger printing process was demonstrated. The Lieutenant at the station showed them the cells and kitchen and told an interesting story of how he captured two 17 year old killers and warned the young people to stay on the right road.

After giving the girls a thrill by locking them in the "paddy" wagon, Mr. Jaenickin led the group back to the bus and at 10 o'clock all turned their faces homeward eager to tell their friends of their interesting trip and anxious to get out of the drizzling rain which had not dampened their spirits one bit.

Papers Of The Long Ago

Talk about old time papers, we have a couple on our desk this week that bring back the memories of the days of long ago. One of them is a copy of the Palatine Independent of May 20, 1893.

F. J. Filbert appears as the local editor. The paper carries much national and general news and locals from several neighboring communities. The ads of R. M. Putnam dentist, and A. S. Alms, druggist, show the occupations of some of Palatine's best known former old timers.

Some of the other Palatine news in that old paper of 1893, is as follows:

Church and Society Notices

Methodist Episcopal church, Rev. W. H. Smith, pastor, C. W. Farr, superintendent, A. Spaulding, assistant superintendent of Sunday schools. Services every Sunday at 11 a. m. and 7 p. m. Sabbath school at 10 a. m. Prayer meeting on Wednesday evening. Epworth League meeting Sunday evening at 6. Everybody welcome.

St. Paul's Evangelical church, Rev. Ozoz Cargo, pastor. Services every Sunday morning at 10. Sunday school at 9.

Evangelical Lutheran Immanuel church, Rev. Adolf Plotenhauer, pastor. Services every Sunday morning at 10 o'clock.

Palatine Lodge No. 314 A. F. & A. M. meets the first and third Saturdays of each month. Visitors always welcome. C. D. Taylor, W. M., F. J. Filbert, Secy.

Palatine Lodge No. 708 I. O. O. F. meets every Wednesday. Visiting brothers, cordially invited. E. F. Baker, N. G., H. L. Merrill, secretary.

John A. Logan Lodge No. 152 I. O. M. A. meet in Odd Fellow's hall on second and fourth Saturday of each month. Members of the Order always welcome. M. L. Staples, president; C. E. Julian, secretary.

Perserverence Lodge No. 41 I. O. G. T. meets in Odd Fellows hall on the first and third Tuesday of each month. Miss Lena Anderman, O. T., Miss V. A. Lambert, Secy., E. F. Baker Lodge deputy.

Palatine Locals

Mrs. Stroker is making very extensive improvements on her residence.

One of the laborers employed on the railroad broke his leg last week by accidentally falling from a hand car. He was taken to Chicago.

Prof. O. T. Bright, county superintendent of schools, visited the school last week.

Mr. Geo. Kuebler, who for many years has occupied quarters in the Masonic building, on Tuesday last, removed his tonsorial parlors to the new building erected by him on Slade street, just south of Schoppe & Fink's store.

The number of owners of bicycles in our town we notice, has lately been considerably increased. It seems that Palatine has now a sufficient number of cyclists to warrant the formation of a cycling club and thus add a new impetus to this healthful and entertaining sport in our Village.

The C. & N. W. Ry Co., have commenced building new crossalks over their right of way and racks, an improvement which has been very much needed.

Barrington Locals

Miss Edna Baldwin of Palatine attended the Chautauqua meeting last Monday evening.

Mr. J. C. Plagge has plans made for a two story brick building. The first floor will be used for a general store and a bank. The plans have already been presented to the contractors for figures.

Mr. Highland Hawley, who has been quite sick during the past few weeks, is now able to be out.

Mr. and Mrs. A. Johnson of Nunda were guests of Mr. and Mrs. L. D. Castle last Sunday.

A pleasant time is reported by those who were present at the strawberry and ice cream social last week.

And now along comes George Klehm, that irrepressible old timer of Arlington Heights, with a copy of the Cook County Herald of October 16, 1914 in his hand.

The whole back page of that paper is devoted to the celebration of the 20th anniversary of the Arlington Heights Fire Department. There is a picture of the fire figaters looking natural enough even now if you just add the ravages of the intervening years and the increased weight which the boys have picked up.

There are also pictures of the old and the new fire houses and a complete roster of the department. Another feature is a list of fires which the department had answered in its 20 years of service. There were 45 fires on that list. Not a large number of fires over a 20 year period. Probably one reason that George Klehm dug up that old issue was to prove his contention that a bad fire never did happen in Arlington Heights and according to Alderman Klehm's assertion never will.

That old issue would be interesting reading to the fire fighters and we imagine more than one of the old timers has a copy of that issue stored away some place.

In fact we think that George saved that paper just because of that fire dope for the sheets were still uncut so the inside of the paper hadn't been looked at much.

We had to cut the sheets in order to see the inside of the paper without its falling all to pieces.

Another feature of that paper was a big ad inviting the public to a big meeting to participate in the organization of a Cook County fair. Good speakers were to address the meeting, there was to be music and, oh, well, you know how we used to greet all those new promotions. We are just wondering what will be the next great civic enterprise we'll get all het up about. It's been a long time now since we've gone through "One of them things," we should be about due for some sort of an outbreak.

Hardships for Cabinwives

Because of the severe hardships the pioneer Ohio cabinwife had to undergo, it was a common remark in those days that "it sometimes took three wives to last out one husband."

Greatest Tea Drinkers

About 53 per cent of the world's annual supply of tea is drunk in Great Britain. The entire British empire drinks about 80 per cent of the world supply.

Palatine High School Group Makes Interesting Journey to Ghetto, Little Poland and Police Station

On Saturday, April 3 at 1:15, 34 people piled into a Chicago Motor Coach bus and started merrily on their way for the trip through Chinatown, Little Poland, and Little Russia, sponsored by the Epworth League of the M. E. church. Four other people followed in cars so the total number, young and old alike, who took the trip, was 38.

After a 40 minute ride along the north shore and outer drive, they found themselves winding in and out of puzzling and strange streets. Finally they arrived at their first destination — Chinatown. There their guide, Mr. Jaenickin, took them into the Chinese church and introduced them to Mr. Wong, a brilliant Chinese guide. Mr. Wong explained to them the church's work there. He said that out of the 6,000 Chinese in Chicago, only 400 come to this only Chinese Christian church in the city.

Their Sunday school was quite well attended and boasted 20 teachers. They have their classes on Sunday afternoon instead of the usual morning custom, also, he explained, all through the week different types of classes meet, for instance, the boys had one class a week for manual arts, then another class was a "better English" class and at that moment downstairs in the church, there were about 10 girls taking sewing lessons.

After this 20 minute lecture, he conducted the group to the Chinese Merchandise Mart, a block away. There he showed them the commerce room where the business men had their meetings. One interesting feature of this room was the furnishings. In particular he showed them an old teakwood table inlaid with pearls on which set a lamp, 3,000 years old and two vases, 800 years old.

The next room was the place where the Chinese worshipped their ancestors and this was a very beautiful scene, for it was typical of any Chinese temple. Here Mr. Wong explained the incense and oil burning on the altar and told many of the superstitions and beliefs of this 4,000 year old race.

The next room was the Chinese court room and Mr. Wong explained that only civil cases were settled here. At this point he also cleared up many thoughts regarding "tong wars," "daggers," "murky doorways," etc., and proved that many of these tales were just detective book stories.

The last thing visited in the Chinese Merchandise Mart building was the schoolroom. Here the group found about 20 girls learning folk dancing from two W. P. A. teachers. In the schoolroom Mr. Wong showed the people how to write and talk in Chinese and explained just why the Chinese write backwards and use other such peculiar customs.

Mr. Wong then left the sightseers and Mr. Jaenickin led them to a large department store where many bought souvenirs.

Then they got in the bus once more and after a 30 minute ride arrived in Little Poland. Here they witnessed two Polish weddings and met the very kind father. He showed them the confessional booth and the baptismal font and took them through his home where he has two beautiful chapels—one in memory of St. Theresa called the "Chapel of the Roses" and another called the "chapel of jewels" which contained many priceless gems.

By this time the crowd was hungry so the bus carried them to Little Russia where they consumed a genuine Russian meal which the majority enjoyed.

Then, just as dusk was falling, they entered a Russian Cathedral and here witessed the most impressive sight of the tour.

The cathedral was gorgeously decorated and was lighted entirely by candles. The Russian pastor explained a few interesting things before the service began. He said that no woman had ever placed foot upon the altar.

Another interesting thing was that the congregation stood during the entire service. There were no pews in this church. The service was in the Russian language and much of it was sung by six male acappella voices.

It was impossible for the group to stay for the complete service, so they left to go to a Polish museum.

Here they viewed many old books, statues, letters, and autographs of famous Polish men and women, who are well known in America such as Paderewski and others.

The next stop was Maxwell street and it certainly was a treat for many, although most of the stalls were closed, the company got a good idea of what it was all about and was amused to see the fish stores next to fur coat shops and live fowl stalls next to shoe shops.

While on Maxwell street, Mr. Jaenickin took the group to the 22nd District Police Station and here the boys of the party got quite a thrill.

The teletype machine was explained and the finger printing process was demonstrated. The Lieutenant at the station showed them the cells and kitchen and told an interesting story of how he captured two 17 year old killers and warned the young people to stay on the right road.

After giving the girls a thrill by locking them in the "paddy" wagon, Mr. Jaenickin led the group back to the bus and at 10 o'clock all turned their faces homeward eager to tell their friends of their interesting trip and anxious to get out of the drizzling rain which had not dampened their spirits one bit.
